Well fizz whizz bang viewers, if it ain't the month of bangers, bonfires, and burnt people! Ah, those crisp winter evenings strolling home and avoiding endearing children hurling Roman candles at you and getting in only to find your pets have completely shat their guts all over the carpet. I love it.

I once had an old flame called Catherine Wheels who'd always take me for a spin and show me her fuse. Right little cracker, she was.

Still, with the nights drawing in and the temperature dropping, it becomes harder and harder to venture out of a night to the local. So what to do? Snuggle up next to your loved one and make a bit of wild and passionate? Or just go home to your girlfriend?

Well, if you really are stuck then you can go out and get your Christmas shopping done, go and see your mum or get some mates round for an evening of firework frolics. But remember — always follow the firework code:

1) Always use fireworks.

2) Don't keep waving sparklers around to try and

write your bloody name in the air.

3) Please avoid cliches like: "Ooh, that was a nice one... what was that one called?... Is that it? You don't get much for a fiver do you?... Fuck I'm freezing..."

4) Never go back to a firework once lit. Get a mate to.

5) If your guests are getting bored, try playing: "Aiming Any Remaining Rockets At The Local Gasworks." Always gets a laugh.

But hey! What do I care? I'm off for two weeks holiday sunning myself somewhere hot with someone hot, doing every bar in the area and bringing a new meaning to the phrase package holiday! Oh yes. Torquay's got it all...

Moan Alone

Although I'm a devoted fan of your magazine I had to write and tell you how sorry I am to see that you have chosen Lucy as your new regular girl. I find redheads turn me off... especially ones with backsides like horses.

However, Joanne, Carla and Anastassia in the same issue (Vol 21 No 9) are simply gorgeous! So give us a bit more of them instead, huh, guys? – *John, Kent*

We are happy to report that, so far, John is in a minority of one on this issue. Poor sod, eh? – The Ed

Satisfied Customer

I hadn't seen a men's magazine in a long time until my boyfriend showed me a copy of Club (Vol 21 No 10), but I'll be asking him to bring it round every month now. Your *Women's Writes* section had some really sexy ideas. I only wish I was pretty enough to appear as one of your models.

I'm not a bit jealous of the way he drooled over the gorgeous Heather or your coquette Shelley, though. By that time I was down to my suspenders too, slowly wanking him off. I loved seeing how excited he got over your girls as he told me how to stretch his foreskin and squeeze the base of his knob. And I knew looking wasn't enough, he'd want to fuck my pussy soon.

Denise was my favourite. I'd kill to get my hands on her chequered pink lingerie, slowly peeling it off to reveal her naked body underneath. She's dead right about one thing: you boys may have the pleasure of getting an eyeful, but you'll never know how sexy it is to be a girl!

Denise was the girl Paul was looking at when he said he wanted to fuck me from behind, which is something we'd never done before. By that time, I was aching for his cock and I came as soon as he thrust into me. He filled me completely, then after I sucked him back to hardness, he fucked me all over again!

Please let's see more of Denise! – *Louise, Clapham*

Dream ticket

I have recently had the horniest (and most embarrassing!) experience of my life. It happened a few weeks ago and I thought Club readers really ought to know about it!

I do a lot of travelling in my job as a rep, and most of the time I take the train. It costs a bit more, but I do like to spoil myself now and then and travel first class.

One Friday afternoon last summer I was travelling back from London after a particularly arduous day. All the carriages were full and I ended up sitting in a compartment squashed together with about eight men, including a dishy blue-eyed number opposite me.

It was a hot afternoon. I'd had some drinks to try and cool down a bit, but it wasn't working. I just felt like dropping off to sleep. After about half an hour of fanning myself with my paper and taking off every bit of clothing that I decently could, I couldn't stand it any longer. I decided to go and splash my face with water to cool down a bit, so I squeezed my way down the packed corridors past all the businessmen.

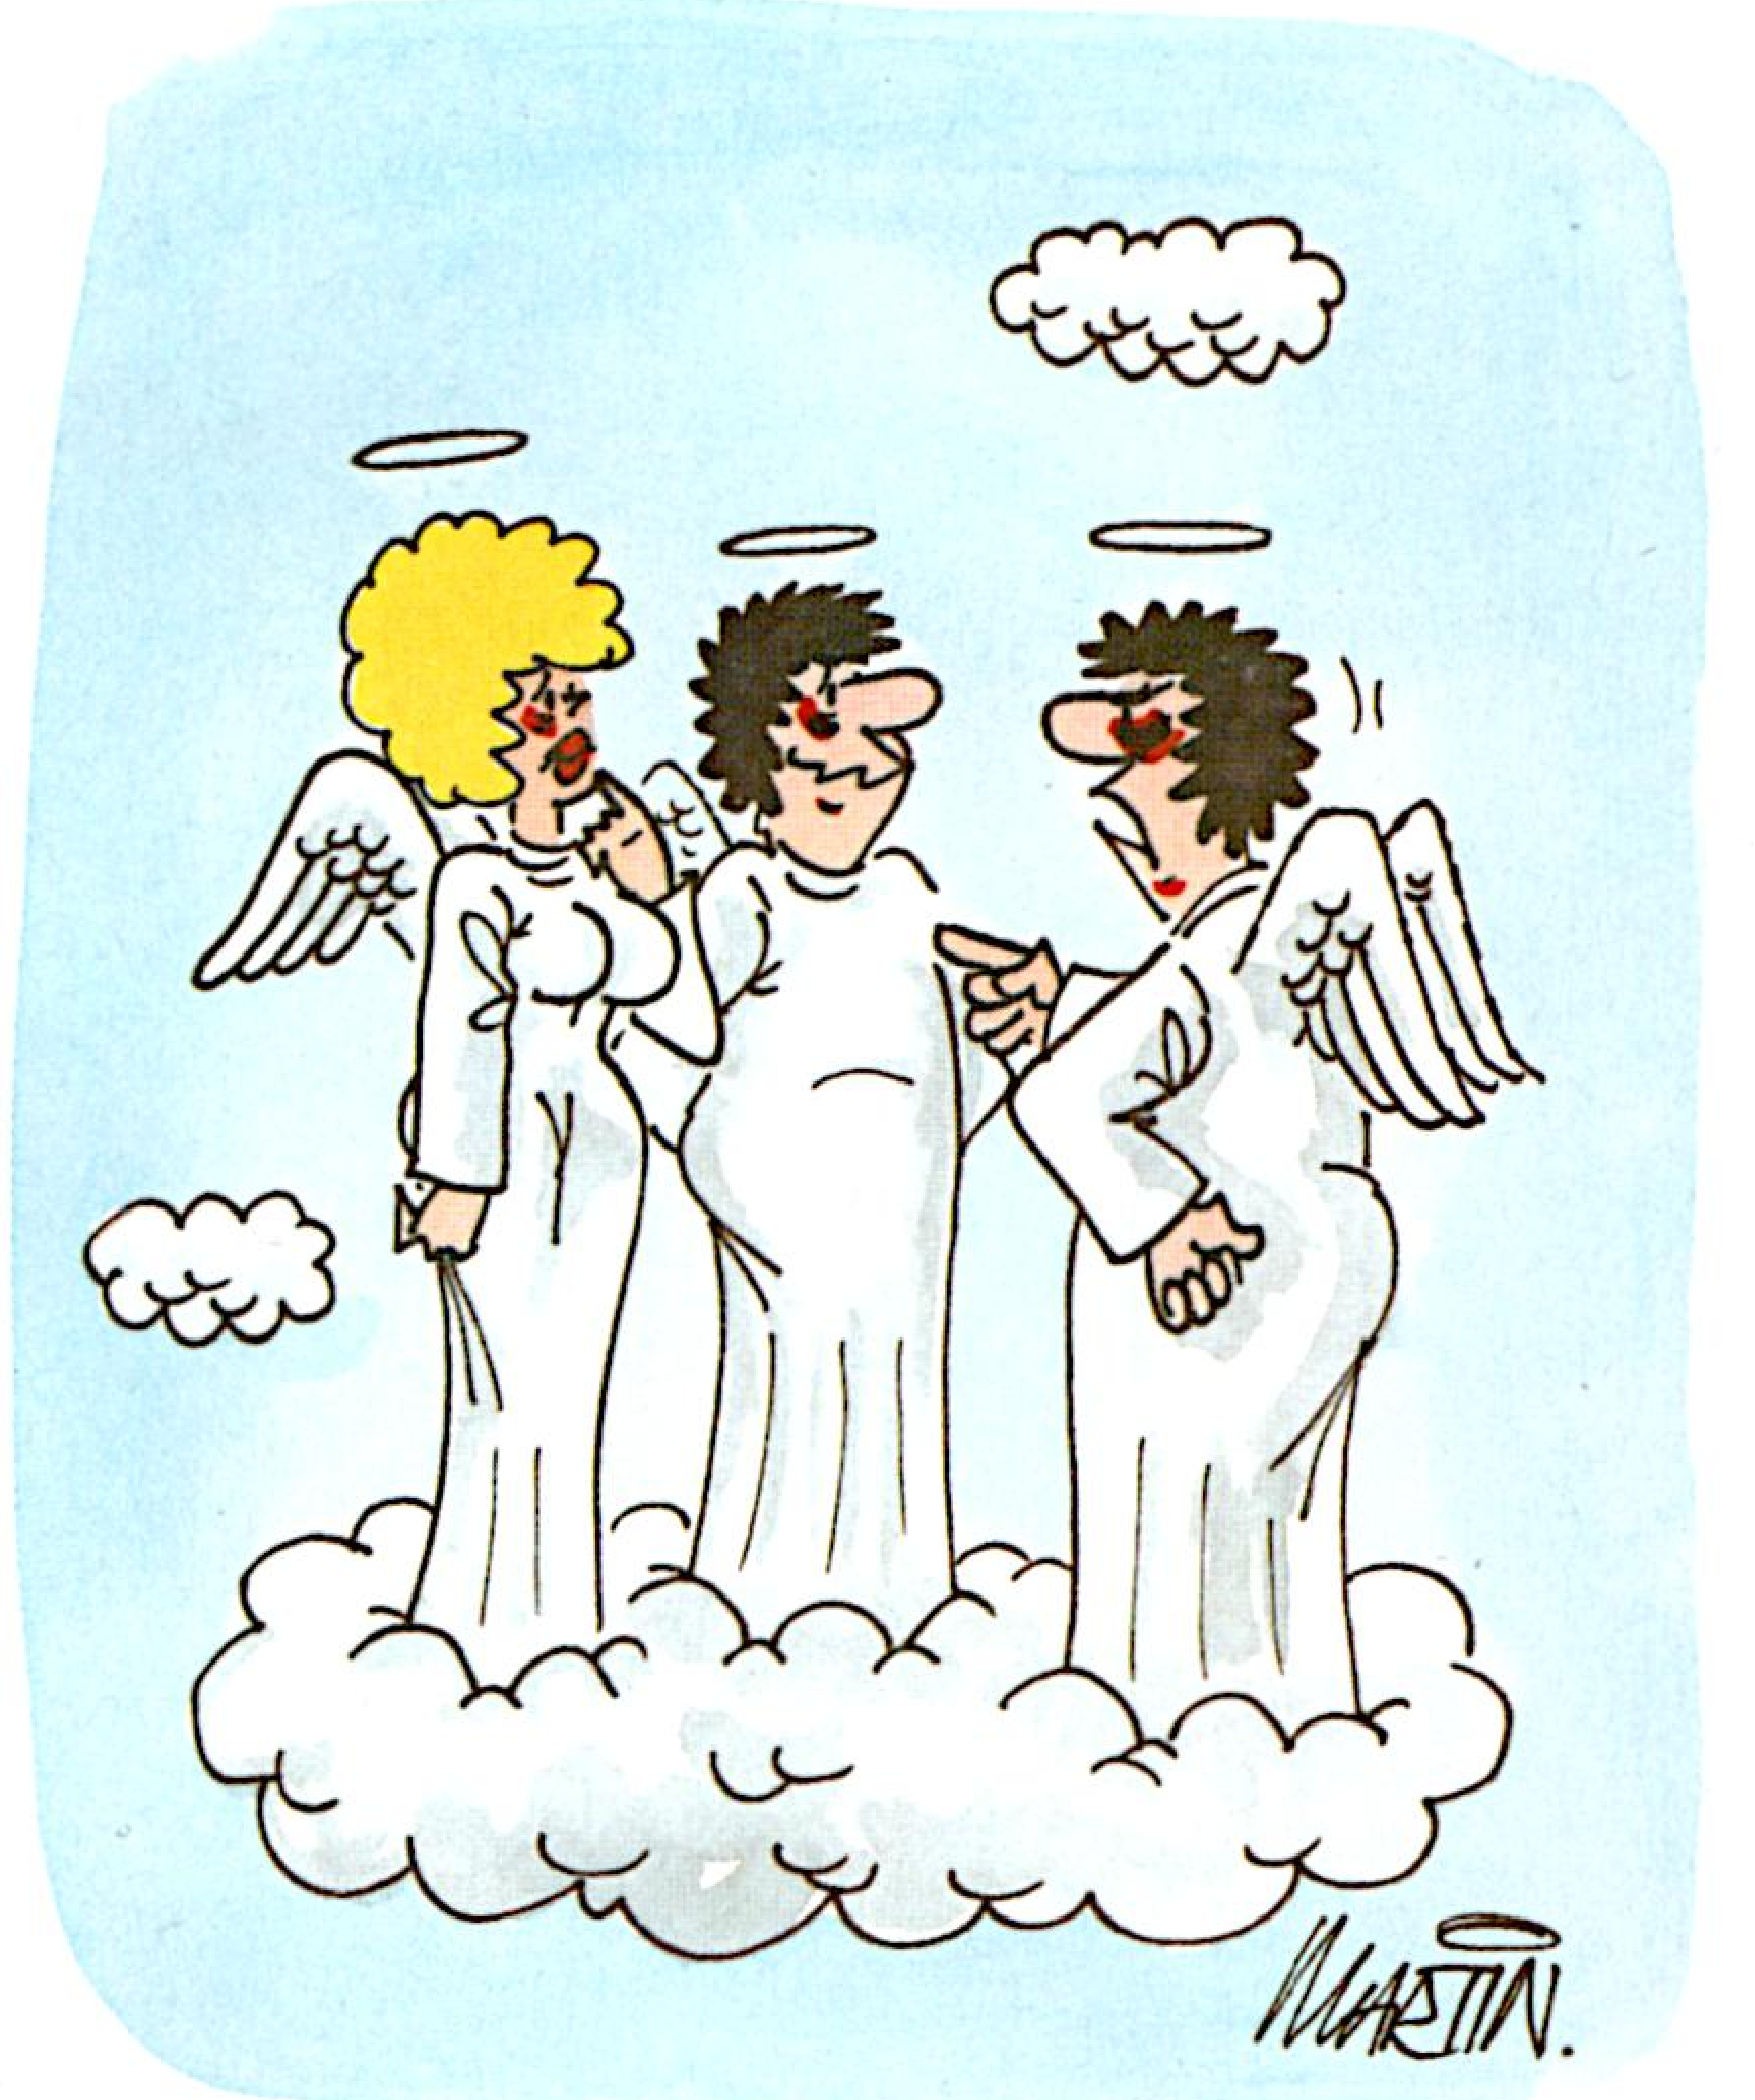
I know I look quite sexy, with my long, curly black hair and curvy figure, and could feel I was getting the eye from every man as I edged my way along. I always find attention like that a bit of a turn-on.

Eventually, I found what I was looking for and as I went to open the door my hand touched someone else's.

"Sorry, you were first," said this gorgeous looking man.

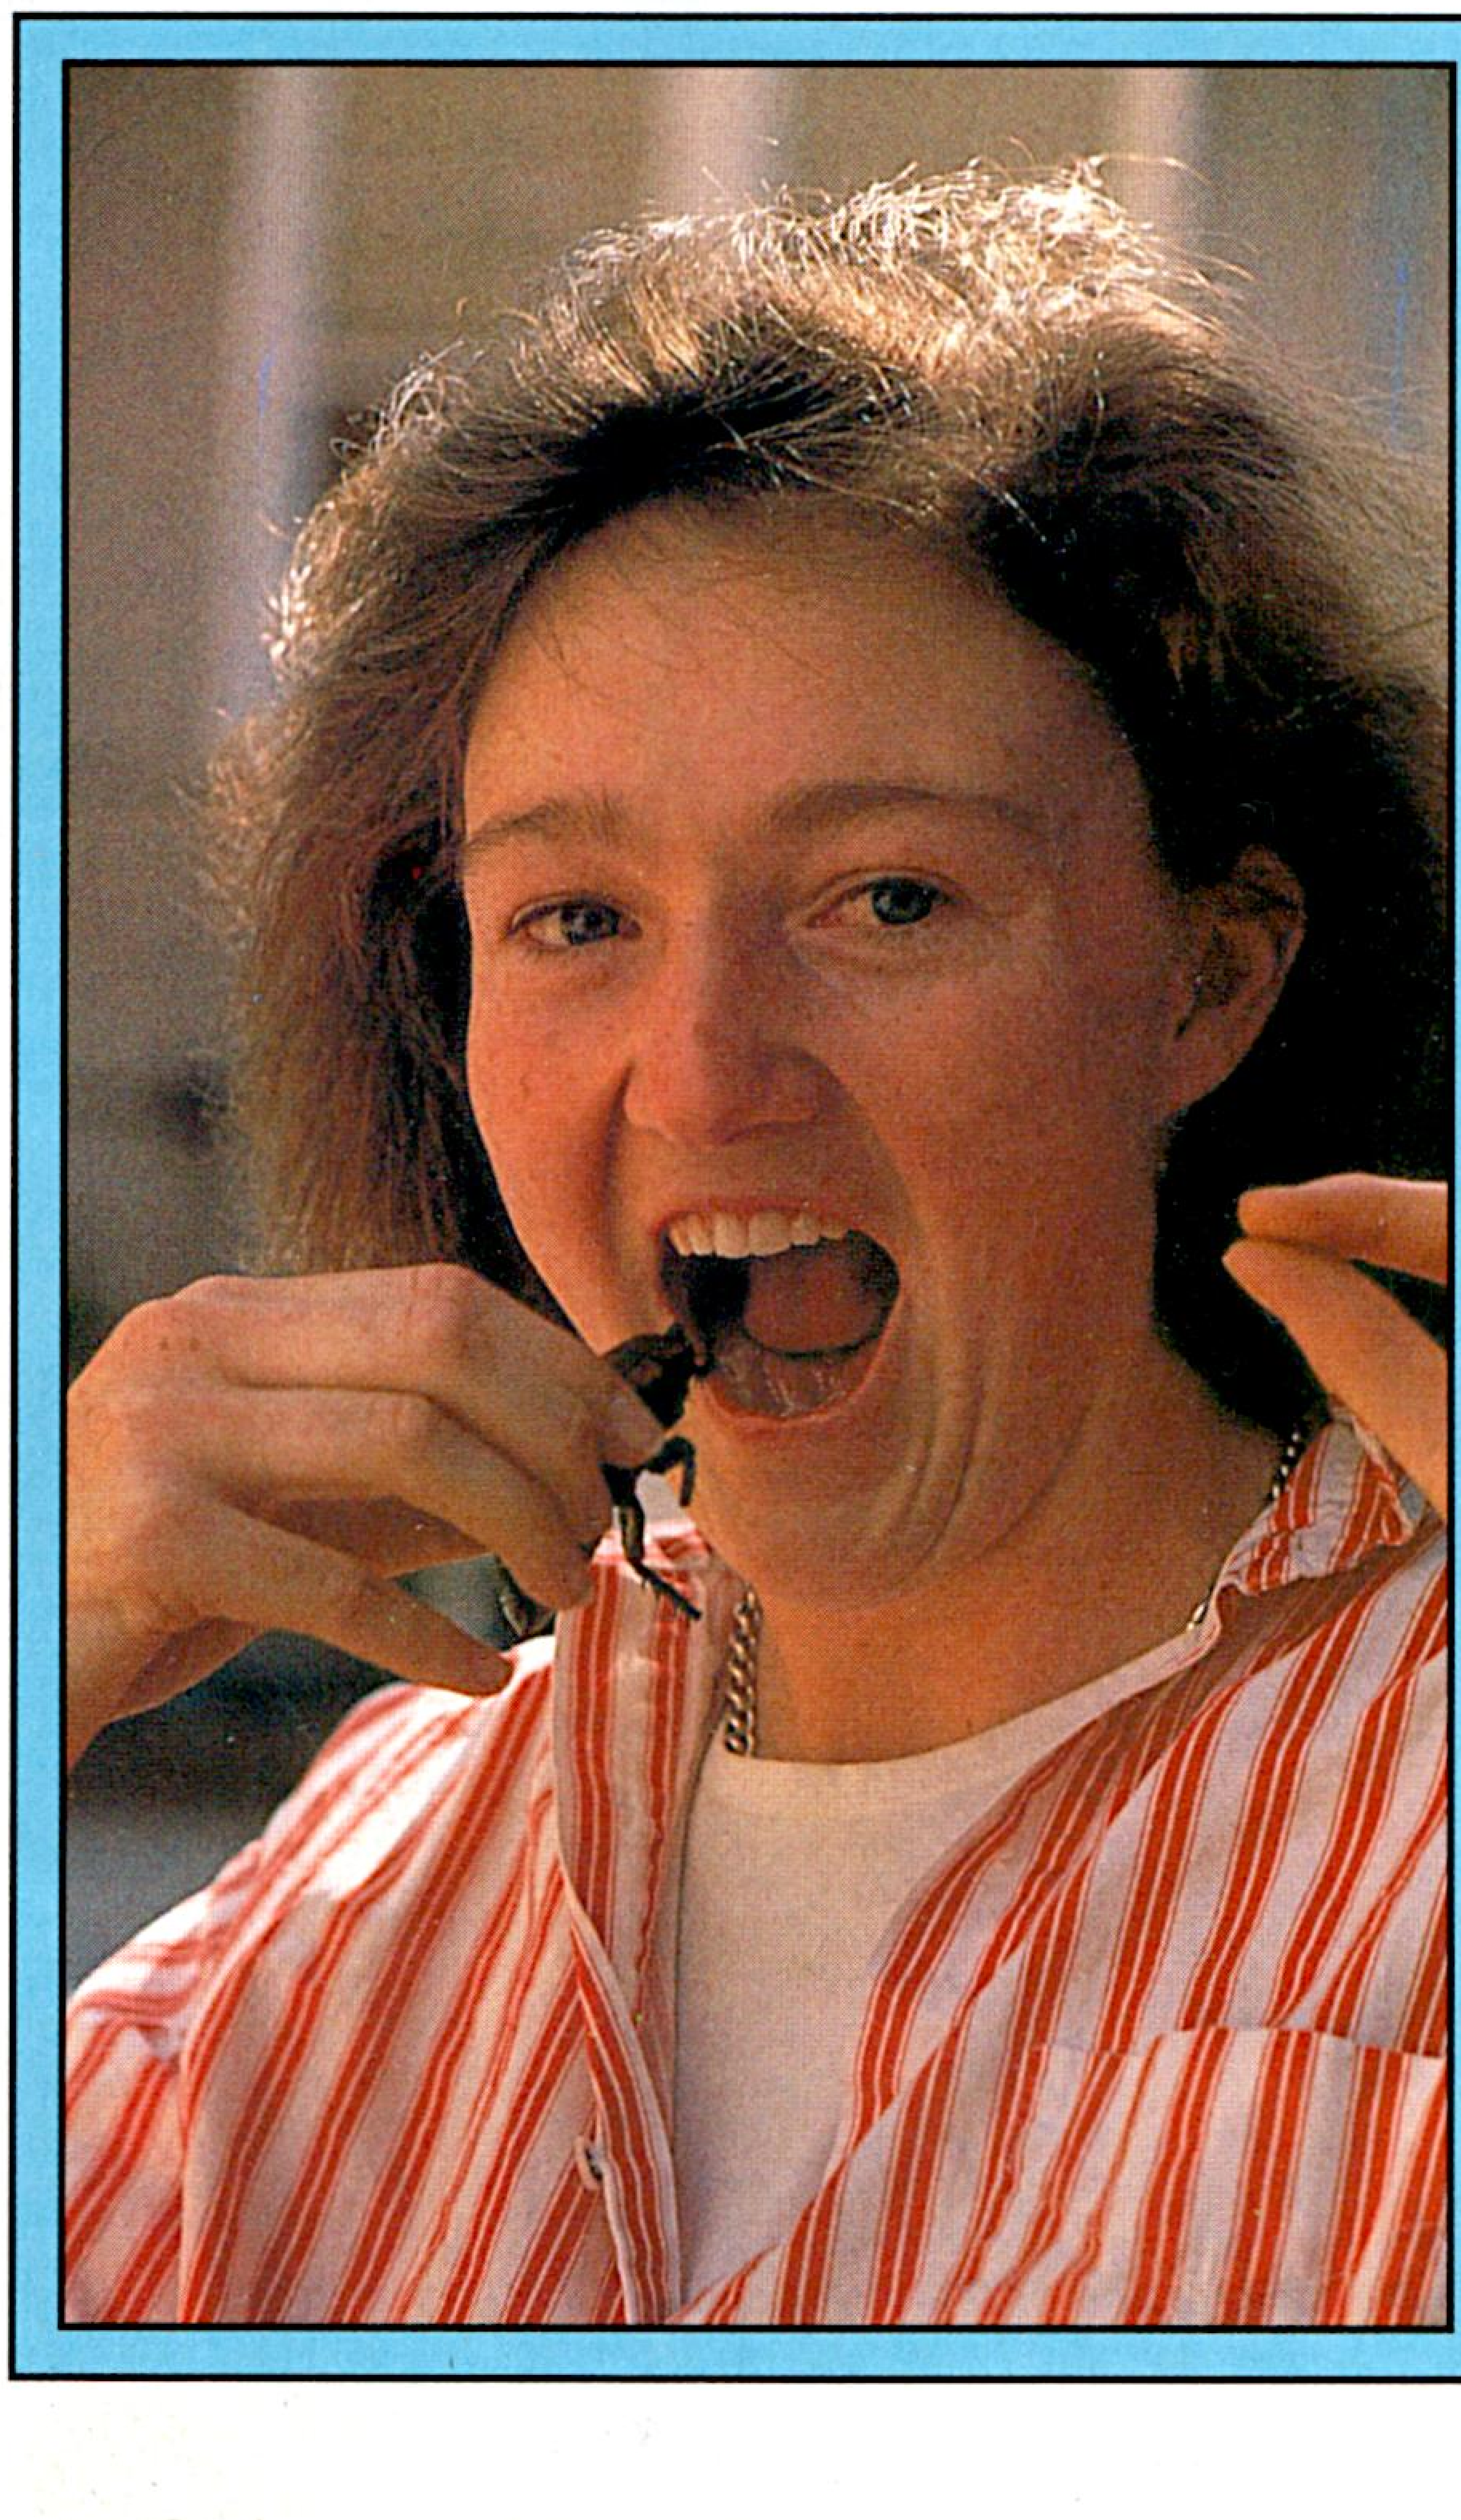
"No, you were..." I stammered, as I stared into his eyes. Then, without another word, he stepped backwards into the loo and I followed as if in a trance, our eyes locked together. As I heard the door shut behind me, I fell into his arms and we kissed, both ripping off each other's clothes.

He nibbled my neck and shoulders as his lips kissed their way down to my boobs, his hands unclasping my bra.



"Okay, so there was a fire in our bedroom and now we're dead! So what's the fucking milkman doing here?"

COCKROACH – THE FINAL CHAPTER



You may recognise the unfortunate bug in this picture. Yes, it's Elvis Roachley, the creepy crawly Presley impersonator who's already appeared twice in the pages of Club! Back at the beginning of the year we showed Roachley in his full King-style get-up, and only a couple of months ago we gave you an exclusive peek of him having a scrub in his bathroom.

Anyway, we are now proud to present the last picture of Elvis Roachley that will ever be seen in Club. That's right, because we've had the little fucker eaten!

The lady shown about to munch Roachley is an Australian girl called Pam who we met in the pub. She claimed that loads of people eat them Down Under, and that she liked them too. We thought she was bullshitting so we invited her back to the office, where the Ed was keeping Roachley in a box under his desk, and bugger me if she didn't eat the little bastard there and then!

"Cockroaches are a tasty and nutritious snack," Pam would have said if we hadn't bundled her out of the office in disgust.

So anyway, there will be no more cockroach pictures in this magazine. Bit of a relief, to be honest. And that's the last time that we ask an Aussie back to the office to look under our desks, we can tell you. ♣

I was pulling at his belt as he yanked my panties down and turned me round, my hands resting on the sink. He sank to his knees and pushed his face into my pussy, his tongue flicking at my clit and plunging deep into my love hole. Each flick of his tongue sent waves of pleasure right up through me.

After five minutes of this he stood up: I could feel his cock against my bottom as his hands spread my legs apart a little. The waiting was agony and I was just about to beg him to hurry up when I felt the tip of his huge rod teasing my cunt lips open.

With one push he was inside me. Christ! He felt enormous, not just long but thick too. I felt this mixture of pleasure and naughtiness as he rammed harder into me. Here I was, having sex with a stranger but it didn't feel at all wrong, just very naughty!

His hands gripped my waist as he pumped away and it felt as if he was getting bigger with every stroke. Thankfully we passed through a tunnel and the noise drowned out my screams as I came.

I closed my eyes and trembled as I felt his spunk pump into me, draining his cock completely as my cunt muscles tightened around him, squeezing him dry.

Nothing, though, was to prepare me for what I saw when I opened my eyes. I was in my compartment with a pair of blue eyes staring at me! I sat up straight with a look of shock on my face.

"Are you all right?" he grinned. "What happened?" I whispered, trying to regain a little composure.

"I think you must have fallen asleep... and had quite a dream, too, by the sounds of it!" he grinned. As it dawned on me what had happened, he explained how everyone else in the compartment had left as soon as I started writhing around and moaning "Oooh! Fuck me! Fuck me!" But *he* had stayed!

I couldn't believe I had made such a fool of myself, but he told me not to worry and said he was quite turned on by the whole thing. He wasn't lying – I could see the bulge in his trousers! Then he leant forward and whispered, "Tell you what, I won't tell anyone as long as the next

FASHION TIPS WITH BOB HOLNESS

King of Cool, High Priest of Hipness, Bob 'Velcro' Holness tunes into this winter's seriously funky styles...

Hi cats! Well, winter's coming and there is certainly nothing worse than being caught miles from the television studio on a cold afternoon without a proper jacket on. And I should know!

But seriously, Marks and Spencer as usual prove the best bet for that hardy fashion perennial, the mid-brown washable jacket. Hidden hoods are standard, but do keep an eye out for those handy little extras like inside pockets and plastic piping along the seams. And hey, cats – be sure yours has pop studs instead of buttons, which can be devilishly hard to do up with gloves on.

Staying at Marks for a moment, why not 'check out' their exciting range of mid-brown, fully-washable polyester slacks with seams down the front, as well as their smashing casual range of denim trousers (you kids might know these as just 'denims') with matching white belts.

Now, I know what you're thinking. You're thinking "When is old Bob going to get around to v-necks?" Always popular, always practical, aren't they? British Home Stores do some great ones, running the whole gamut of colours from sand to beige. My wife thinks I'm a slave to fashion, but I prefer to wear the collar of my shirt *outside* the top of my jumper! Groovy, eh?

Finally, if all this decision making proves a bit much for the old brain cells, then why not pop along to Vivienne Westwood's shop in Carnaby Street and get an eyeful of the latest bondage underwear from Thierry Mugler?

Hang loose and hey – God bless, daddio! ♣

MADONNA CLOTHED!

Two years ago, Club International obtained a series of startling new pictures that would shock the world. Only now can they be shown. Yes – it's Miss Ciccone with all her clothes *on*. Blimey!

You've never seen Madonna like this before! The world's biggest female star posing shamelessly with her tits, bum and her entire pubic area completely covered!

The story of how we acquired these pictures is a dark one, full of intrigue and frankly untenable plot twists. Now, finally, it can be told.

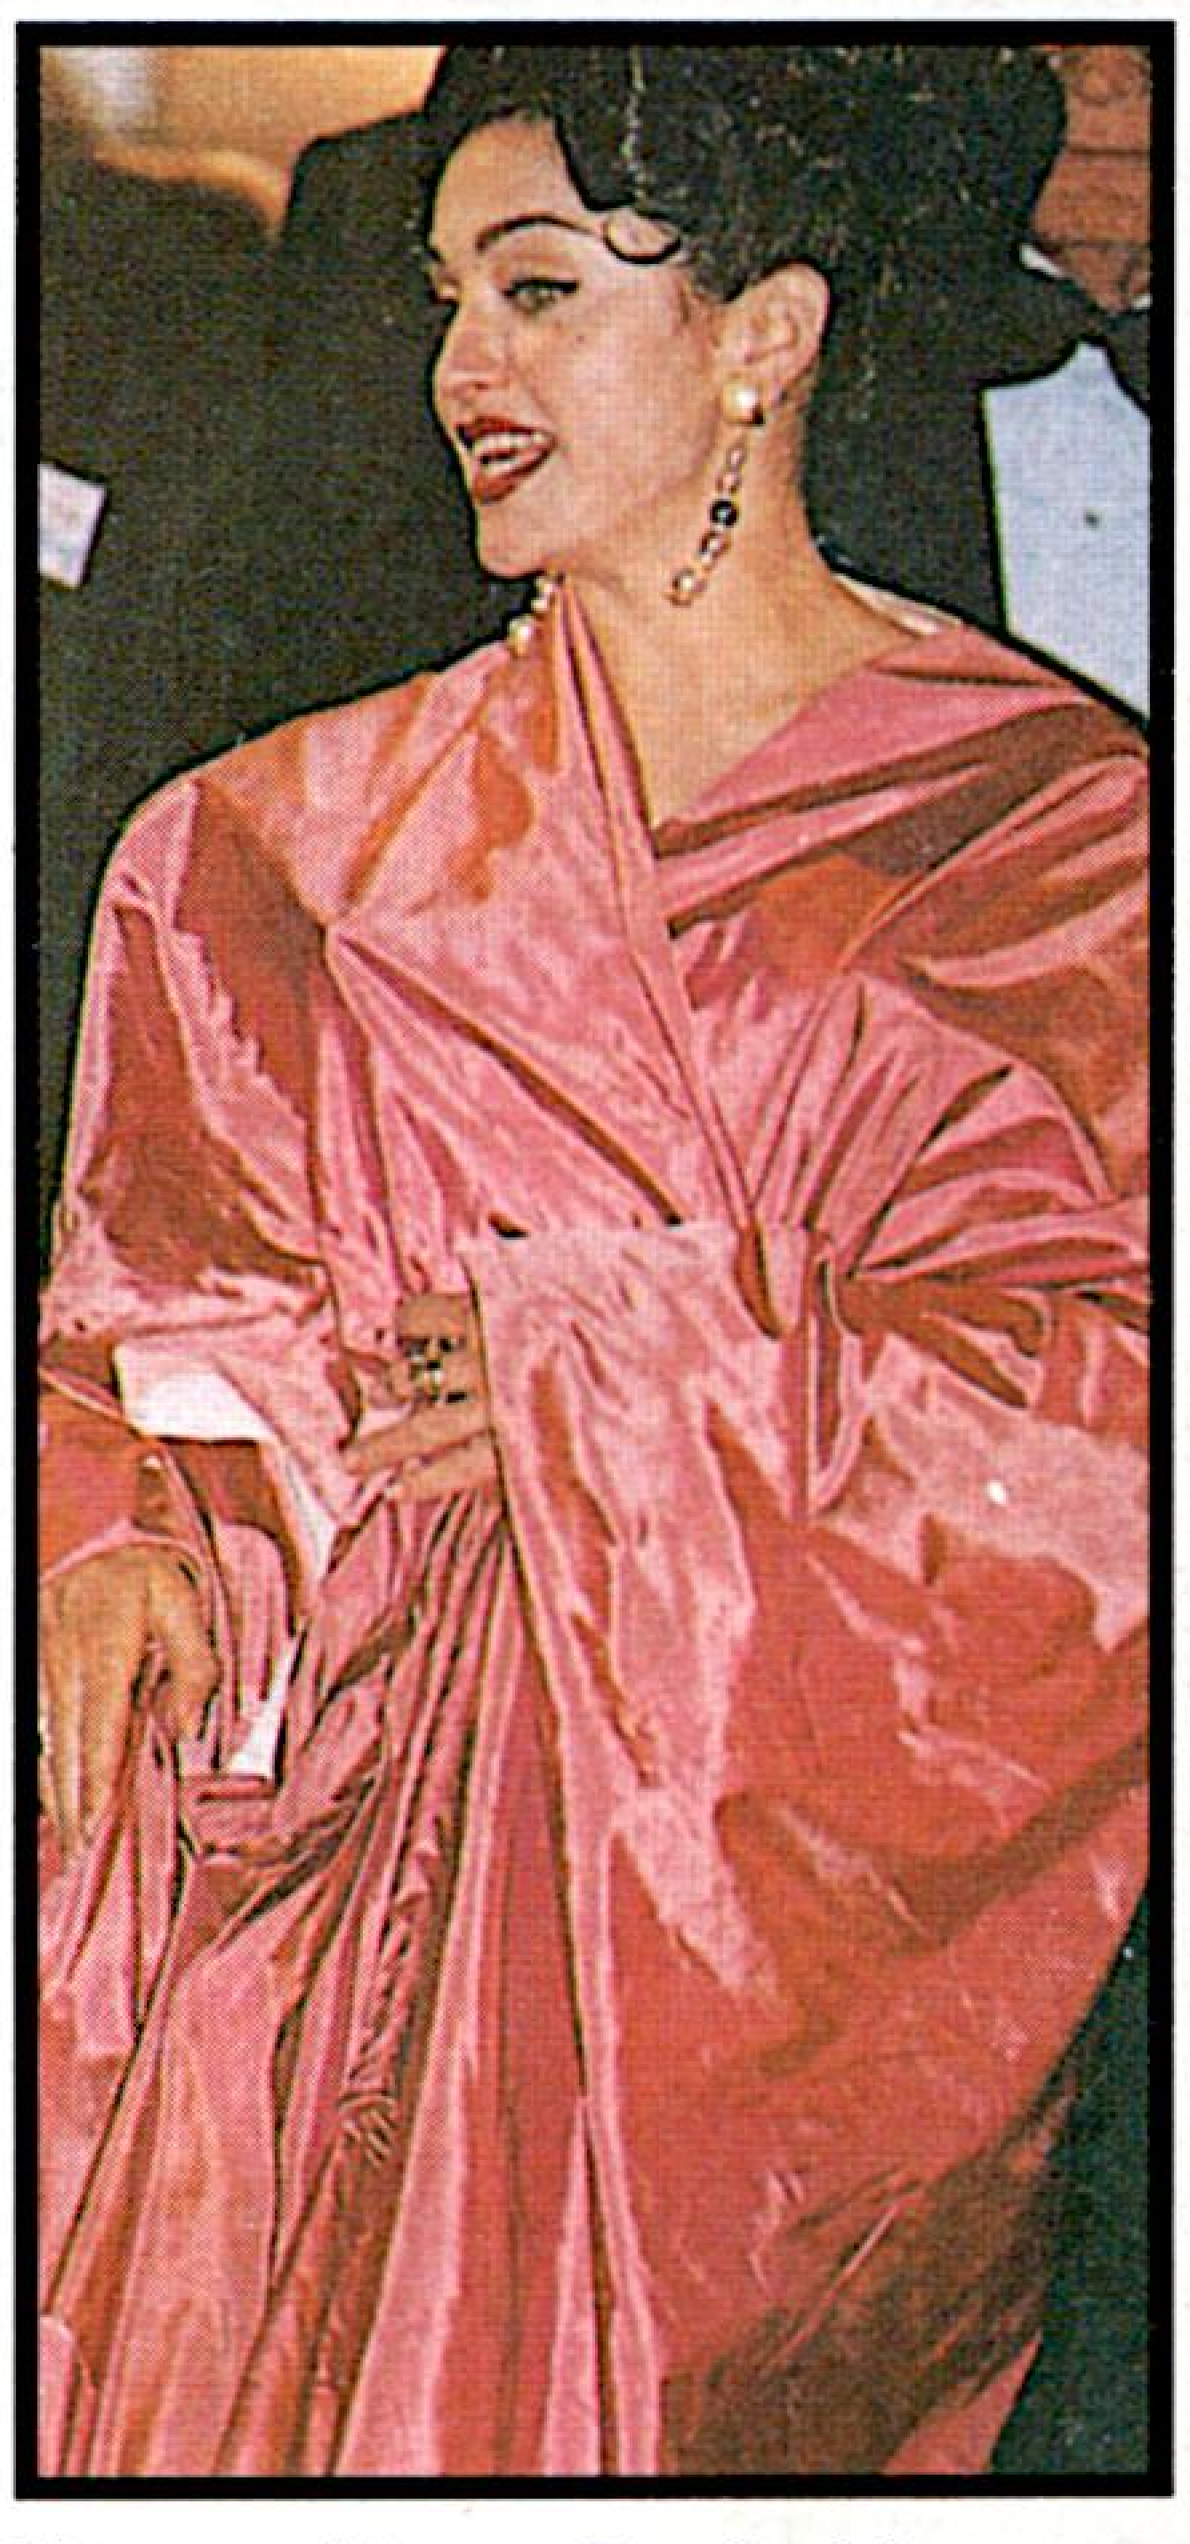
The photographs you see here were sent to the Editor in 1990, at his private address (the Wellington public house). Instantly sceptical that they could indeed be genuine pictures of the famous naked pop star, he set his crack teams of investigative reporters to work to verify the story.

The Club Sports Desk were the first to be trusted with the job. However, lacking both resources and a good midfield configuration, Madonnagate, as the story was now known, proved too much for the boys at the end of the day. Sick as parrots, they booted the scandal upfield to the Sex Desk.

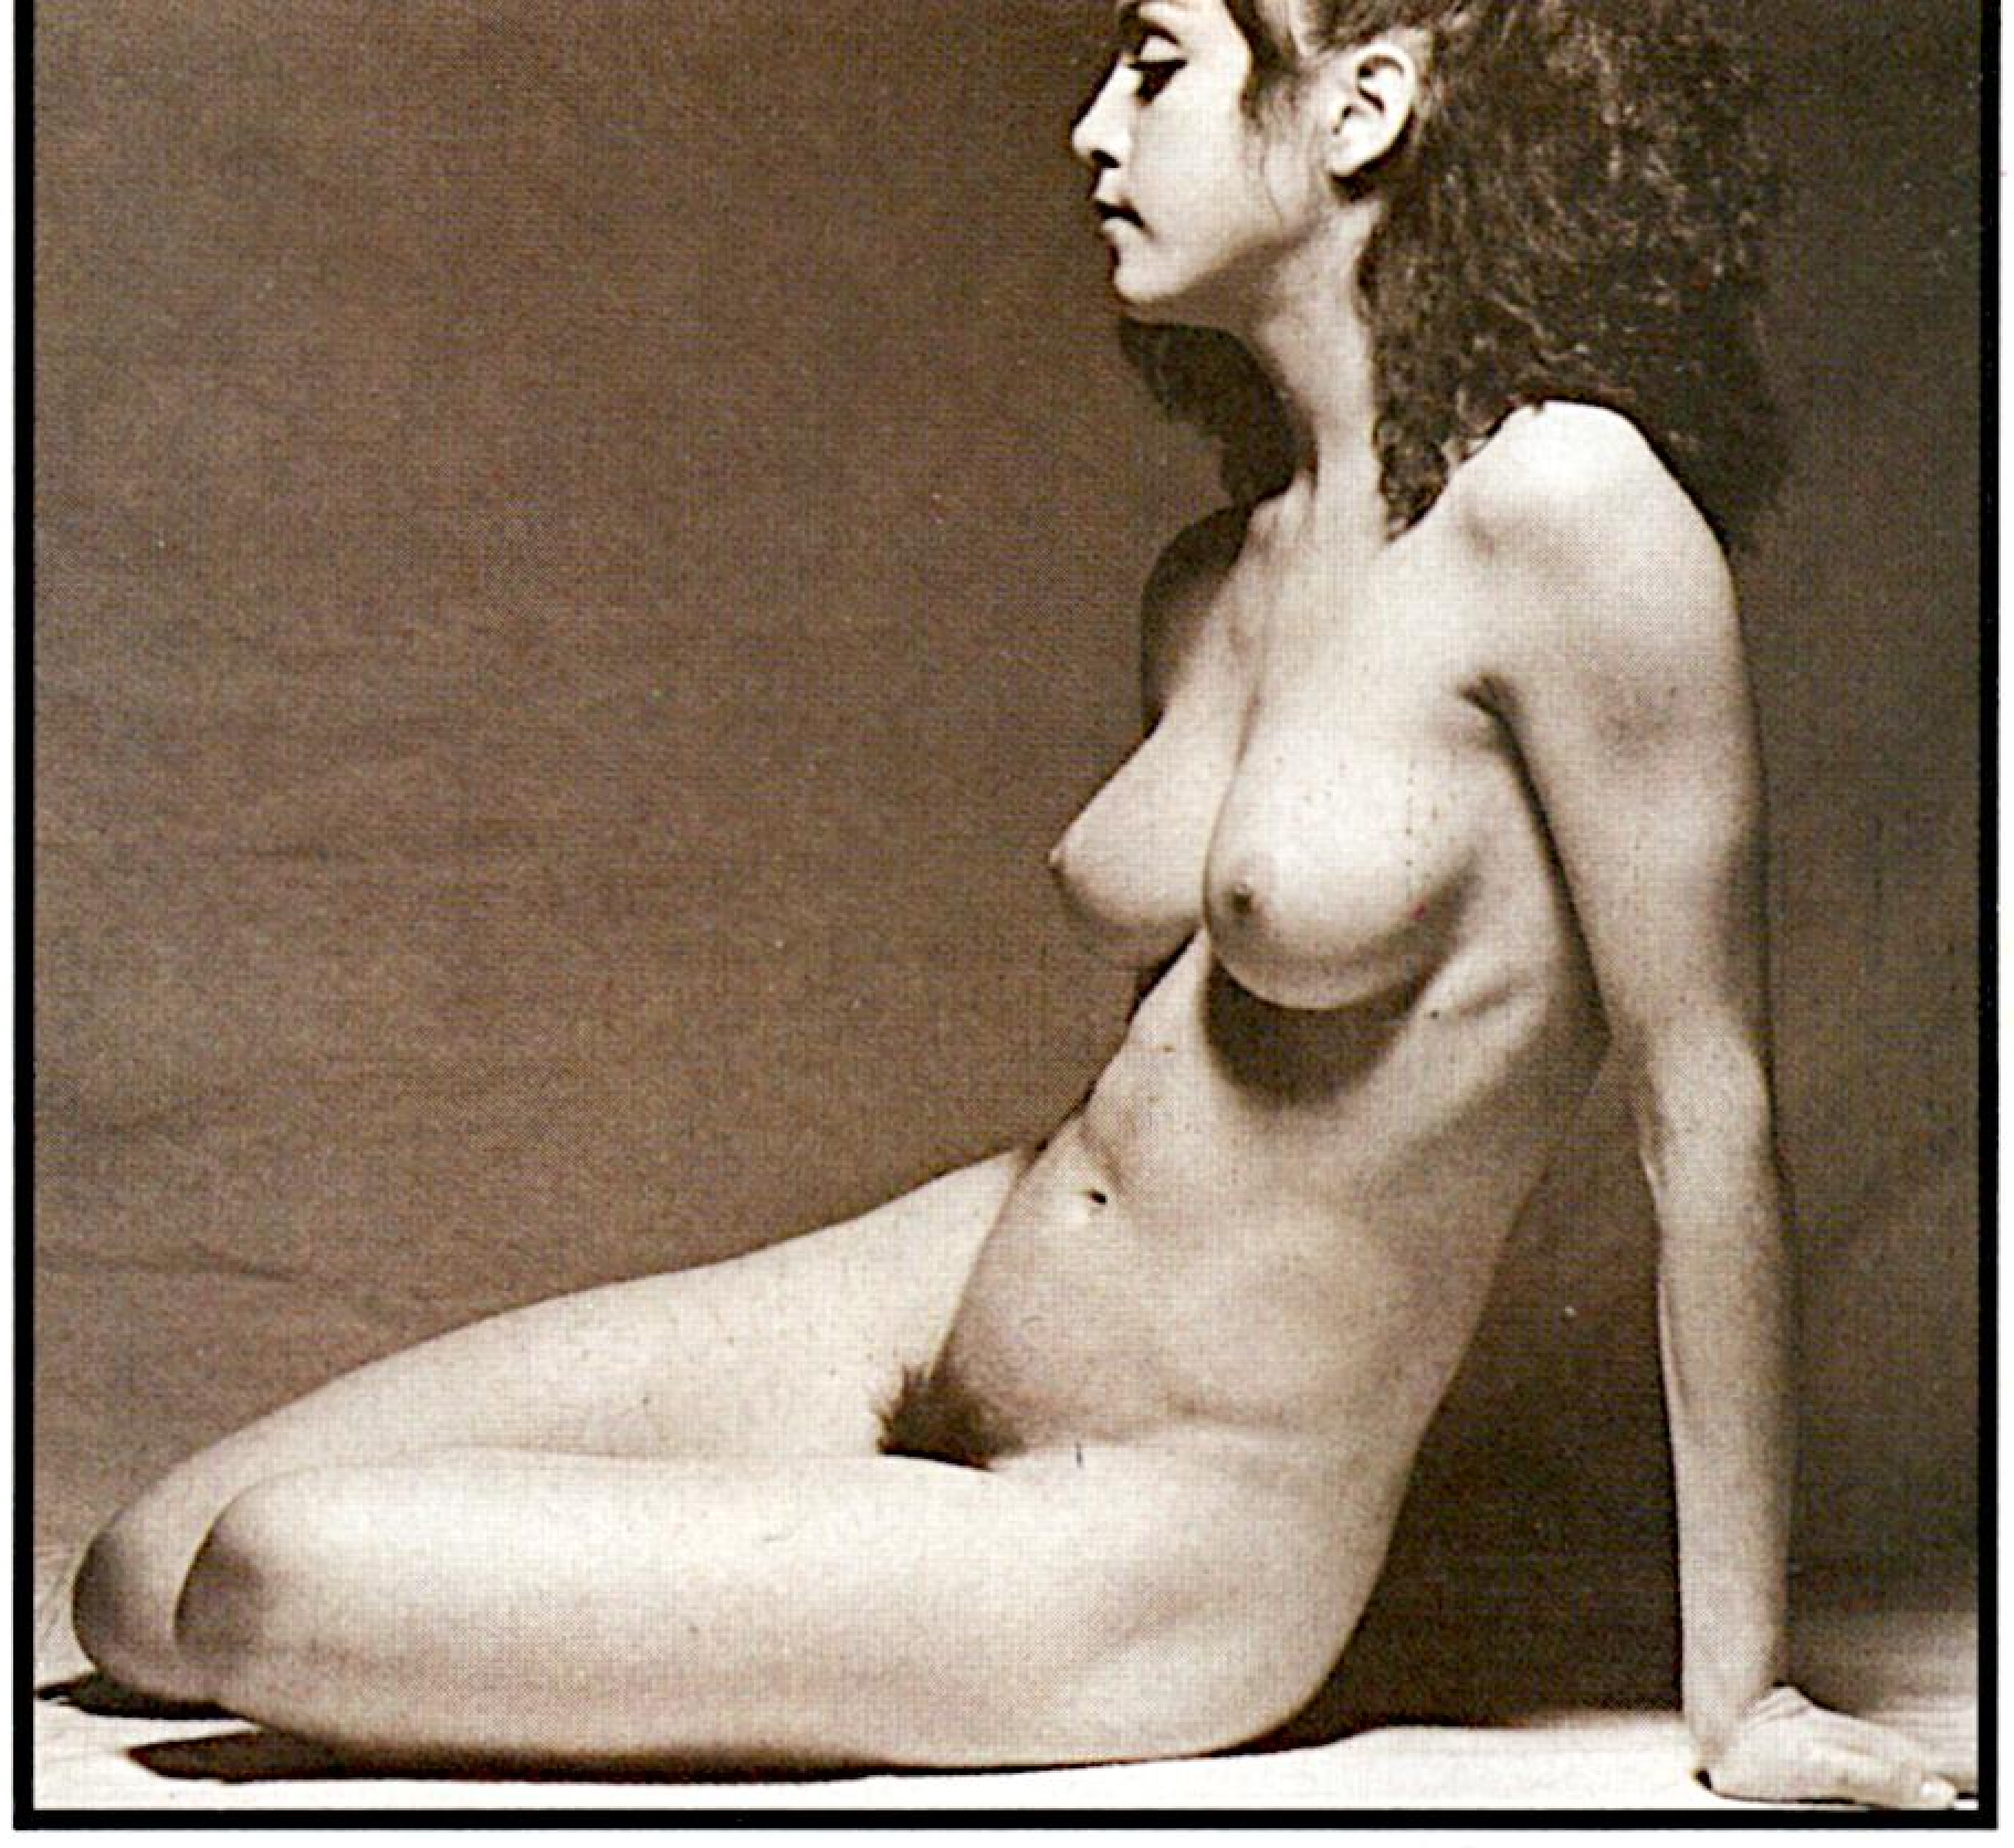
The Sex Desk suspected foul play and passed the story back to the Sports Desk. But they couldn't handle it due to a spurious new rule that disallows a back pass in an attempt to speed up the game.

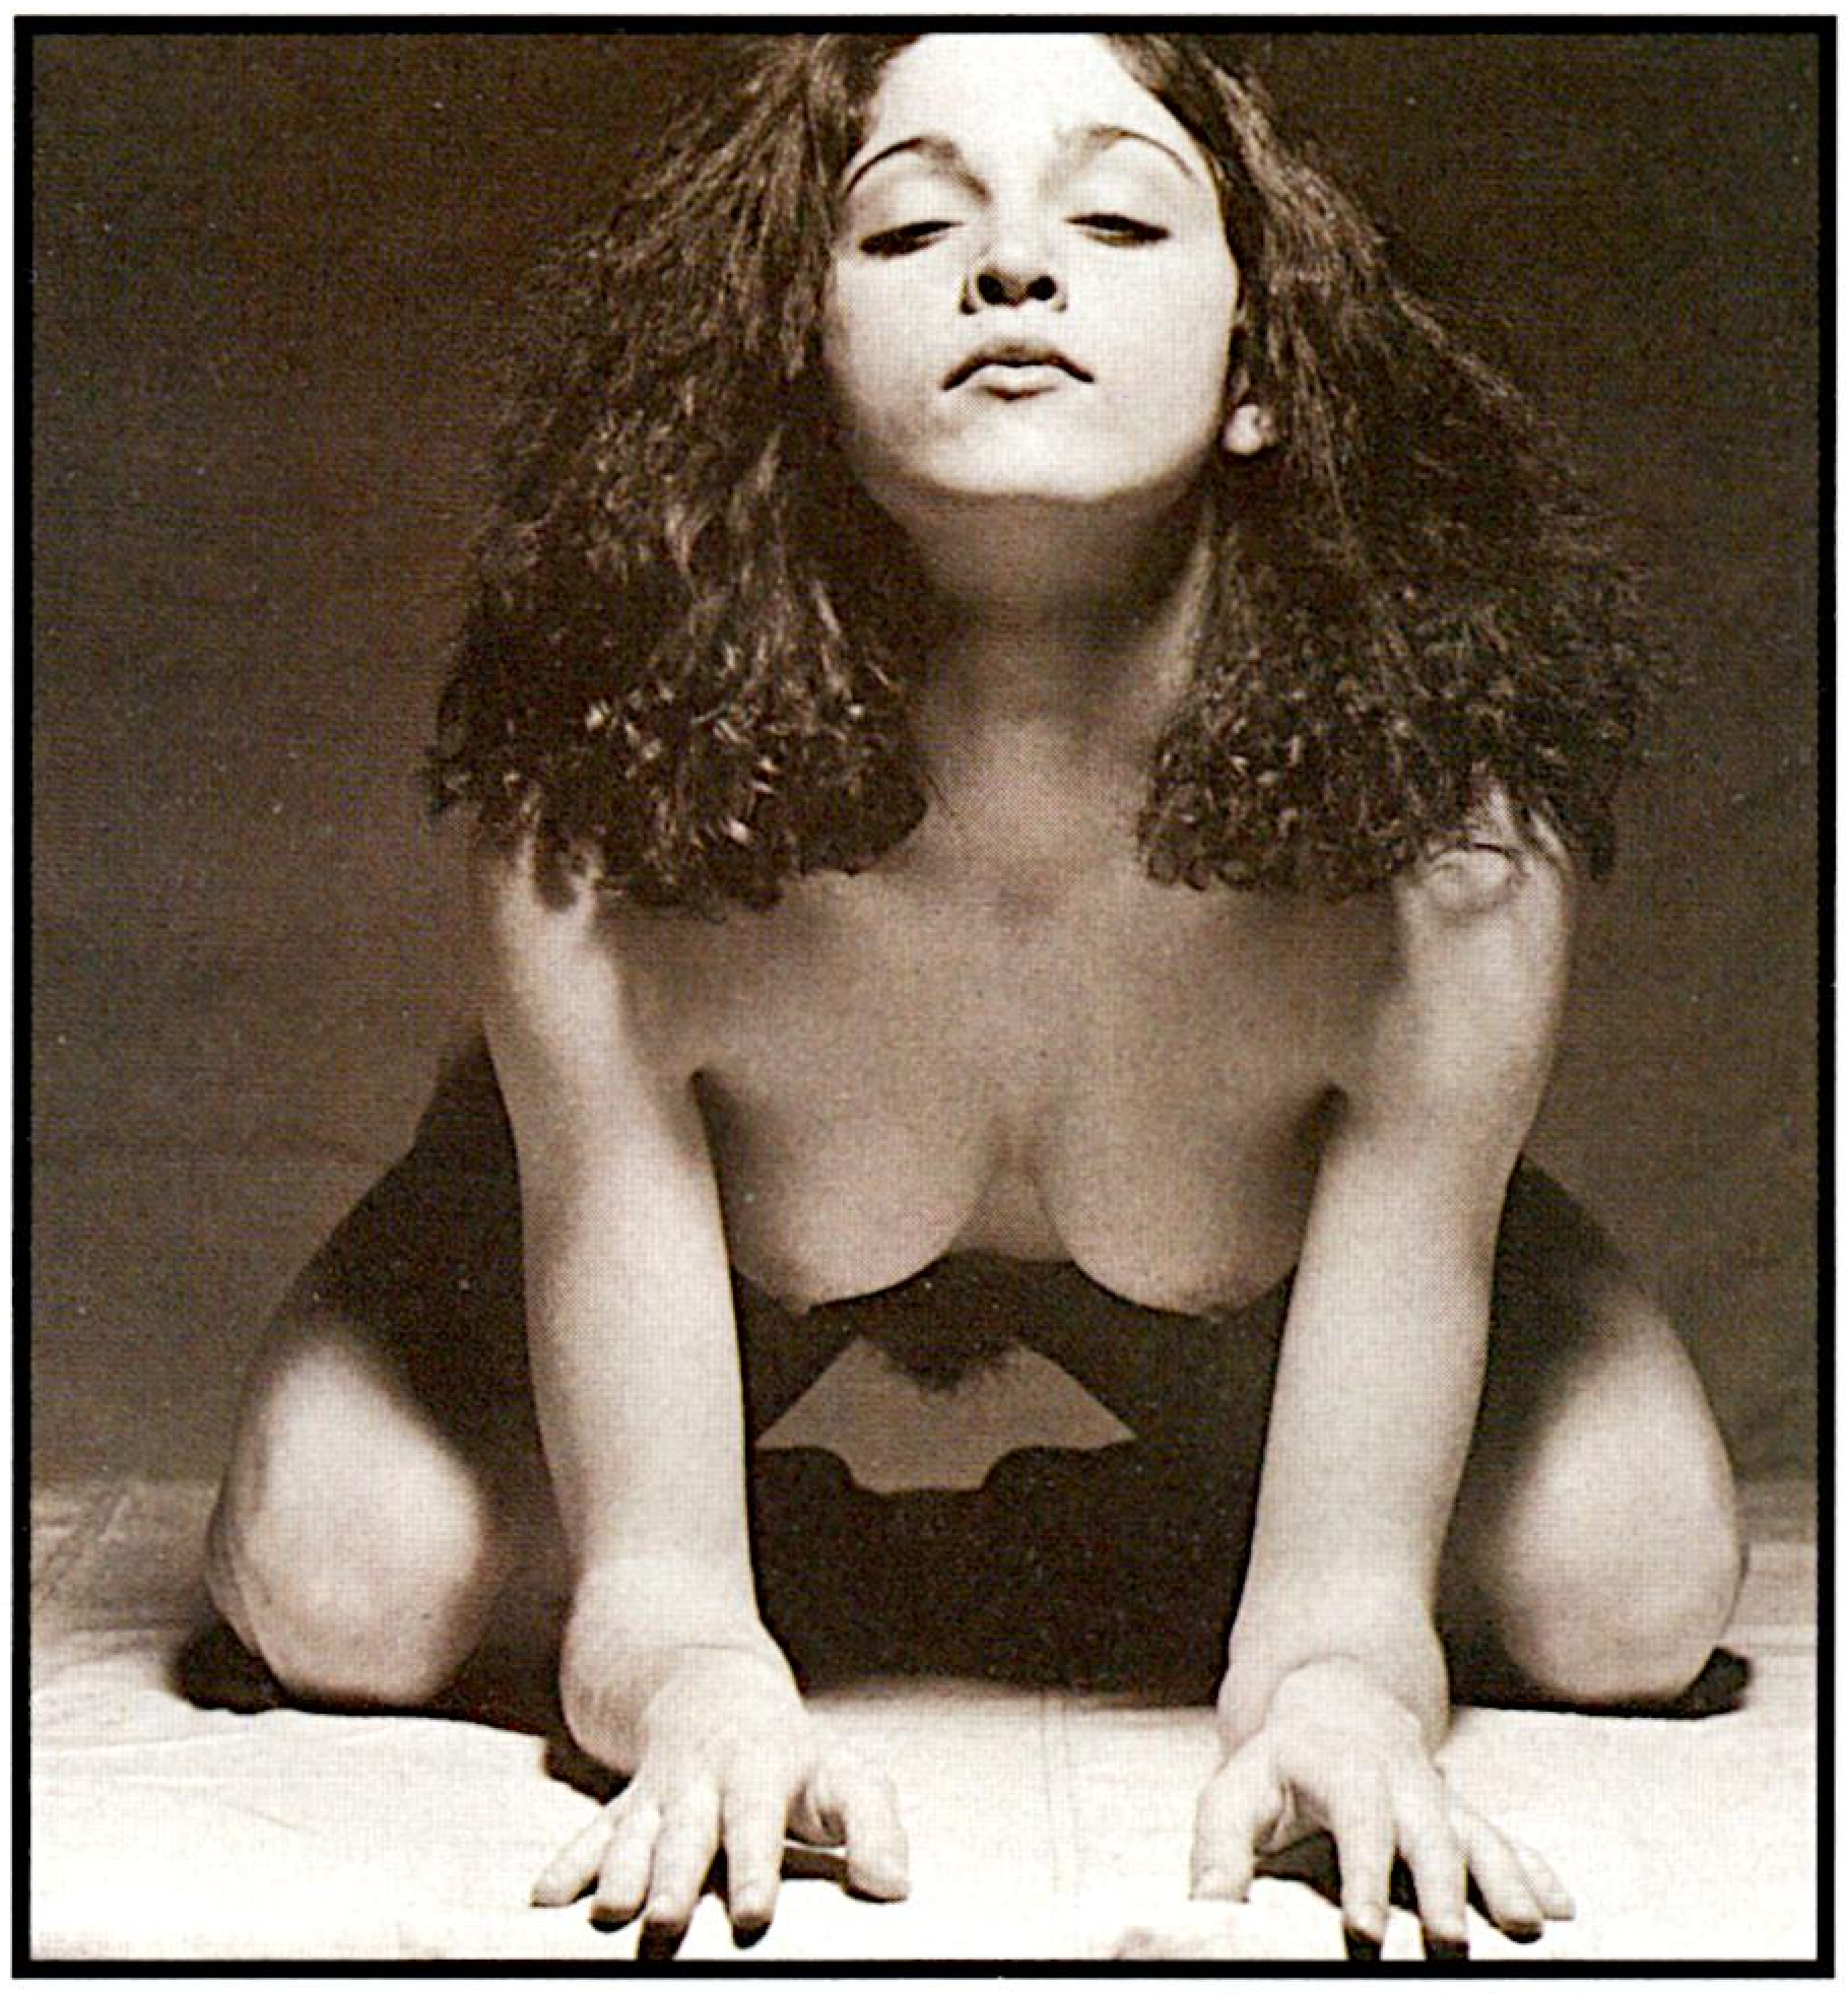
By this time the story was taking on a life of its own. It bought a small semi-detached house on the outskirts of Tilbury and did some evening work in a wine bar close by.

Then, just when it looked like the world would never see the only known pictures of the sexy superstar revealing none of her naughty bits, the Pop Desk popped up to take up the running. They were determined to leave no stone unturned. They were on the phone straight away to Bill Wyman, rolling him over several times before tracking



These exclusive pictures of Madonna should shock her millions of fans. Probably.





Yaw-w-w-n! What a sur-prise, eh? Madonna naked (again)

down Mick, Ron and the rest of the band.

Then they got the break they'd been waiting for. Richard Guy, the only naked reporter on the Pop Desk, had a tip off while using the bacon slicer but is expected back at work on Monday.

Shortly afterwards, in a bizarre twist to the deepening intrigue, Mr N Parker, a retired spermbank manager from Dorking, contacted the Pop Desk about his hobby.

Apparently, while going about other peoples' business last Thursday evening – peeping through letter boxes, opening his neighbours' mail and recording their post-coital chats – Mr Parker came across the following conversation, which confirms beyond doubt that the pictures you see genuinely are those of Madonna with her clothes on.

Voice A: "Bloody hell, that was a good shag."

Voice B: "Yeah, but it'll take ages to get the trifle off the sheets. Here, you know those pictures of the world famous pop star Madonna with all her clothes on that she didn't want the world to see that were lying around, have you seen them?"

Voice A: "Yeah, I sent them to Club International two years ago and they paid me twenty grand for them."

Voice B: "Oh, that's alright then. As long as I know."

So there you have it. The end of another mystery. The pictures you see are for real, proving once and for all that the multi-millionaire singer of hit songs like *Hanky Panky* and *Material Girl* can, after all afford clothes and has, at least once in her life, actually worn them! ♣

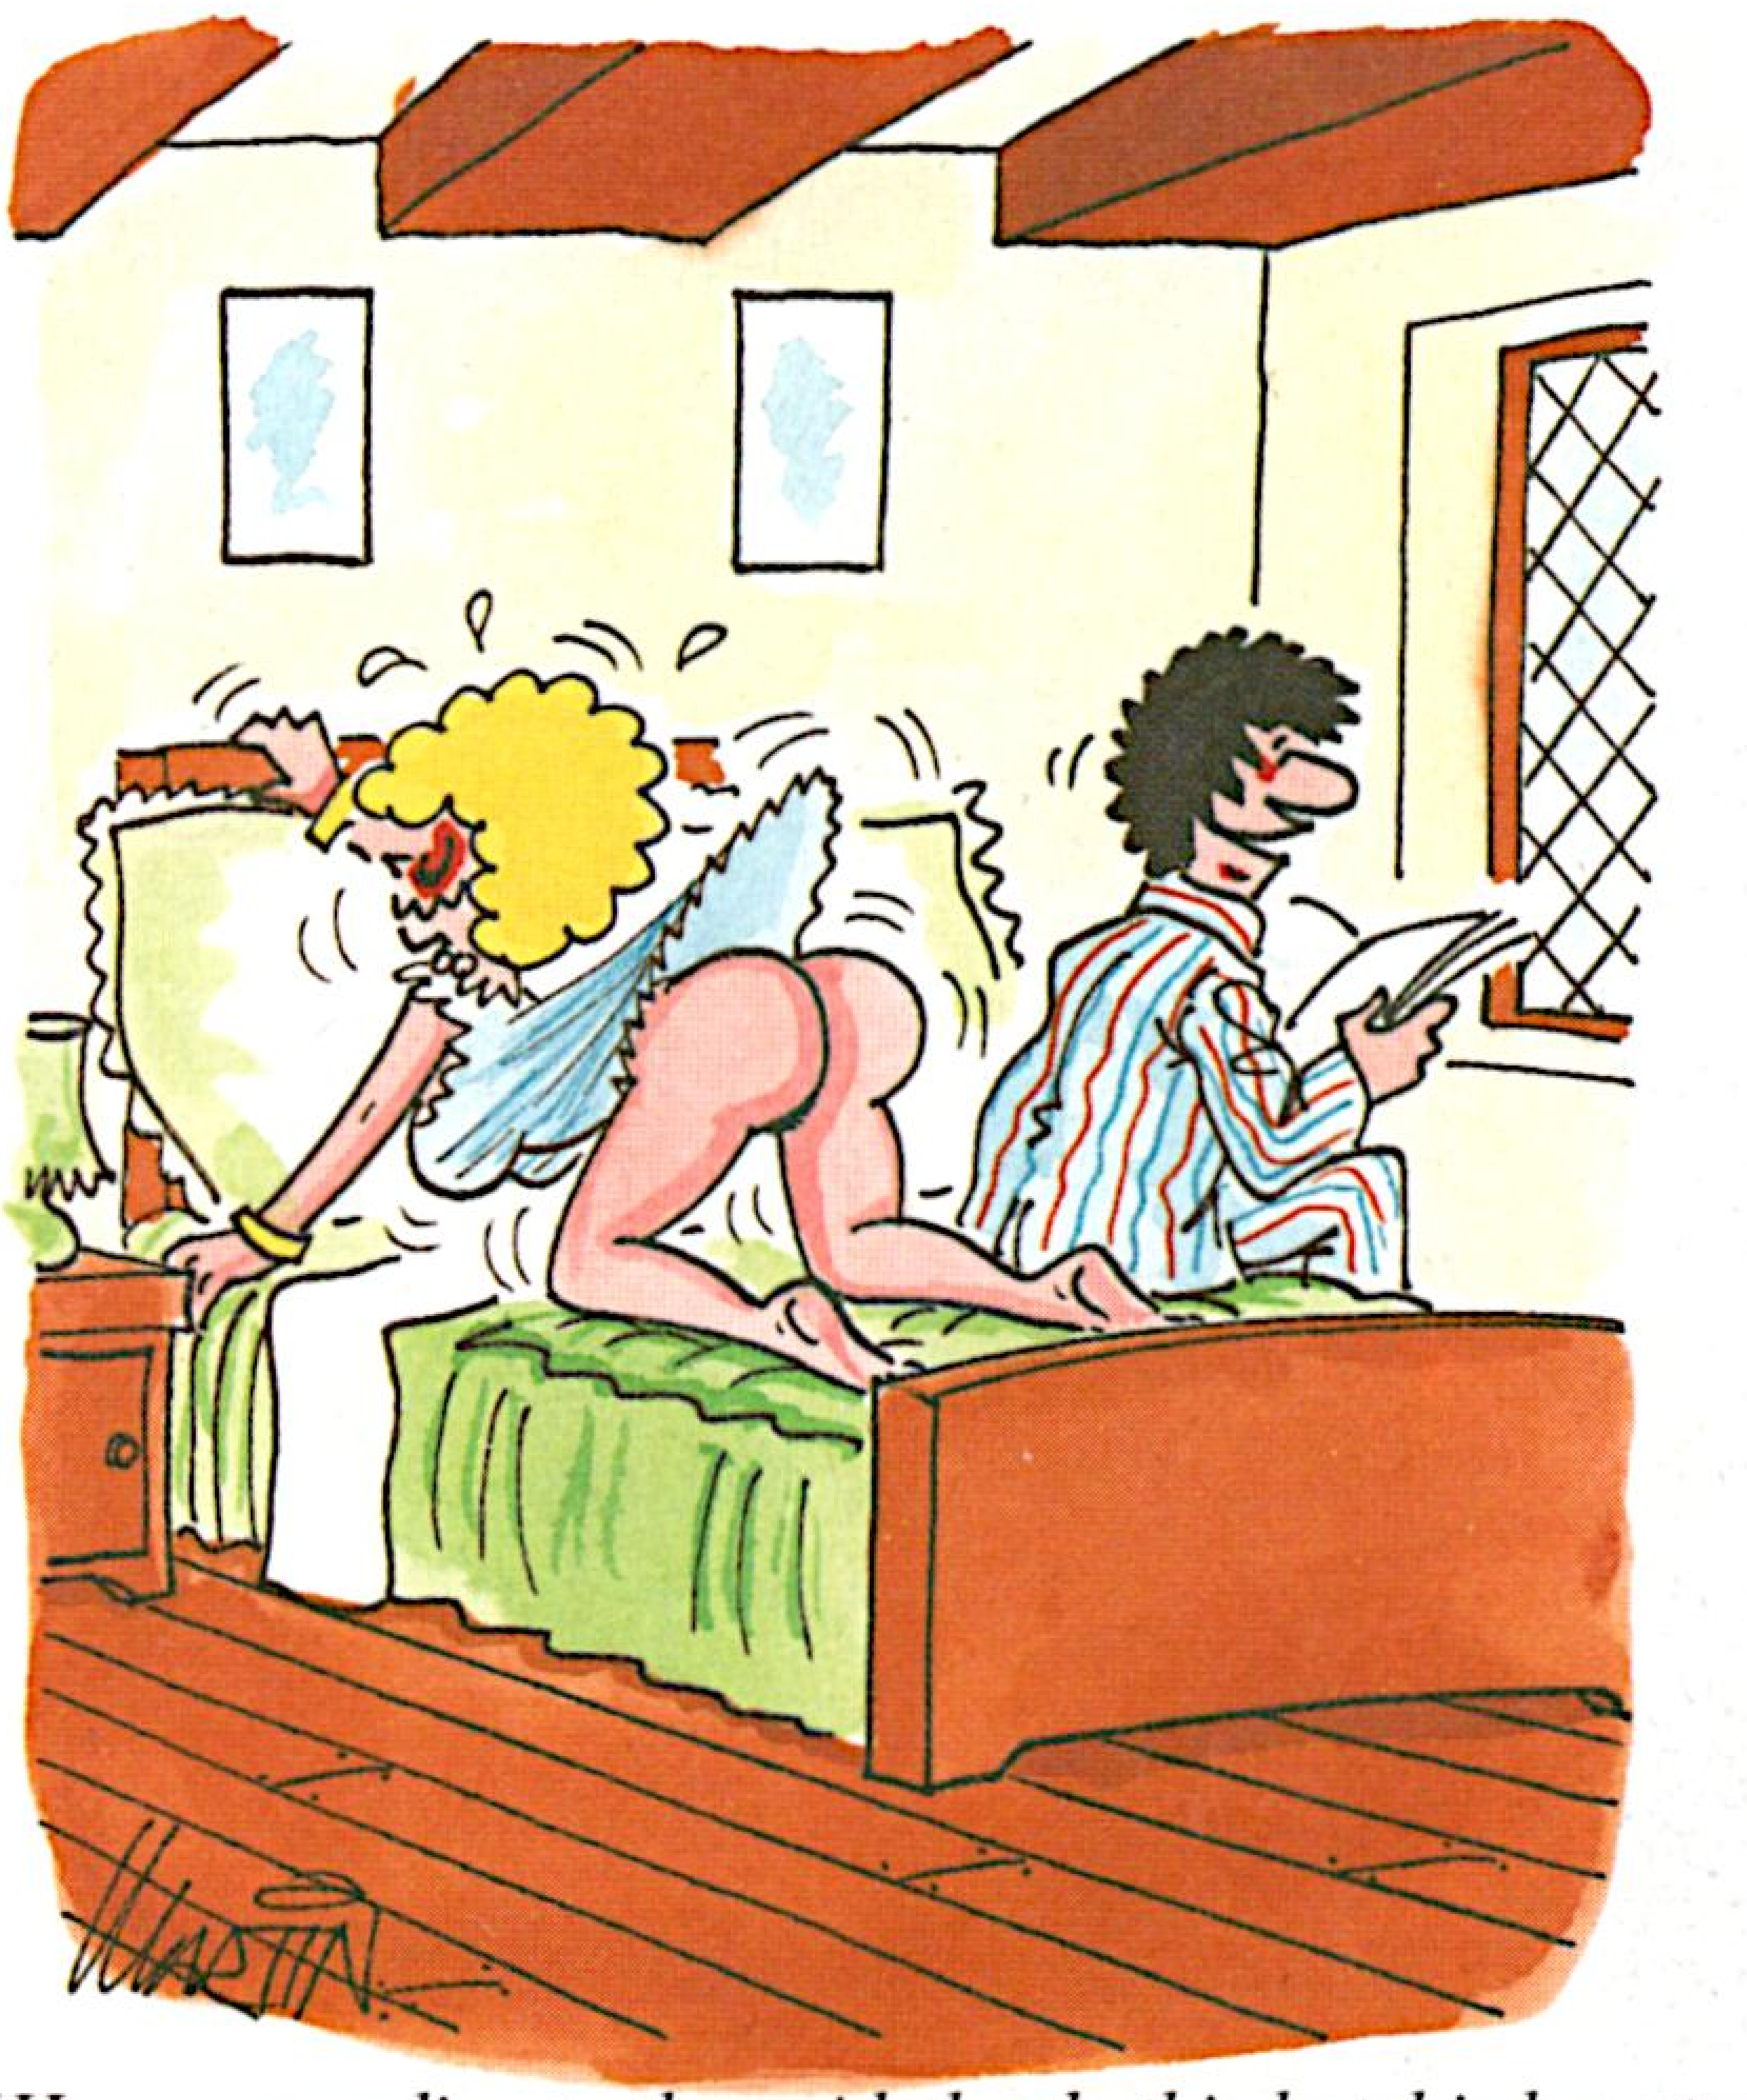
Smoke With Fire

I was delighted to see the pictures of Shelley in Club (Vol 21 No 10) smoking a cigarette as I have always found this sight very sexually stimulating. Although my current girlfriend, Jenny, only smokes occasionally, both she and I find it very sexually exciting when she does. She has always associated smoking with sex, ever since she first had a cigarette after finding a pack hidden in her Mum's top drawer – along with her Mum's vibrator!

This happened when her parents went away for a week's holiday when she was 18, leaving her in the house by herself. After the first couple of days she started exploring their room, finding her Dad's copies of Club pretty quickly! She then looked in her Mum's drawer and found the vibrator and the cigarettes, although she thought her Mum had given up smoking ages before.

She quickly took the cigarettes, vibrator and copies of Club up to her bedroom, and, lighting a cigarette, started reading the magazines and playing with the vibrator. Although she had come many times before then with the aid of her fingers, the combination of the sexy stories she was reading, the vibrator and the sensations she got from smoking her first cigarette meant she had the most intense orgasms of her life.

She still smokes sometimes when she has her mid-afternoon wank, using one of her vibrators to get off to the latest copy of Club. We both get very excited if you print a picture of a girl smoking – so how about a few more? – *Peter, London*



"Hey... according to the guide book, this hotel is haunted by a sex maniac poltergeist."

Two in the bush!

I am a 40-year-old married man and I work as a banker in the City. About six months ago a gorgeous young girl called Pam came to work in our office. She's about 20, and always looks her sexy best in her short skirts and tops. Although I fancied her like mad I didn't think she would be interested in me, so it came as quite a shock when I jokingly asked her out to dinner and she said "Great! When?" As my wife was away for a few days, we agreed to go out the next night, and I thought I'd take

I have to confess that I've never really been a big sports fan, but after a short break in New York this summer I got completely hooked on going to see the Giants play. It wasn't the action on the pitch that had me glued to my seat though. No, what did interest me were the cute cheerleaders who spent the entire game wiggling their bums and cheering at the side of the field.

In fact, I liked their outfits so much, I bought myself one while I was over there; but I never dreamt that I'd get the chance to wear it in Club. But with no London Monarchs any more, who do I have to cheer on? Well, there's all you randy readers for a start!

With my pom-poms in hand and some loud music to get me in the mood, I started to go through a few moves in front of the camera pretending that I was in front of an admiring crowd, shaking my bum from side to side and sticking my boobs right out. I hope it will give you lot something to cheer about, it certainly turned me on!

Don't forget to keep sending in those naughty fantasies, fellas: it could be your turn next month...

LETTERS TO Lucy

Dear Lucy,

Your section is the high point in every issue of Club for me. No matter what you're wearing, you are definitely the sexiest woman in the whole magazine.

I work as a barman in a nightclub and I can just imagine you coming in one night. As you walk into the club the whole place goes quiet: nobody can keep their eyes off you... and that includes the girls too!

You're wearing a black, skin-tight dress that shows off your figure perfectly as you slowly swing your hips from side-to-side. You sit at the bar on a high stool crossing and uncrossing your legs; revealing a pair of skimpy panties. As you order

a drink from me, I watch avidly as you ease aside the sticky gusset of your underwear and slip a slim finger inside your love-hole. I'm a nervous wreck as I pour you a drink, but you soon put me at my ease by chatting *me* up! What happens next, Lucy? I'm sure I don't need to tell you! – *Alan, Roehampton*

I love going to clubs, Alan, but I don't really know if I could be as naughty or brazen as that. I do however like dressing up in a tight figure-hugging dress just like the one you described; so I must be a bit of an exhibitionist at heart!

Dear Lucy,

I'm sure that you must get hundreds of letters every week, but I felt that I had to write in and compliment you on what is undoubtedly your best feature – your bum.

I don't admitting that I've always been a bum man: the sight of a pair of fine, firm cheeks just sends me into overdrive. I'd really love to spend hours licking and stroking your horny half-moons, before taking you from behind.

So, tell me, Lucy: do you think your bum is your best feature? I certainly do! – *Peter, Wolverhampton*

I'm far too modest to answer a question like that, Peter! But I do seem to get a lot of compliments about my bum – among other things – so I guess that some of you must like it. Am I right, fellas?

Dear Lucy,

I'd love to see you drenched to the skin... in the nicest possible way, of course! I can't think of a sexier sight than to see you standing under the spray of a hot shower. You're slowly soaping up your big breasts, gently teasing your pert nipples into points and then rubbing the creamy soap into your soft skin.

And if you're after a volunteer to scrub your back, Lucy, then just give me call! – *Neil, Hull*

Oooh, you are cheeky, Neil! Actually, I have to admit that I much prefer a long, relaxing soak in the bath to a shower. After all, there's plenty of room in a bath... just enough to squeeze in another person, if you know what I mean! ♣

POPTASTIC MATE...

In the latest battle of our circulation war with *Sounds*, *Record Mirror* and *Punch*, we present – a music column! It's by **James T Bone**, and it'll improve as time goes on. Honestly.

My female colleagues tell me that **Suede** are undoubtedly the sexiest band in Britain, while my ears tell me they're also one of the best. Their second single *Metal Mickey* catapulted them from indie wannabe's to national heart throbs in the blink of an eye. How?

Well, we've been waiting for a '90s Smiths since, errm, 1989, and Suede are it. Their attitude has all the right credentials too: their incorrigible lead singer Brett Anderson says things like, "We wanna make people feel uncomfortable," and shows he's as good as his word by singing lines like "We kissed in his room to popular tunes. Oh, real draaa-ma".

They have one other great advantage. At a time when there aren't many bands making good guitar-based rock music, Suede have remembered that there are a lot of people out there who still like that sort of thing. As we go to press they're half way through their national tour, and with a deal rumoured to be in excess of a cool £500,000 from Sony (through their current label Nude) and Morrissey seen dancing wildly down the front at recent gigs, the future looks decidedly rosy. If this kind of stuff's your bag make sure you catch Suede live – they get all over their audiences like a bad suit.

● Talking of **The Smiths**, what's all this revival business about anyway? First *This Charming Man* storms the charts, then yet another Smiths 'greatest hits' LP is released to a yawning public, and finally *How Soon Is Now* storms the top 40.

What's it all about? Cashing in and stitching us up like kippers in strait jackets, that's what.

● Whenever the music gets crap, the music business starts looking up phone numbers. Gossip numbers. Then the rumours start to fly. Madonna is a man. The Beatles are getting back together. Simply Red are good. Kylie and Dannii are really the same person.

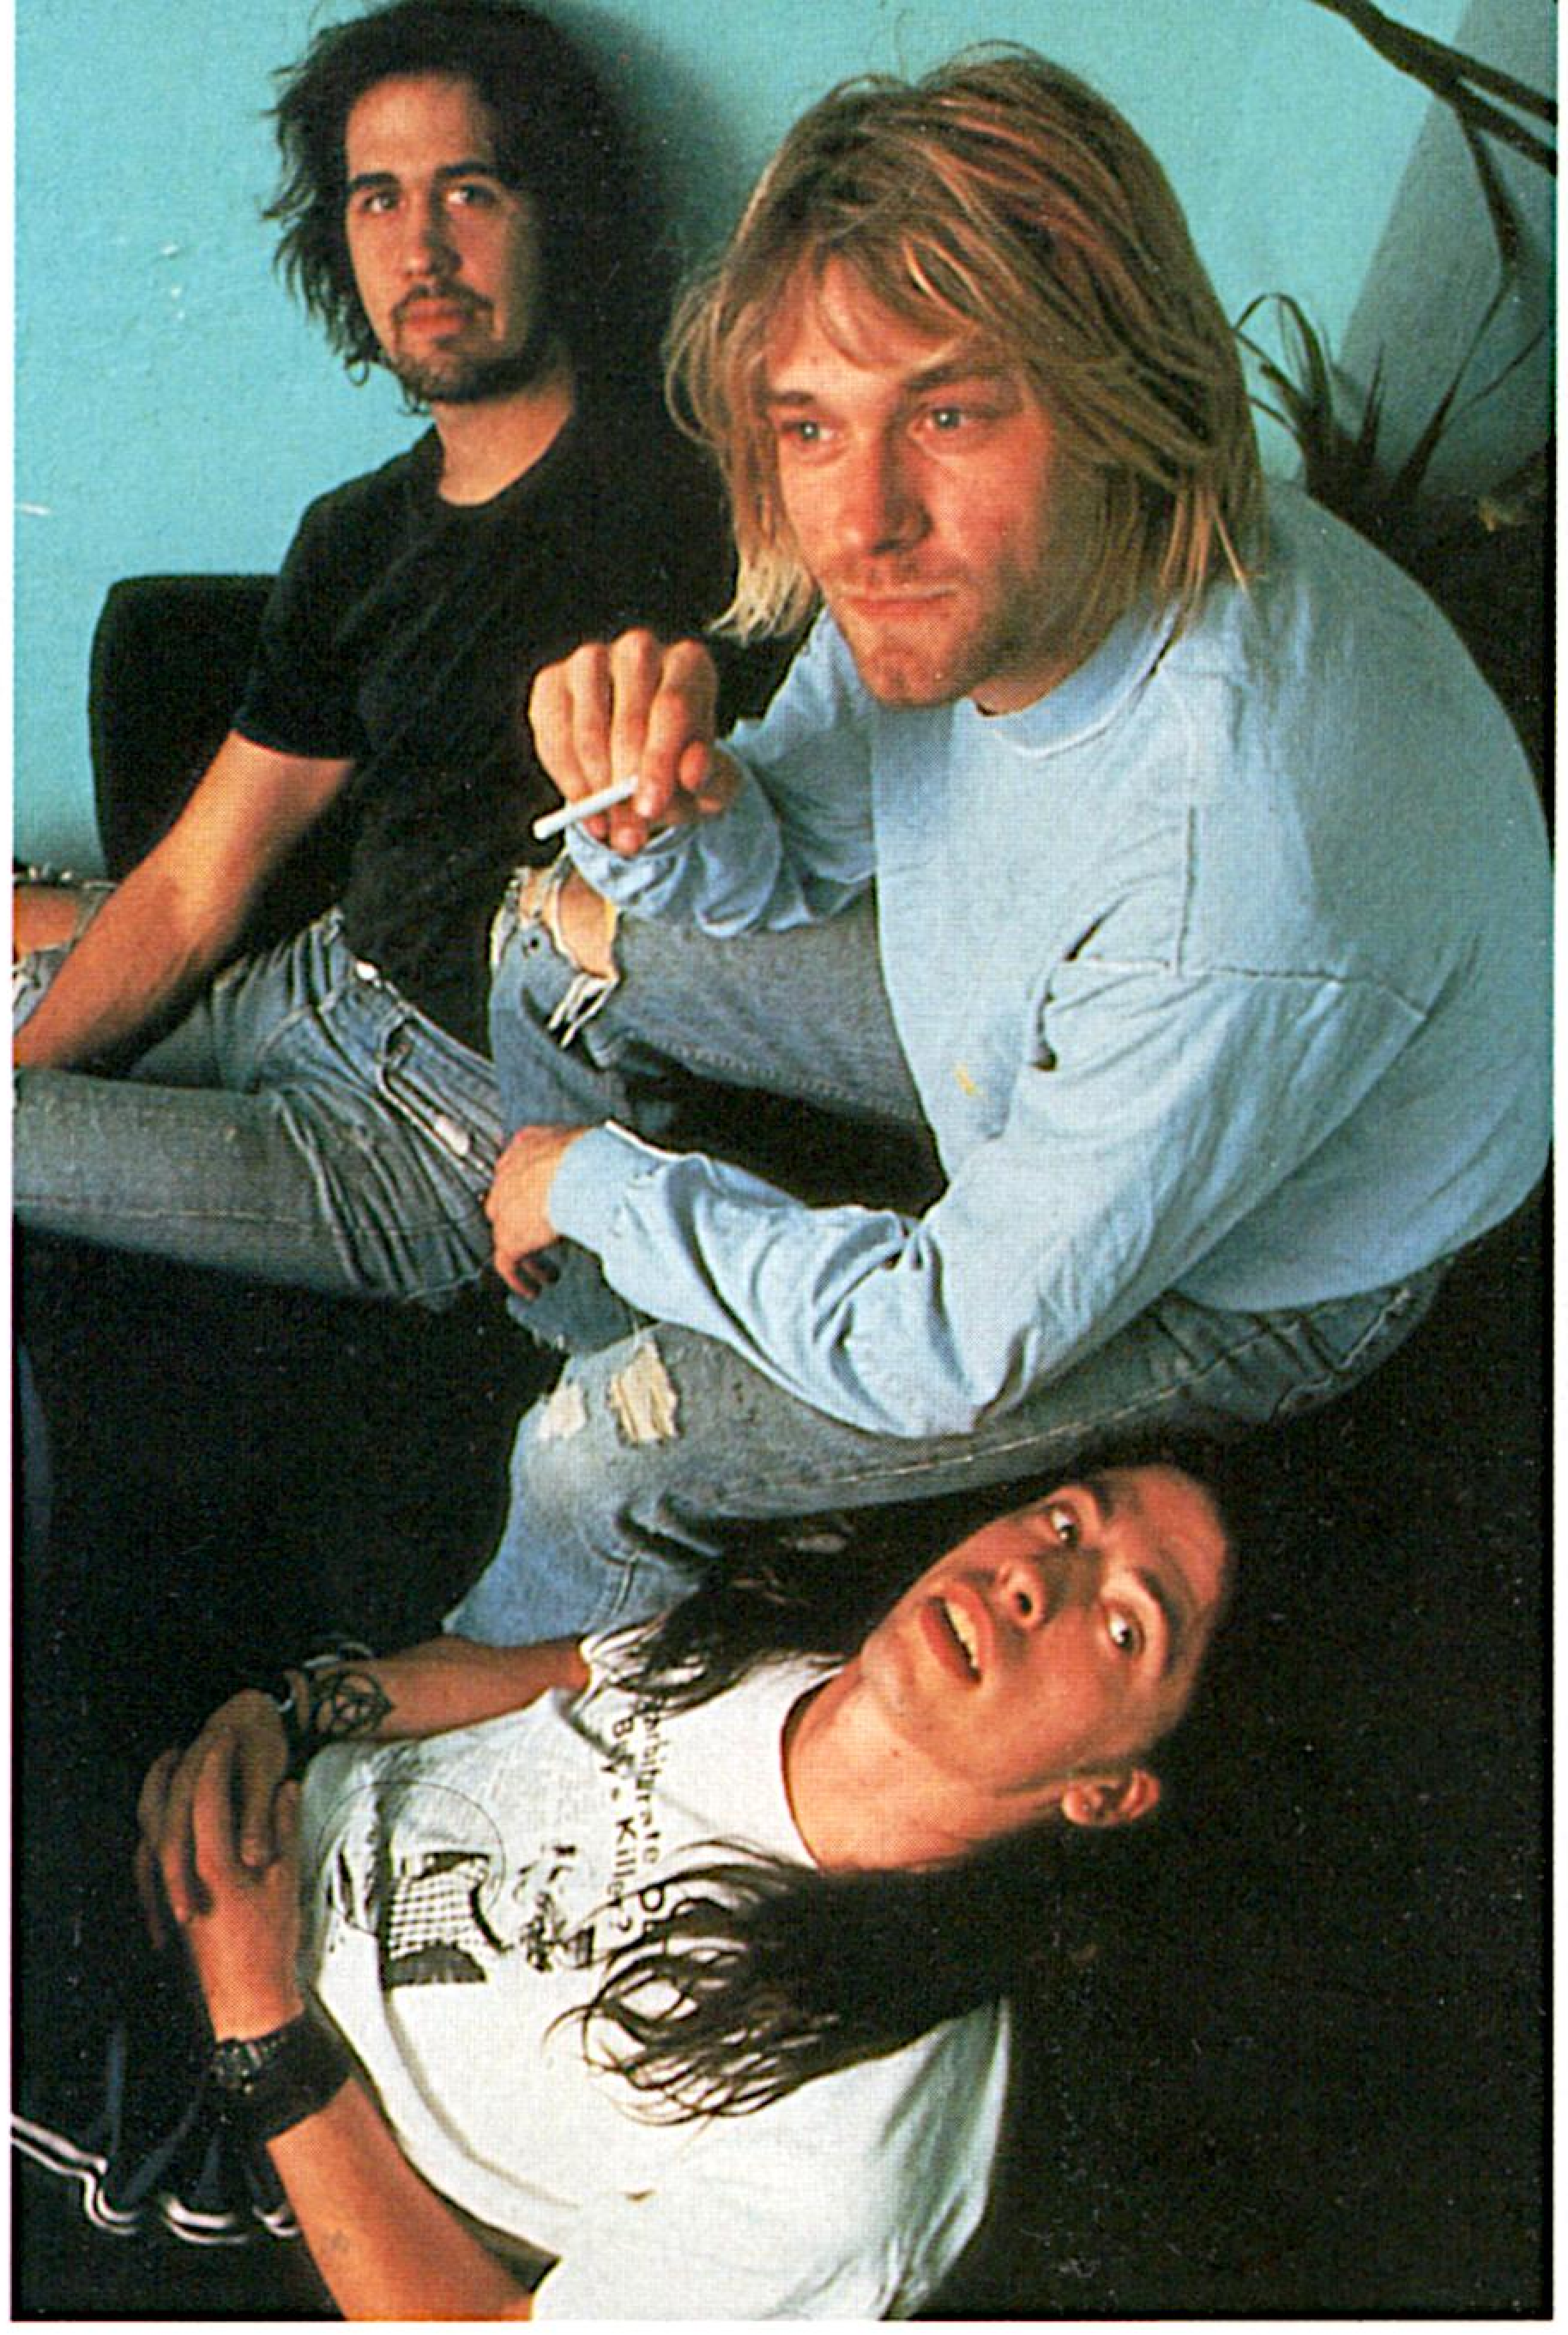
Usually these stories are immediately laughable but, following the success of **Madness's** Finsbury Park reunion, news comes to us that the band are in the studio and making plans for a more permanent renaissance, with the promise of a new LP, single and tour. Impressed?

● You will be. **The Sex Pistols** are to play a one-off concert at Wembley Stadium this Autumn. Of course, Sid Vish won't exactly be there himself, not unless they dig him up and wheel him on stage. Original member Glen Matlock will rejoin John Lydon, Steve Jones and Paul Cook for what promises to be one of the most embarrassing and unnecessary nights in UK rock history. Anarchy for the UK? "Ah, well I'd like to and everything but me knee's a bit dodgy these days and... well, why don't you go and start the revolution and I'll see you down there a bit later." Call the rock police.

● Doubly worse news comes in the shape of the imminent demise of the critically acclaimed and massively popular Icelandic pop-samply-dance-indie band **The Sugarcubes**. The band are splitting up in order to "pursue solo proj..." Zzzz. Dead shame that. Still, an LP of remixes and a 'jazz orientated' solo long player from singer Bjork has just been recorded. Some consolation.

● Anyone who read the weekly music press reports on The Reading Rock Festival back at the fag end of summer will no doubt be convinced that **Nirvana** made an earth-shattering performance to end all earth-shattering performances.

In actual fact, Nirvana were okay. Just okay. But that didn't exactly square with the preconceptions of the press, who'd written in advance that this was going to be the rock



Clockwise from top — Nirvana: 'just okay'. Suede: the sexiest band in Britain? Primal Scream: £20,000 richer thanks to Mercury.

and roll night of the century.

Several bands did give great performances, notably Public Enemy, The Henry Rollins Band and The Milltown Brothers, the latter of which the press chose to ignore completely. Saddos.

- Football record of the decade without doubt goes to *Ooh Ahh Cantona*, the creation of a couple of opportunistic Leeds United fans who go by the enticing name of **Oo La La**. This chirpy and menacingly inoffensive dance tune pays homage to the Frenchman's unique relationship with his Yorkshire public, and includes excerpts of Cantona's famous "I don't know why I love you, but I love you" speech during the champions' civic reception last May. Imagine Charles Aznavour given the once-over by New Order and you're halfway there. Shoulda been No 1.

- Nice to see a music business award go to a half decent band for a change. Nominees for the Mercury Music Best LP Of The Year Award in September included St Etienne, Young Disciples, Simply Red, Jah Wobble and U2 but the winner was the ground-breaking *Screamadelica* LP from **Primal Scream**.

A couple of years ago I interviewed Primals front man Bobbie Gillespie for *Record Mirror* magazine just as they were about to release the seminal indie/dance crossover *Loaded*. He promised then that his band would, within two years, make a record like no other record. And so they have.

If only the MTV awards would display even a tenth of the sanity shown by Mercury. What can we expect from MTV? Best single *Achey Break Heart*, best LP Mike Oldfield's *Tubular Wank*, best newcomer Eric Clapton. And on. And on.

- A brighter note to end. An impressive **Bob Marley & The Wailers** 4-box set is upon us and, at £30 for the CD package, it's a great chance for anyone who never bought *Babylon By Bus*, *Uprising* or *Exodus* to get to it. So – get the hell to it!

Catch you later, dudes – *James T Bone* ♣

"It's my favourite room in the house," whispered 20-year-old Danielle, as she led us through to her bathroom. "I mean, where else can a girl be all alone with her thoughts?"

And just what sort of thoughts would those be, dare we ask?

"Oh the usual! As soon as I get all wet and soapy, I'm off – getting clean and *dirty at the same time. Then what began as a nice relaxing soak always ends up with me having a laugh with the loofah..."*

Sounds like she's game for a bath!♣

Pam to a country pub away from London.

The next day at five o'clock she shut the door to her office to get changed, ready to go out. When she came out I was amazed. She normally looks great anyway but there she stood in a stunning black mini-dress, so tight it showed off her small but sexy tits to perfection and so short it showed off her lovely long legs to anyone that was looking. We got into my car and soon we were driving out of London and towards the pub.

We found a quiet table in the corner, and ordered our food. All was going quite politely, until halfway through the meal when I felt Pam's stockinged foot slide up my leg underneath the table. She used her toes to fondle my cock and balls and she must have read the look on my face because she grinned and asked me if I was enjoying my starter! We tried to carry on our conversation, but it was clear what we both wanted – and that we wanted it soon!

We paid for the meal and left straight away, but as we walked to my car she whispered in my ear: "Do you mind if we go for a walk first? I really don't feel like going home yet." I said of course I didn't mind, and grabbing the car rug, we wandered along a path by a nearby field until we came to a small wood. Finding a clearing, I started to spread out the rug, and just as I'd finished I turned round.

Pam was standing about ten feet away in her stockings and suspenders, her dress on the floor. Even in the moonlight I could make out her totally shaven fanny and her small, pert breasts, topped off with big, dark brown nipples. My eyes nearly popped out of my head as she slowly walked over to me.

Silently, she put her hands on my shoulders and pushed me down onto my knees. Getting the hint, I began licking her navel and working my way up to her tits, my tongue running over her nipples which immediately sprang to double their size, all the time stroking her smooth thighs and tight little bum with my hands.

By the time I started to lick my way back down towards her cunt, Pam was already panting and sighing. She had a deliciously hot cunt that I explored as much as possible with my tongue, parting her fanny lips to get even deeper inside. As I squeezed them together and flicked my tongue over them she orgasmed, letting out small gasps and asking for more!

Suddenly she pulled away and pushed me down onto the ground, dragging my trousers off as she did so. Kneeling down over me, her lips encircled my dick, gently squeezing and sucking as her hands softly fondled my balls. She shifted her position till her cunt was above my face, and this was more than I could stand and I came like a

b) Put up Dungeons and Dragons posters and put the telly on.

c) Fly with twenty topless models and film stars in your private jet to Monte Carlo where you get roaring drunk, blow five grand at the Casino and end up in bed with every member of the Royal Family.

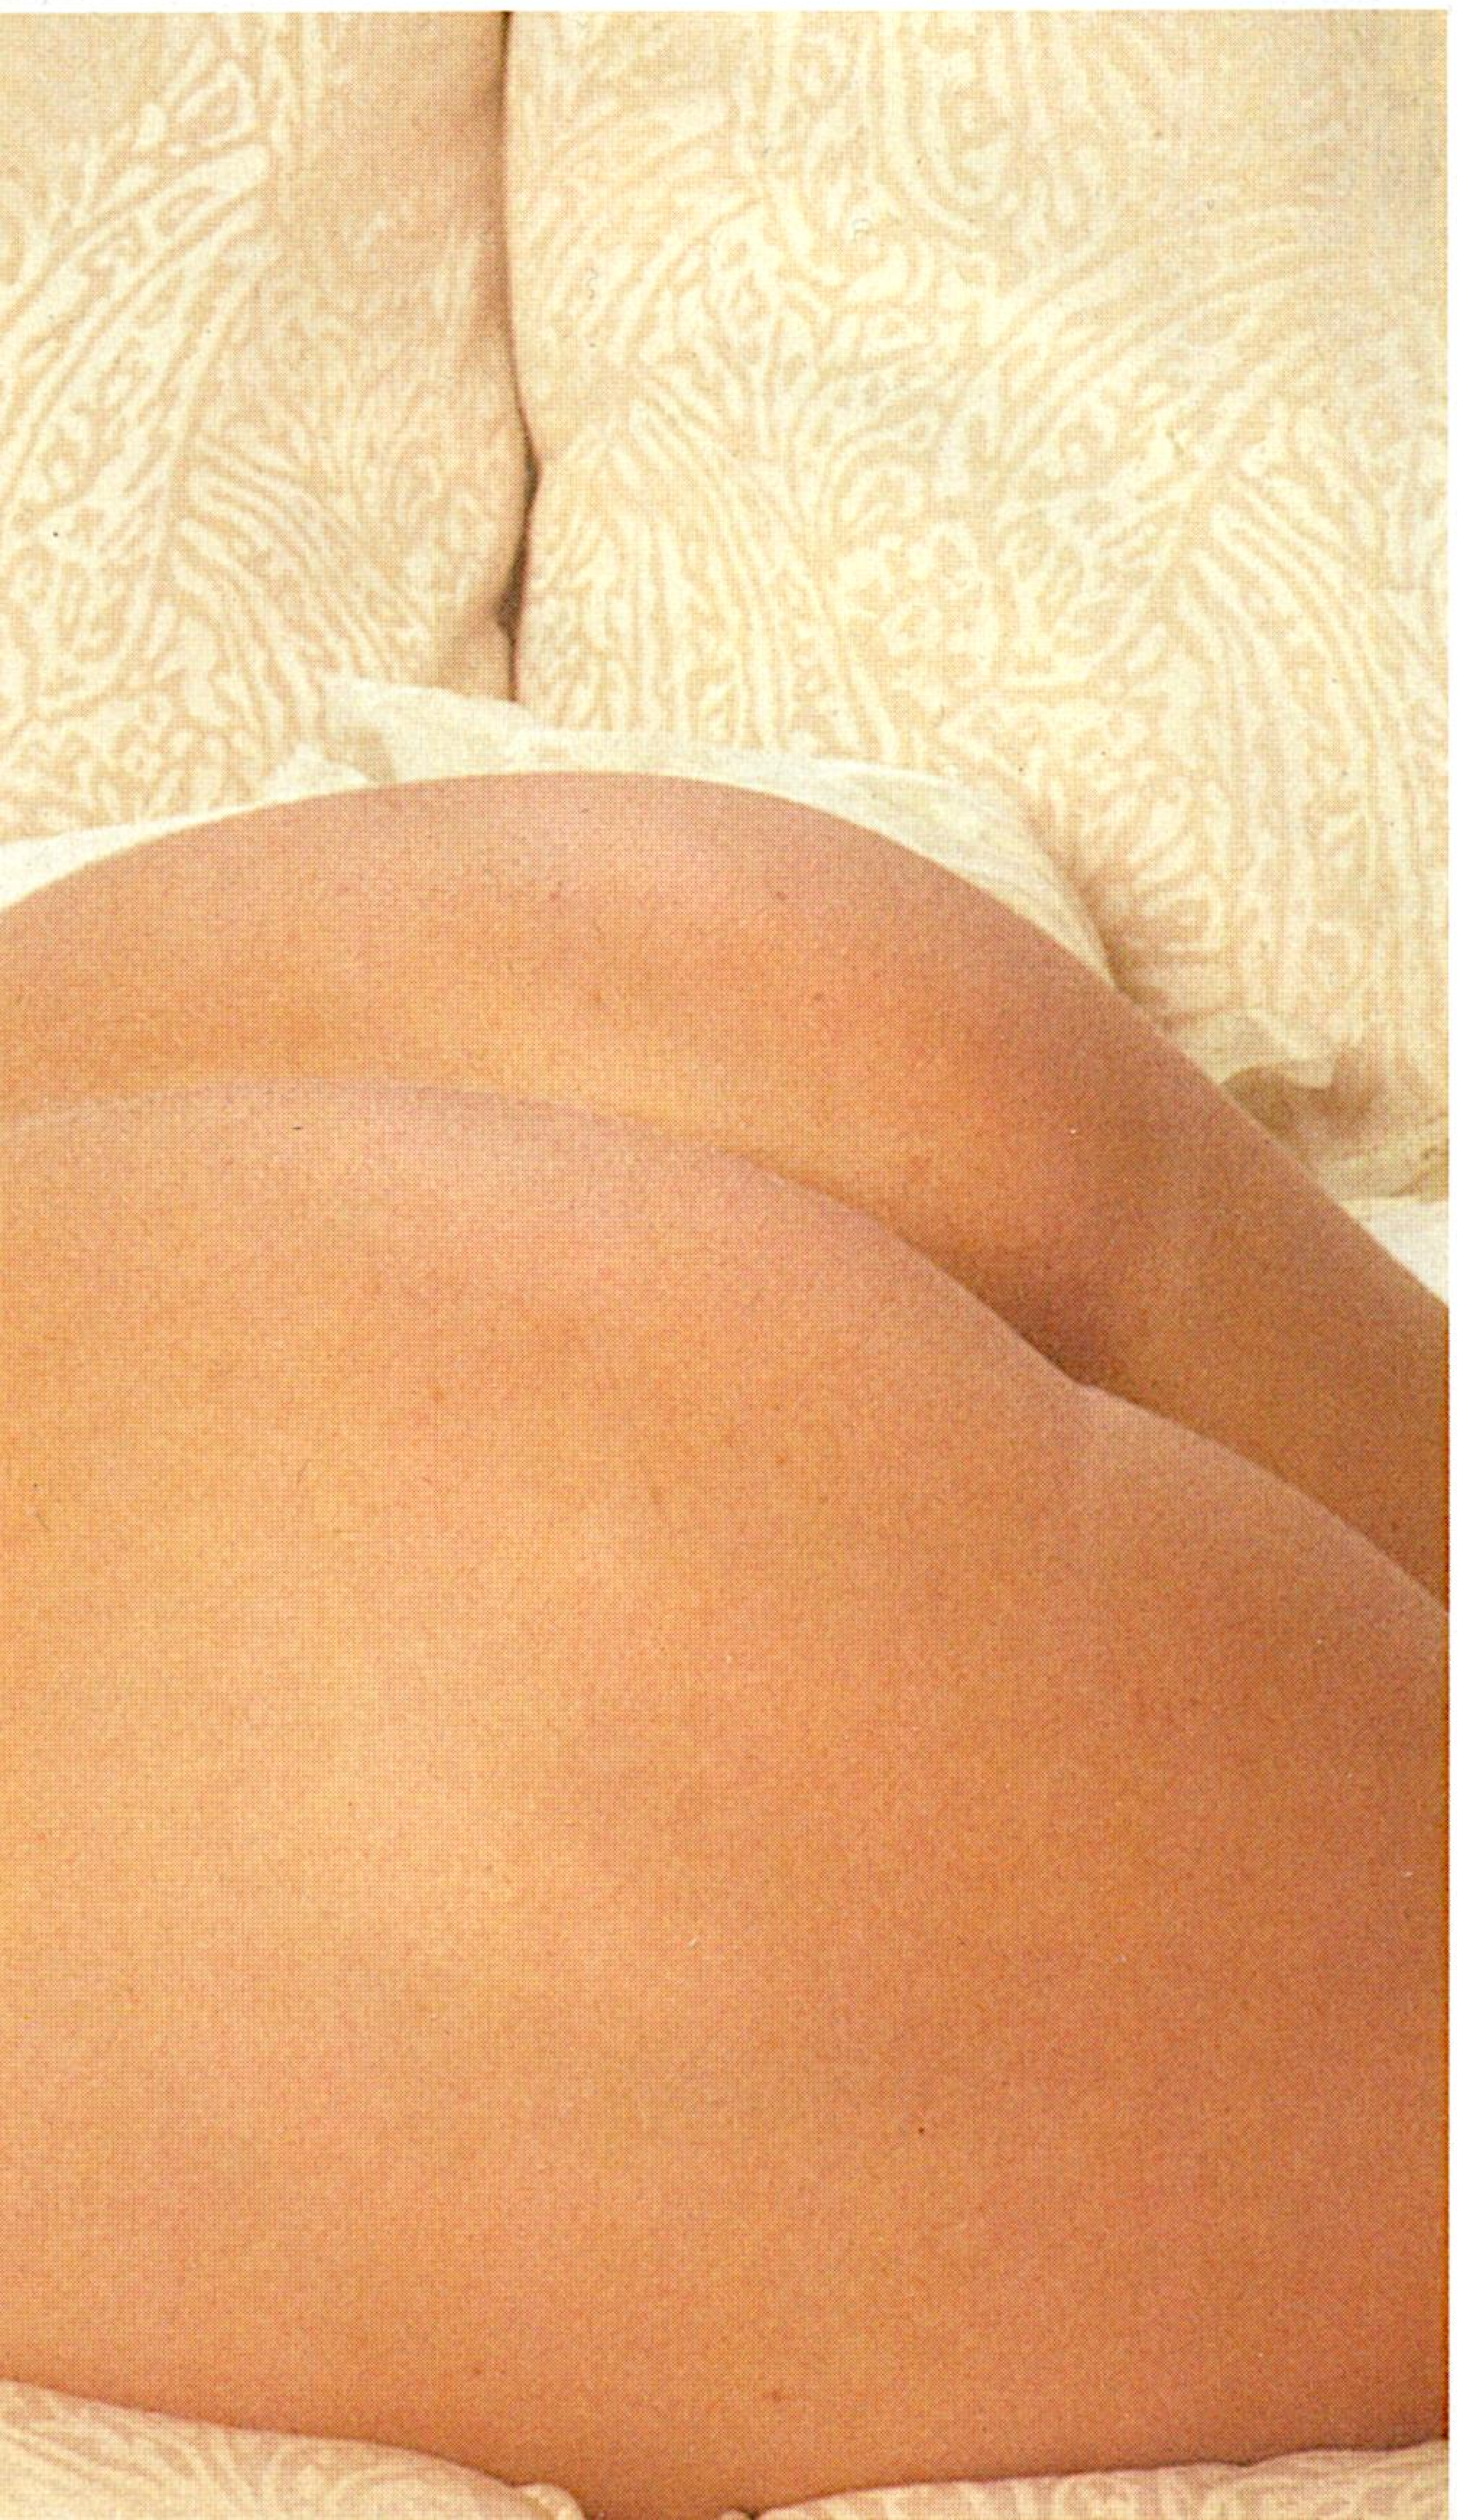
Photographs by Jack Harrison

It's a first time photo session for 21-year-old fitness fanatic Kirsty who generously gave us a couple of beauty tips of her own!

"I think it's really important to take care of the way you look. I live with



two other girls and we all go and have a sauna together at our local health club once a week.

"It's lovely to sit there completely naked and feel all hot and steamy. After a few minutes we'll relax and tell each other all

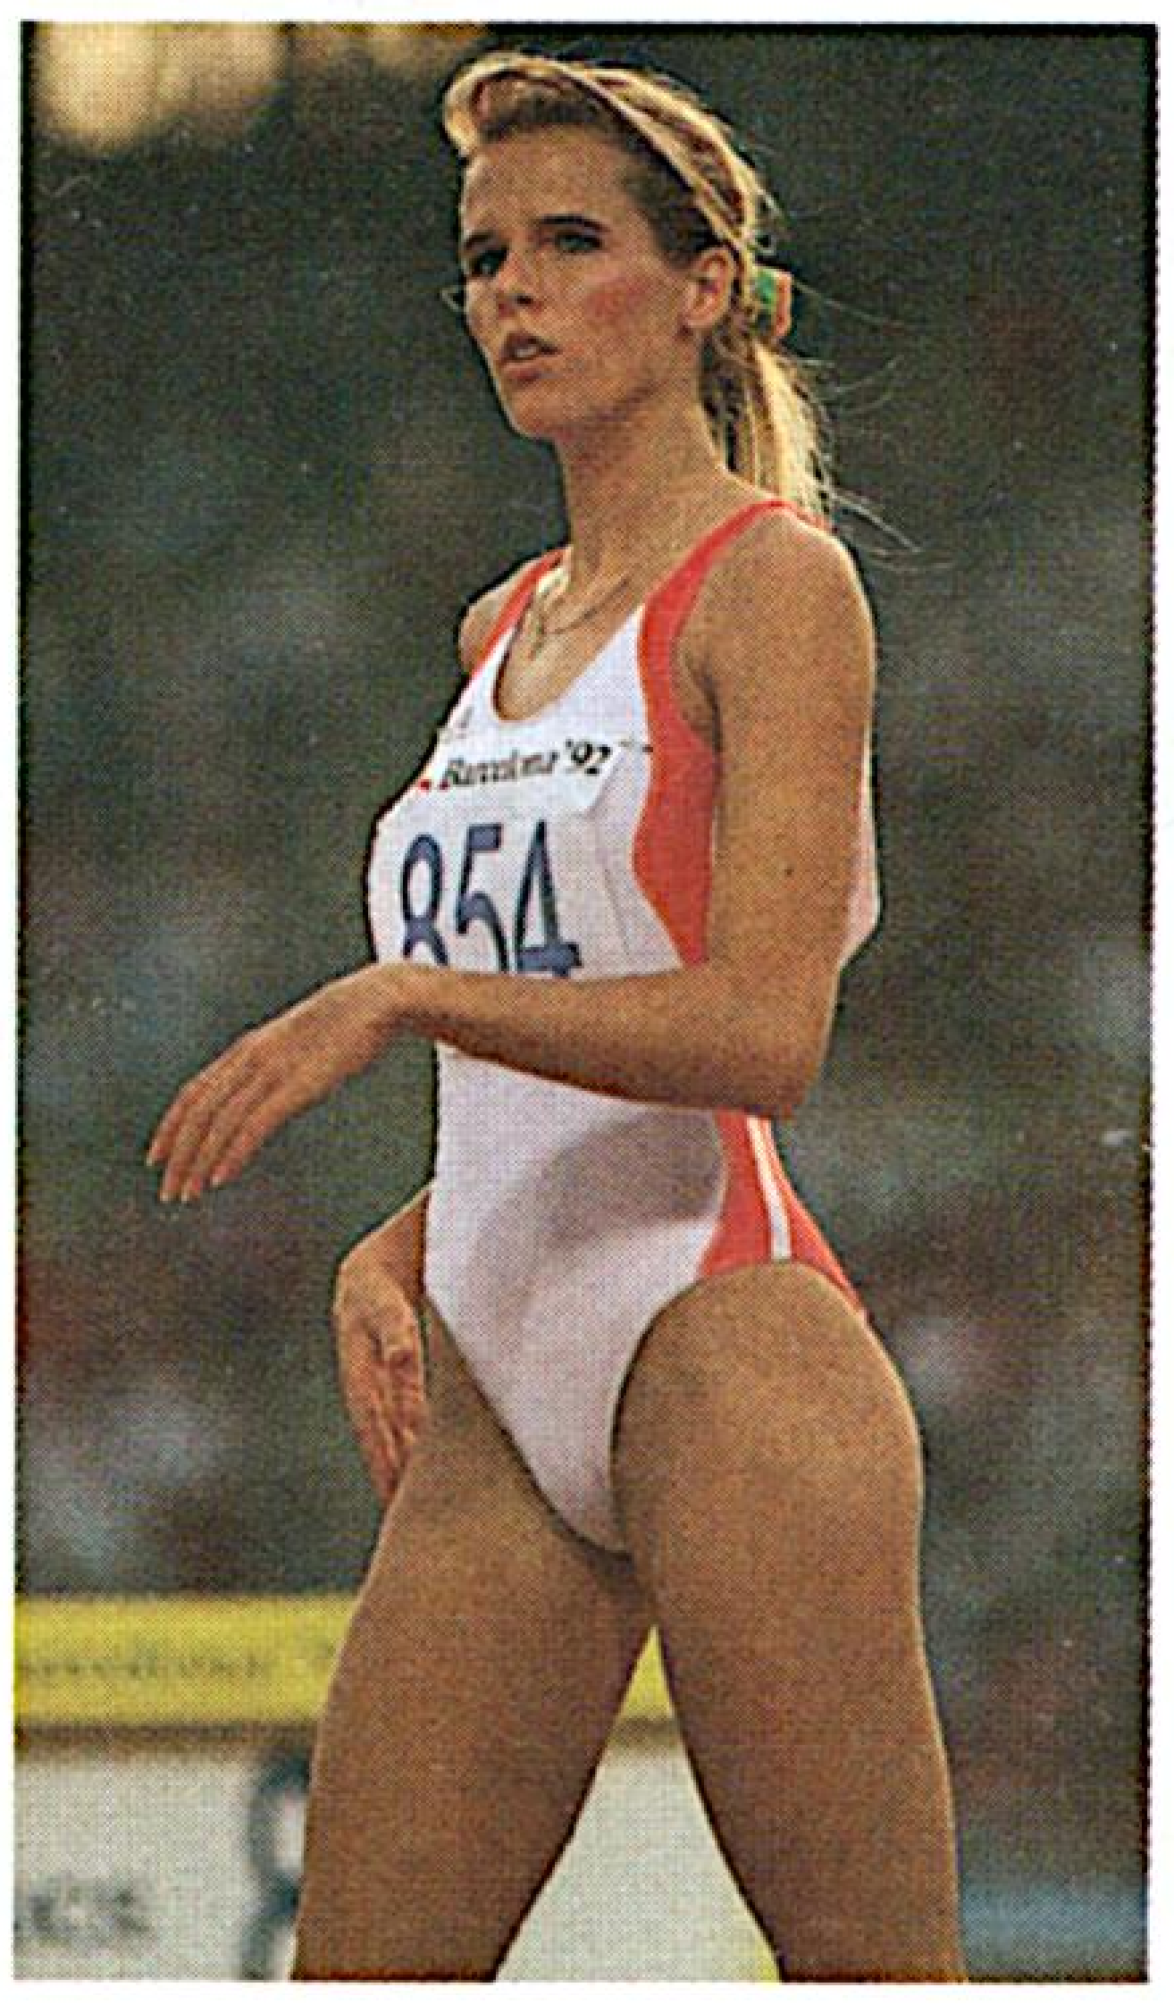
the naughty, sexy things we've been up to that week. And believe me, after they've told a few of their stories the temperature gets even higher!"

But don't the other people in the sauna get a bit turned on?

"Oh no. They're so sweet! They normally queue up politely outside waiting to sit in with us for a while. That club has some very upright members, you know..." ♣

TAYLOR'S NEEDLE

Is our Graham a brain-dead whingeing nonce? Is **Maurice Short** taking backhanders from Cloughie? Read on and be puzzled...



Above: Graham Taylor faces a pack of merciless, savage killers – the press! Left and below: two sexy and gratitious pics from Barcelona '92 – Heike Henkel and Susen Tiedtue

Who do you think said: "They may bloody me, but they won't kill me off"? A boxer about to face Mike Tyson, perhaps, or someone going out to confront the All Black pack?

No, it was England soccer supremo Graham Taylor, talking about the 'vultures' of the media during a spell of elongated whingeing. According to Taylor, "I treat people as they treat me."

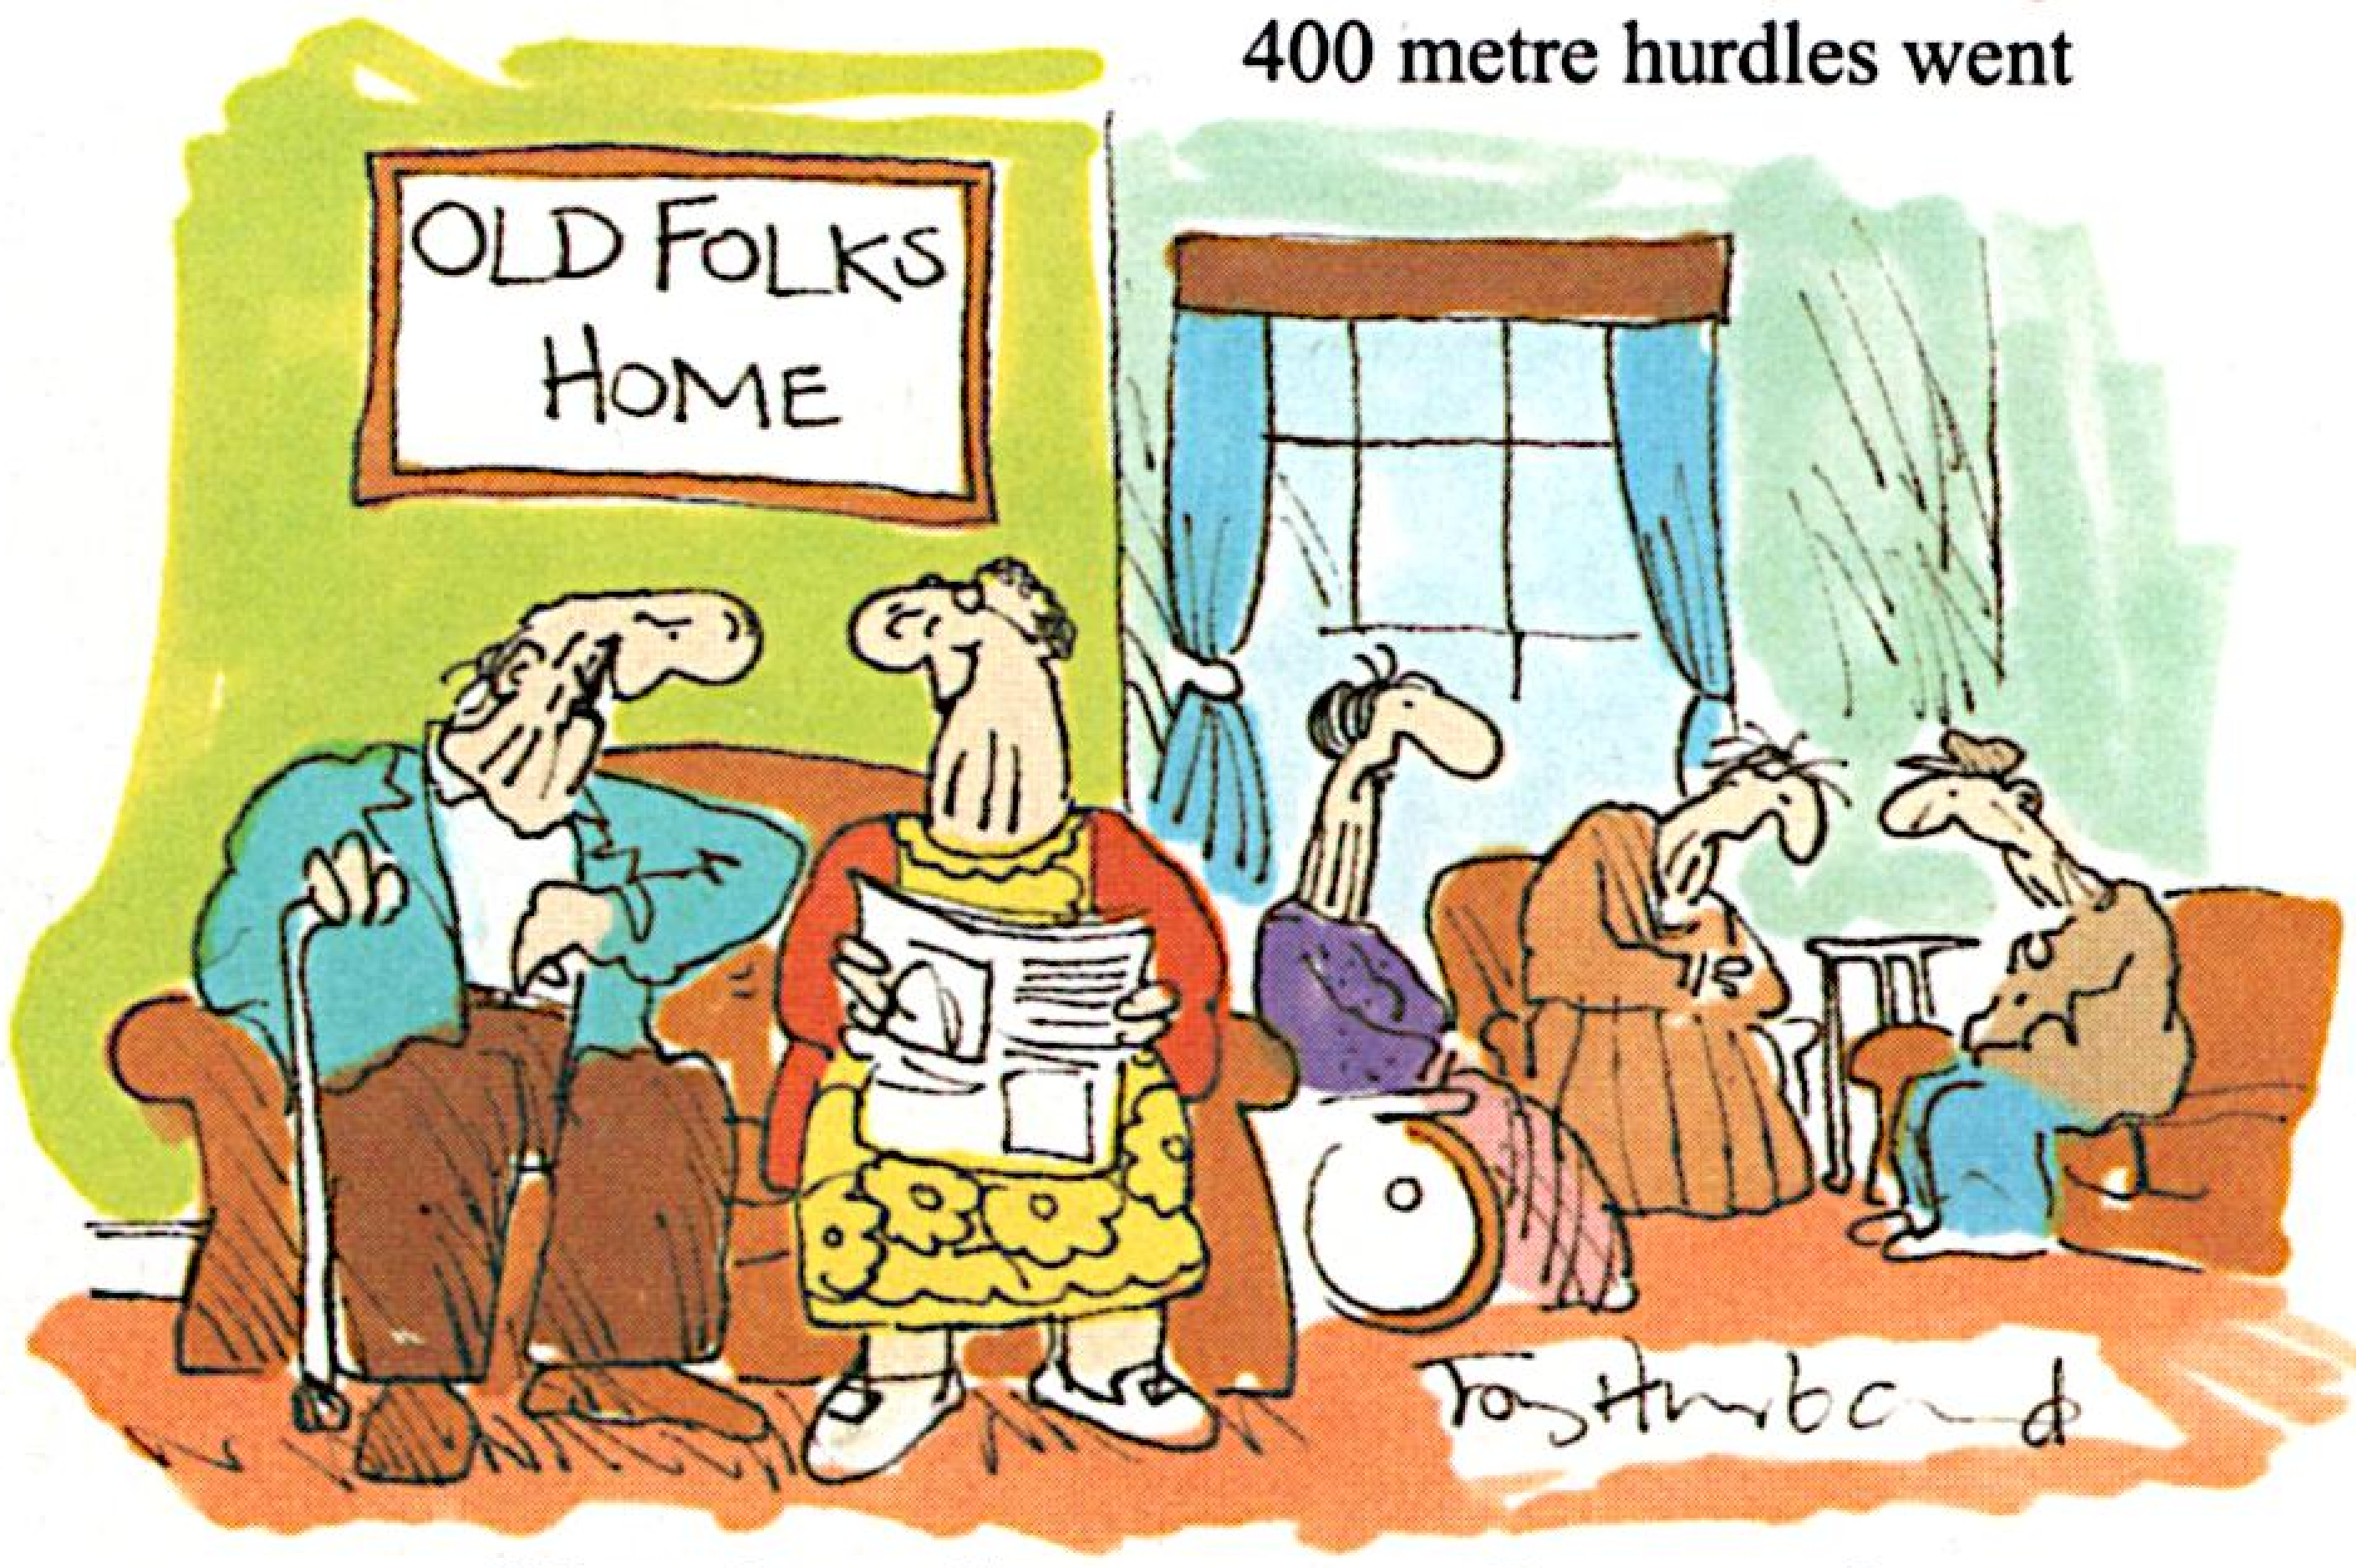
Cloughie: the greatest manager England (n)ever had?

This is an interesting claim. Presumably the six million or so of us who regularly watch our national team play on TV must, at some point, have bored Taylor's arse off; though personally I can't remember the occasion. Still, I'd better not disagree with him, or who knows, he might scweam and scweam until he makes himself sick.

Taylor's recent tribulations bring to mind again all the hype that surrounded his appointment in the wake of England's World Cup campaign. It seemed to be taken as read that Taylor was the only man for the job. After all, said his supporters, in his career at Watford and Aston Villa he'd won the 4th Division Championship and, er, well, come second in the League twice and lost in one FA Cup Final. No other English manager could match that tally, eh?

Actually there is one. He's got two League Championships, one Second Division Championship, two European Cups and four League Cups. Unfortunately he also finds himself in flagrant contravention of one of the first rules of international football – if your name's Clough you're not allowed to be manager of England.

● Still, if you thought being an English fan was bad, then spare a thought for your cohorts on the continent. Particularly the Dutch lads who support the ambitiously titled Go Ahead Eagles Deventer – I wonder what the club's nickname is? Or the French followers of Chamois Niortais. And what chant do the Poles of Zanisza Bydgszcz come up with? Whatever it is, I bet some saliva gets tossed with it.



"Pass it on, I've got some Ecstasy..."

● Yesterday the postman came and emptied the entire contents of his sack on my desk. And then he handed me a letter and a postcard.

The letter was from Ms Virginia Creeper of Islington: "Dear Mr Short," it reads, "I am belatedly putting pen to paper to complain about David Coleman's commentary during the Olympics. Why does he insist on going on about the marital status of the female athletes?"

Well, Virg, you've got a point. I also noticed Dave's tendency to patronise women out of existence. For instance, his commentary during the 400 metre hurdles went something like this: "And leading it's Sally Gunnel, who's getting married in September; then Farmer-Patrick, 26 year-old and not even engaged; third is Poltovskya of the Unified Team – with all that hair under her arms I'm not surprised she hasn't got a steady boyfriend.

"Sally Gunnel's coming to the final hurdle. It must be comforting for her to know that if she did trip over this one and fall flat on her face, at least she's still got a fiancé. Whereas, of course, some of these women will never find fulfilment in the marriage bed and could end up as bitter old spinsters with nothing better to do than write letters to magazines complaining about how much sex there is on TV.

"And Gunnel wins! A gold medal for her to go with the gold wedding ring she'll be putting on in the Autumn. The wallflower and the old dyke take silver and bronze."

I don't know Mr Coleman's marital status, and I am not interested in it. I merely point out in passing that sports commentators have a glorious record of wedded bliss: Frank Bough, for instance, and David Icke – need I go on?

"While I have your attention," Ms Creeper adds, "as a strict vegan I'd also like to mention the fact that all the sports shown on TV are of the 'red-blooded' variety. How about some games that vegetarians can enjoy?"

Well, I've got some good news for you on that, Virginia. My sources tell me that Channel 4 are going to screen the Alternative Highland Games, which features the world famous 'tossing the caper' event – Geoff Capes and assorted other bearded bruisers hurling a small, pickled object. And when they've finished with Tommy Docherty they'll hurl a few capers as well.

● The postcard was from a reader from Milton Keynes called Justin. Apparently I haven't devoted any space to the sport of surf-boarding. According to Justin this is because I am "some fat hack who's never had anything to do with this activity."

Well, I'm afraid you're wrong there Justin. I am in fact quite a dab hand at the old wind surfing. As you would know if you'd ever seen me in the bath after eight pints of brown ale and a chicken vindaloo. ♣

Sabrina

French-born beauty Sabrina was discovered one afternoon, just sitting in a cafe in Paris. A photographer noticed her dark, sexy looks and asked if he could take some pictures, much to her amazement.

"It was pouring with rain and I was soaked to the skin, my hair a mess. But Pierre said he wanted me just like that, looking as natural as possible. We did these pictures that same day, too. I think they are quite good, don't you?" ♣

CINDY·CRAWFORD

She's the super-supermodel – the girl with the most perfect face and figure in the world. And **Andy Lomax** actually met her. *In person.* We hate him.

A girl lies on her back with her legs in the air. Her limbs are bare and tanned and topped by a pair of sawn-off jeans that just about cover the essential parts.

The sound of throbbing music fills the screen as she arches her back and thrusts her nether regions into the air. If the lower limbs don't ring immediate bells (not between the ears anyway), the face seems familiar. Very familiar.

Hardly surprising really, as it's been on the cover of nearly 300 magazines, and its owner has been voted one of the most beautiful women in the world. The face – and all the other nice bits – belongs to Cindy Crawford, and she is lying on her back thrusting her parts in the air because she is trying to keep fit. It's a scene from her new exercise video, which looks more like a cross between some MTV rock chick flick and a men's magazine on video.

"I had to get fit so I could cope with my wedding night!" she laughs, referring to her recent marriage to that all-round lucky bastard Richard Gere.

As bodies go you couldn't get a lot more perfect than Cindy's, but she insists that she has to keep an eye on it. Can't imagine why. After all, I personally know a few million volunteers who'd do

that for her for nothing.

Only hubby probably wouldn't approve. *Definitely* wouldn't approve. Richard is, by all accounts, none too happy with his wife parading around in tight swimsuits, lingerie or nothing. But Cindy, as I soon found out, has a mind of her own. She turned down a part in *Wild Orchid* opposite Mickey Rourke because *she* didn't want to do it. She didn't mind the nudity, but she found the sex scenes just a little bit distasteful.

"It's my body and my body is my business," she says. "At the same time, I don't mind showing it off and I don't regret any of the pictures I have done. I won't be ruled by other people's hang-ups."

"I am a woman. I'm not embarrassed about my body. I love it."

She caused quite a stir by posing for *Playboy*. "I chose to do them because it introduced me to a different audience from *Vogue*," she explains.

For all her independence, Cindy confesses she's a little bit jealous when she watches some of Richard's past sheet-shuffling exploits in shag-happy films like *American Gigolo*. "I have a lot of trouble watching him do sex scenes in the movies, but I've come to accept that it's part of the job," she sighs.

Despite Gere's celebrity status, Cindy is probably more famous than him at the moment, something which her sweaty video will no doubt add to.

Like a lot of the supermodels she grew up far from the main centres of fashion in New York, Paris, Los Angeles and London. Naomi Campbell is a South London girl; Claudia Schiffer was spotted in a discotheque in Cologne; Cindy grew up in smalltown Illinois, where her father was an electrician. She moved to Chicago to study chemical engineering and was plucked from college to do some work modelling bras for a local department store. Then came a *Vogue* cover, and she soon found herself with more work than she could handle – catwalk, magazines, and advertising.

And then, of course, came the money – lots of it. The saying goes amongst the Supermodel crew that they won't get out of bed for less than £10,000 these days. On top of which Cindy has lucrative deals with cosmetics companies which send her earnings flying way past the million mark.

While the upside of all this keeps the bank manager very happy indeed, the downside of her fame is the shit-stirring. There are gossips to contend with, who at one point put about the unfounded rumour that Gere had married her partly to maintain his macho image in the face of speculation about his sexual preferences.

"Richard is very clear about what he is," she says calmly, "and he doesn't give a damn what other people think."

There have also been typically tabloid tales surrounding Cindy's behaviour. Again she takes all that with a pinch of salt.

"I was out a while back with Christie Turlington and Gail Elliot (two of her Supermodel friends) and we were kissing, and the next day it was in all the papers and I'm thinking, well, so what? Who cares?"

The girl has brains as well as a body (damn that Richard Gere) and expects that because of who she is and what she does, she is bound to be in the firing line. And does it bother her? We think not. She's rather philosophical about it all.

"I've got the cleanest image in the world, so it's good if there's a little dirt about me," she says with a smile.

Which may have been why she made her saucy bikini calendar. And why she laughs when she hears that one country banned her from advertising posters in sexy lingerie because it was causing too many traffic accidents. And very probably why she quite happily got her boobs out for the George Michael video, in which she gyrated along with her Supermodel mates.

"I didn't mind posing nude for that because it was shot so artistically," she comments. "I am a woman. I am not embarrassed about my body. I love it."

And so say all of us. ♣

IN THE BAG

fountain as Pam carried on sucking and swallowing glob after glob of my spunk.

After a minute of sucking me dry, she sat back and smiled. "That was gorgeous. But now we'll have to make you hard again, won't we?" she sighed. She lay back on the ground next to me and started stroking herself, first her breasts and nipples, and then gradually down to her already moist fanny. I watched, entranced, as a finger slid gently inside, followed by another, then another, until she was rocking forward and back on her fingers.

By this time I was stiffening up again, and she pulled me over to her and guided my hand into her cunt. I slipped a finger in alongside hers, and then pushed another in, and another, as she began to finger fuck herself faster and faster.

Before she could come again she stood and leaned against the tree next to us. "Fuck me, Nick. Fuck me now from behind," she whispered. I stood up and held her tight, rubbing my cock up and down her soft bum cheeks before sliding it carefully in to her cunt.

For a while we just stood there, Pam with her arms wrapped around the tree and me holding tightly on to her. But then I started thrusting, at the same time groping her nipples and teasing them into erection. Even though I'd just come I could tell it wasn't going to be long before I came inside Pam again, I was so turned on by the whole situation.

Just as I felt I was getting close, she pulled away and turned round, leaning back against the tree. Her legs were apart, and she gave me a good view of that incredible shaven cunt before pulling me back into her.

I started to thrust again, getting faster and faster as our moans became louder. My cock was slamming into her like a piston as I felt my balls quiver and finally shoot their load into Pam. She must have felt it too, and she started to buck and writhe around as she screamed out her orgasm.

We stood, locked together for about ten minutes catching our breath before getting dressed and stumbling back to the car. We never repeated the experience, but work has been a lot more fun since then. I reckon all your readers should go back to nature, just like we did! – *Nick, London*

Horny holiday

A few months ago I decided to treat myself to a holiday in the south of France. I had just checked into my room when I noticed the hotel pool was right outside my window. I was admiring all the gorgeous girls swimming and sunbathing, when suddenly I spotted her.

She had to be the most gorgeous girl I had ever seen! Long blonde hair, slim waist and even from where I was standing I could see her fantastic boobs showing through her swimming costume. I had to get a better look of this beauty, so I changed and rushed down to the pool.

Close up she was even more stunning, and as I watched her walking around my prick started to grow! Eventually, she left the pool and wandered into the hotel. I had to meet her, so I

NUTTER'S CORNER

We made many attempts to write something funny about this lot. We pretended they were a bunch of super heroes who had come to clean up the London streets: there was Banana Woman, who stuns her attackers by performing acrobatic sexual tricks with fruit, and Highly Embarrassed Man, who brings a flush to the cheeks of anyone who dares come near by whispering improper suggestions in their ear. We even gave a speaking part to Blue Man: "We have been asked to perform, it will be hard, but I think we're all up to it! Eh? Eh?!" he said, armed only with his endless innuendos.

But then we thought this was a crap idea, so we decided they were from the People's Independently Liberal Left-wing Organisation of Chelsea and Knightsbridge. PILLOCK, we were going to say, took to the streets to show how important it is that we deal with the problem of not enough bright colours being used in sitting and drawing rooms in the west London area.

"It's time the people of this country stopped looking at magnolia as simply the only colour to do one's lounge in," chief PILLOCK Margeaux Primula-Cheesespread would have said. "We must look deeper into the important issues facing these poor, pigmentally-challenged individuals."

But then we realised all these ideas were really crap. This lot are just some French prats who chose to trot around Trafalgar Square covered in paint and not much else. That's yer French for yer, innit? ♣

WIN! WIN! WIN!

If you're the sort of bloke who likes a bit of class with his ass, then *Becoming Colette* is the sort of vid that should put the wick in your candle. Starring the gorgeous Mathilda May, it's the story of an innocent country girl whose erotic discoveries lead her to become the toast of Paris's fashionable high society.

Depraved, promiscuous and shameless, Colette goes through the film shagging anything that moves – and a few things that don't – encouraged

Dear Shelley,

I don't know if you get many letters from other women, but after I saw your horny pictures in Club (Vol 21 No 10), I wanted to write and let you know what I've been thinking about you.

This is the fantasy I have about you every night when I go to bed: it's a Saturday morning and I'm relaxing in the sauna at my local health club. The place is deserted, and as I lie back in the heat I can't resist pulling apart my pussy lips and giving my clitoris a rub. I close my eyes to concentrate on my masturbation, then I hear the door to the sauna open and in walks a very pretty, dark-haired girl – it's you, Shelley!

"Oh, I'm sorry," you

and bullied by her lecherous husband. Tasteful, sexy and very watchable, we're tempted to keep it ourselves: but that wouldn't be fair to you – our loving, loyal and lecherous army of readers, so we've ten copies to give away.

If you want to win one, then answer this simple question: In what other film did Mathilda May get her nawks out? a) *Tango and Cash* b) *Naked Tango* or c) *Naked Lunch*. The first ten entries pulled out of the Ed's colostomy bag win. Probably. ♣

say with a smile. "I hope I wasn't interrupting you." Even though it's hot, I can feel myself blushing, but I still keep a hand on my clitoris and a finger in my pussy. Without saying another word you let your towel drop to the floor to reveal your naked body.

You sit down beside me, then pull me close to you and our lips meet. Our tongues explore each other's mouths. I eagerly run my hands over your breasts and moan as I feel your nipples hardening between my fingers, before I begin to kiss my way over your stomach to your hot pussy. Pulling apart your pussy lips, I work my tongue inside your love-hole, bringing you to an intense orgasm.

After that I imagine you take me home and do all sorts of dirty things to me. Would you like to do that, Shelley, or do you not go for attractive women like me? Please say you do! – *Cathy, Oxford*

I've never had sex with another woman, Cathy. I have thought about it, but never seriously until I read your letter. What a turn-on! Send me in your photograph (nude if you like – after all, you've seen everything I've got!) and we'll take it from there! – Shelley ♣

SUZY

Sexy Suzy makes a welcome return to the pages of Club after her first apperance last year (Vol 20 No 10). So what has kept you away from us for so long?

"I moved out to the country and have spent all this time just doing up my little cottage. You know, painting, gardening, getting to know the locals."

And how have they taken

to a model moving into their village?

"Oh, they've been so sweet! You know, all these hunks from the pub came round and asked if there was

anything they could do to help me settle in and feel at home."

And did you take them up on their offer?

"Of course I did. But only one at a time..."

That must have been some house-warming!♣

LETHAL BOTTOM

They were best buddies. They were really tough. And they had stupid names. Oh, and they *really* liked to kill people. Yes, it's another witty attempt at a Hollywood pisstake without the car chases...

Los Angeles cop Martin Friggs had a reputation for being a bit crazy. Colleagues put it down to the fact that he was a Vietnam vet. Hell, anybody who'd spent two years in Saigon with their hand stuck up a cow's ass was bound to be a bit on the wild side.

What the guys at the precinct couldn't get a handle on was his off-the-wall relationship with his police partner, Roger Regularly. Roger was ten years older than Friggs, and a real home lover. In fact, he'd once been suspended for trying to have sex with a pre-war bungalow.

Roger had a wife and three beautiful kids. The only thing slightly out of the ordinary about him was his hobby – tinkering about with old English automobiles. His wife, Pearl, said she thought her husband was only truly happy when he was inside a Morris. But as long as Morris wasn't a minor, she didn't see it did any harm.

When Friggs and Regularly first met, the tough young roustabout had just lost his wife. He was totally wired, strung out – terrified she might find him again.

Friggs' opening line was, "Hey, man, am I in Orniaifcal?" The older cop saw right away the guy was in a mixed-up state. He took the unhappy police officer home and soon had him on his feet. By the time Friggs was a fully-trained chiropodist he was well enough to go back to what he loved best – shooting people.

June 14th – Hollywood Airport

Roger sat in the Cabbage Reclaim Area, wondering if the Equal Rights For Dyslexic's Campaign hadn't gone too far. On the far side of the carousel sat Friggs, his eyes as blue and sparkling as a rhinestone g-string.

Roger couldn't make out if Friggs was signalling to him. His eyesight was getting pretty bad these days. Only yesterday he'd been admiring a picture of a bowl of apricots, figs and bananas in a cookery magazine when Pearl had walked by and rather curtly pointed out to him that *Screw City – Jacuzzi Orgy Special* didn't have a catering section.

He squinted across at Friggs. Yes, his buddy was gesturing to him that they should follow the tall, white-haired old man who was disappearing into the gents. Could this be the Mr Big of drugs they had been waiting for? Regularly moved quickly across to the door, where he was joined by his partner.

"That's him," the young cop snarled. "The dirty bastard who's poisoning our country's kids with his vile filth."

"Believe me, I can suck the milk out of a coconut without breaking the shell first."

"Christ," Roger hissed. "He doesn't look a bit like I expected. Where's his clown suit and make-up?"

"Not Ronald Macdonald!" Friggs spat. "The drug smuggler!" Without wasting another second he pulled a heavy 45 from his waistband and burst through the door.

This guy's nuts, Roger thought as he followed Friggs into the washroom. I mean, what sort of drug smuggler is gonna be scared of a Whitesnake single?

"Police! Freeze!" the mad cop bellowed, levelling the full-coloured sleeve at the row of men standing at the urinals.

"Oooh!" cooed one of them. "You mean a nice wall painting with lots of beefy bobbies on it. Sounds nice."

"No, dammit," Friggs snapped. "Freeze with a double 'e'."

"Well, you should be more specific," another of the men said. "You young people today are so sloppy with your language. And the spelling."

"Cut the crap, man," Friggs blurted. "It's not you we're interested in. You with the white hair. Turn around." The man did as instructed, causing several of the men standing on his right to wish they'd worn waterproofs.

"Hold it right there!" Friggs barked.

"Vell," said the man glancing downwards. "I'm not really able to hold it above my head, now am I?"

The hot-headed police officer ignored this penis positional witticism. "I'm arresting you on suspicion of selling drugs," he growled.

"On what grounds?"

"Highbury, Old Trafford and Twickenham," said the old man beside him. "You see, you gotta be specific, otherwise – confusion."

Friggs pressed on regardless. "On the grounds that you look shifty, your eyes are too close together and you're played by Christopher Walken, who's always a baddy."

The man laughed. "This will never stand up in court."

"Maybe not," Friggs smiled. "But even if it did, I doubt if it would scare any old ladies."

Angered by this genital diminution joke the old man took a step forward. Suddenly the toilet echoed to a loud yell. "Watch it Martin. He's coming at you with a baseball bat." It was Regularly. Before anyone had a chance to react the room was filled with a loud crash of gunfire and the smell of burning rubber.

June 15th – Police Headquarters

"Yous two!" Police Chief Stonkovitz bellowed. "What the hell's the matter with ya? Ya burst into a restroom, hassle a leading South African industrialist, then shoot the condom machine full of holes. The result of which is we've got a list of complaints from scared old guys with weak bladders, a charge of harassment from Mr P. P. Onderseat, and a maintenance suit from a woman who's just been told she's about to have triplets." The crusty senior cop paused for a moment and spat out a piece of the carpet tile he'd been chewing. "Jeez!"

Martin Friggs could contain himself no longer. He leapt to his feet. "Listen asshole," he raged. "As a result of this guy's operation kids out on the street are killing one another. We had a body come in this morning, strangled with a cravat."

"So tie-dying's back in fashion," Stonkovitz shrugged. "Okay, so it's hippyish, but it ain't illegal."

Friggs leant across Stonkovitz's desk. "This guy P. P. Onderseat is running a drugs racket, man," he snarled. "He's importing LSD – Loosening Sphincter Diathelene – better known as crap. It's the most powerful laxative on the market. Are you gonna do something, or is this city gonna wake up one morning and find itself really in the shit?"

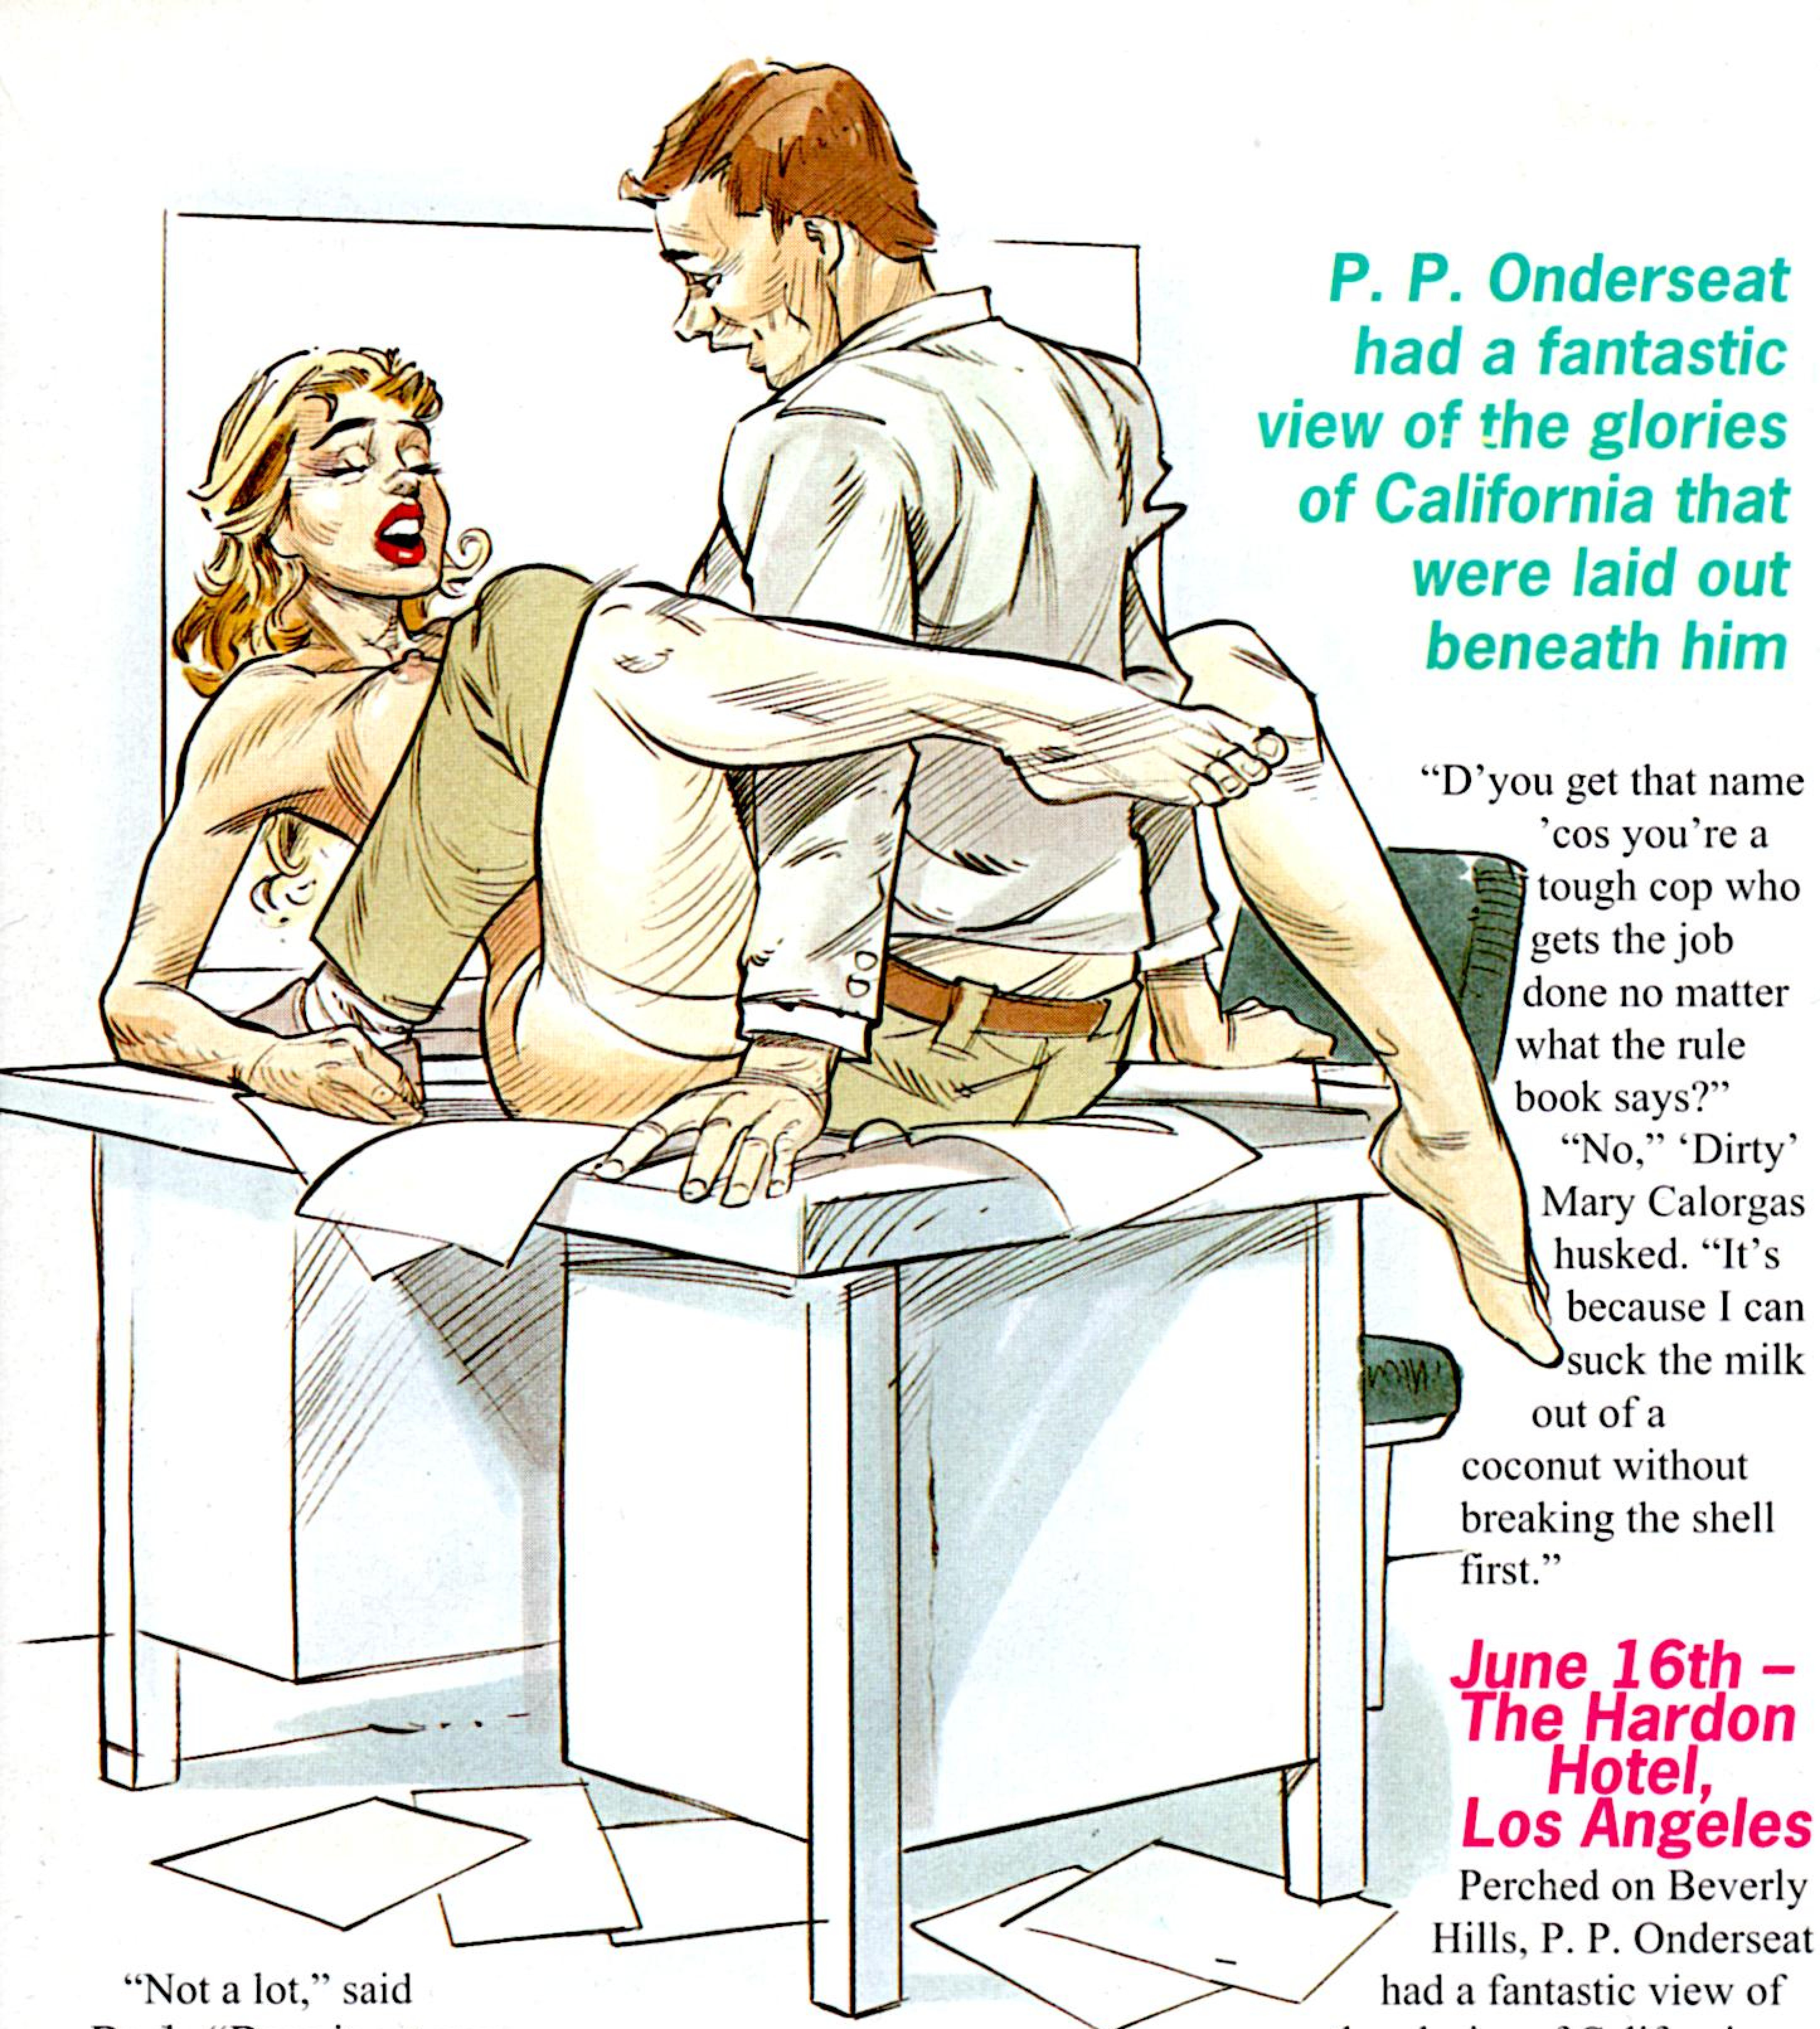
Stonkovich stared at him angrily. "Yeah," he hissed. "I'm gonna bust your asses down to patrolmen and put you back onto the street. You two assholes are joining the Los Angeles Inspectorate of Drainage. Roger, you may never get laid, but now L.A.I.D.'s gonna get you!"

Later That Day – L.A.I.D. HQ

Sergeant 'Toilet' Duck, the head of operations for Los Angeles Inspectorate of Drainage, eyed his two new charges thoughtfully. The beginnings of something big were formulating somewhere inside him. Before he could put his cogitations together properly, Friggs had got up out of his chair.

"What do you know about Loosening Sphincter Diathelene, sarge?" he asked.

Illustrations by Adam Willis



"Not a lot," said Duck. "Does it get you high?"

"About two feet off the seat," said Roger Regularly.

'Toilet' allowed himself a smile. "That sounds like quite a buzz."

"Actually, it sounds more like a duck with its nuts caught in a bear trap, but that's beside the point," Friggs grimaced. "The guy who's importing it is called P. P. Onderseat..."

"I guess he's Public Enema Number Two's," chortled Duck. A look of intensity froze the laughter on his lips.

"We gotta get this guy, man!" Friggs whispered.

Sergeant Duck looked at them for several moments. "I don't know..." he muttered.

"Jeez," Friggs implored, "Can't you see we're sitting on an explosive situation?"

"Okay, Okay," barked the sergeant. "I'll go along with you just this once. But if you fail, it's your buns on the breadboard, alright?"

"Aye, aye, captain!" The two buddies chorused, slapping one another on the shoulder, punching one another on the nose and kneeing one another in the groin in a playful tough-guys-let's-go-for-it kind of way.

"There's one condition," Duck bellowed when they'd returned from casualty.

"You've gotta take one person from this department with you. And I think I know just the person..."

Seconds Later

"Friggs, Regularly, I want you to meet Mary Calorgas, known throughout the department as 'Dirty' Mary."

Friggs looked at the face of the woman who stood before him and then allowed his eyes to speed down the cresta run curves of her luscious body. He pulled up just as his speeding sled crossed the visible panty line. "Hi," he gurgled.

"No," P. P. Onderseat retorted, pointing to the huge breasts of his girlfriend. "That is a bust. What you got there is minor breakage."

P. P. Onderseat had a fantastic view of the glories of California that were laid out beneath him

"D'you get that name 'cos you're a tough cop who gets the job done no matter what the rule book says?"

"No," 'Dirty' Mary Calorgas husked. "It's because I can suck the milk out of a coconut without breaking the shell first."

June 16th – The Hardon Hotel, Los Angeles

Perched on Beverly Hills, P. P. Onderseat had a fantastic view of the glories of California that were laid out beneath him. However, he was feeling a bit tired so he ordered Ms Hills to go on top for a while.

The phone rang. Onderseat reached languorously for it.

"Ja," he purred as Beverly Hills suffered a slight earth tremor. "Everything is in place. The Diet Poke, Zit and Wilt soft drink machines at the LA Superdome have all been contaminated with our product. Tomorrow, when the 100,000 people who will pack the place to see popular singing combo Lieutenant Pigeon perform their megahit *Mouldy Old Dough* begin to slake their thirsts the build up of methane will be incredible.

"Then, I place a phone call to the City's authorities, detail the situation and threaten to set off a radio-controlled cigarette lighter and blow the place sky high unless they pay a $10 million ransom! Yes, of course I realise my scheme could be undone by some fool striking a match – that is why I have chosen 'National No Smoking Day' as the time to unleash my plan. Soon I will be a rich man! Ha-ha-ha-ha!"

"That's very interesting, sir," said the voice at the other end of the line. "But actually I called to advise you that a courtesy mini-bus leaves the hotel every hour for a complimentary tour of 'The Homes of the Stars'."

Before this vicious South African super criminal could react to this mistaken bout of plot explaining, the doors to his penthouse suite burst open and Friggs and Mary Calorgas burst in.

"This is a bust!" 'Dirty' Mary rasped.

"No," P. P. Onderseat retorted, pointing to the huge breasts of his girlfriend. "*That* is a bust. What you got there is minor breakage."

"Nobody calls my buddy flat-chested," Friggs growled, and bounded across the room to the drug smuggler like a cheetah with piles that had just sat on a cactus.

Too late. Onderseat was up and running. He raced into the bathroom. Seconds later the two sewage cops heard the tell-tale sound of the toilet flushing.

"Shit," Friggs said. "The oldest trick in the book and he's gotten away with it. He's escaped by flushing himself down the bog."

"Don't worry," his partner purred. "Where do you think Roger is? I stationed him down in the drains below the hotel just in case this happened."

"You're brilliant," Friggs breathed. Their eyes met. Their lips said 'aloha'. Their tongues danced the Lambada and their erogenous zones gave each other five and voted yes to a game of Raquel Squelch goes pole-vaulting.

That Night

Friggs wondered why every time he had sex, a man with a Spanish guitar turned up outside and began plucking it. It had been quite a day. A real lucky day. He'd met the woman of his dreams, Roger had arrested P. P. Onderseat in the sewer and an evil plot against the youth of California had been foiled by the United Nations' long-term cultural boycott of South Africa. I mean, who but a totally out of touch Boer would think 100,000 people would turn up to see Lieutenant Pigeon? ♣

WOMEN'S WRITES

Where the girls get down to business

Triple Tipple

One night I was at home alone, naked and happily finger-fucking myself on the sofa, when there was knock on the door. As I wasn't expecting anyone I slipped on my robe and went and looked through the peephole. I saw Chicky, the girl who lives upstairs, and opened the door.

"Hi," she said. "Want some champagne?"

"I'd love some," I said, and followed her across the room to the sofa.

Chicky is a really cute, blonde 22-year-old with a big bust, narrow waist and shapely backside. She was also wearing a robe and we sat cross-legged, facing one another.

"I got tired of waiting for my boyfriend and I thought you might like some champagne," Chicky said.

Her robe slipped open and I caught sight of her tits. She saw me looking at them but made no move to cover herself. Instead, she placed a hand on my knee and softly kissed me on the lips. I made no move to stop her.

Chicky opened my robe and slipped it off before touching my tits. My nipples hardened under her touch. She took off her own robe and the sight of her tits took my breath away. My eyes travelled down her beautiful body to her crotch and saw the blondest pussy hair ever. She spread my thighs and placed her tongue on my clit, which was electrifying! Two of her fingers travelled up inside my cunt and I heard myself moan aloud. After a few minutes of intense pleasure, I arched my back and came in spasms. Chicky's tongue and fingers slowed their pace and I lay there panting, my body tingling.

Chicky kissed me on the lips once more and said, "You've got a beautiful body." I was too gone to say anything. Then she said, "Now you go down on me, baby." She lay on her back and drew her legs up. Her clit protruded through the blonde hair surrounding her pink pussy lips.

I lowered my head to her pussy and kissed it. It smelt honey sweet and was so moist. I licked the whole length of her crack and my tongue found her clit, as my fingers started to explore her cunt, parting her pussy lips and delving inside.

Chicky was way into it, with one leg over the back of the sofa and the other one on the floor. I looked up and saw her smiling face licking her own tits.

Chicky started to come. I straightened up and went for her tits. I knew she was going to be in a sensitive state but I just had to get to grips with these two big beauties. I leaned over her and began to lightly lick her nipples which were as hard as grapes. Chicky moaned with pleasure.

Just then the doorbell rang – my second unexpected visitor that night. "It's okay," I said. "I'm not expecting anyone tonight, so I won't answer it."

"Oh, it might be Clark," Chicky said huskily. "I left a note downstairs saying to ring your bell. Let him in."

"What? Are you crazy?" I protested.

"It's okay," she said. "Clark can be a lot of fun, if you get my meaning."

I sat and thought about it for a second and then found myself grinning. The prospect of sharing Clark was too tempting. He was a six foot stud!

"Trust me. He's a terrific fuck and I know he wants to screw you. He told me so," Chicky added, making my mind up for me.

By the time Clark stepped into my flat clutching another chilled bottle of champagne, Chicky and I were both wearing our robes again. Chicky didn't hang around. "Clark, I want you to fuck Linda," she said.

I saw his eyes light up and the bulge start to grow in his trousers. My God, Chicky had certainly awakened something big down there! Before Clark could even put down his glass, Chicky was undoing his trousers. She looked up at me and said,

"Give me a hand."

I was only too happy to help her out. I think I gasped audibly as his mighty cock sprang out, ready for action. I had never seen one so big and it was looking straight at me!

"Have a taste," Chicky suggested, holding Clark's big cock around its thick base. I lowered my head and kissed the big purple head before opening my mouth wide and taking his cock inside. As I did, Chicky started playing with my tits. I cupped Clark's big balls in my hand and felt them harden as they started pumping away, ready to unleash their load of come. I soon got into a rhythm and was wanking off his cock with my mouth.

Chicky was calling the shots and lifted my face off his cock. "Good, huh?" she enquired.

"Mmm," was all I could say. She opened her legs wide and said, "Now lick my pussy again."

How could I refuse such a feast? I buried my face in her cunt. The next thing I knew, Clark's hard cock was teasing my pussy lips from behind. I raised my bum, inviting him into my cunt while I passionately licked Chicky's.

I felt his meat go inside me inch by inch, stretching the walls of my cunt, and wondered how far it could go. He tucked a hand underneath me and started twiddling my clit. I was in heaven!

"I want to see your cock go in and out of her," Chicky said. She pulled her pussy away from my wet lips and told me to lie on my back. She took hold of Clark's big, wet cock and inserted it into my welcoming cunt. She watched this delicious sight for a while before sitting on my face, facing Clark.

Chicky's love juices flowed into my mouth while Clark pumped away at me like a locomotive. Soon I came like never before. Clark sure knew what to do with that mighty cock of his!

After my orgasm had died down, Chicky changed positions. She lifted herself off my face, got down on all fours and started to gently lick the juice from my cunt while Clark fucked her from behind.

Chicky started to come. She was moaning into my cunt. As she wriggled about on the end of Clark's cock, I could see that he was also ready to shoot his load.

Determined to see it all, I grabbed his cock as it rammed in and out of Chicky's cunt. He whipped it out and I wanked him off as he shot spunk all over Chicky's bum and back. Unable to resist, I placed my mouth over his cock, gripped it with my lips and started swallowing his hot, creamy come, taking down every last drop. It's the first time I've ever drunk champagne with a come chaser, but now our threesomes have become a regular thing, I'm making a habit of it... and I love it! – *Linda, Chichester*

Room Service!

I work as a chambermaid in a large hotel in Blackpool, and always find copies of your magazine lying in the rooms after the guests have left, and after leafing through one or two (oh all right *all* of them!), I thought your readers might like to hear about a little adventure that happened to me not so long ago.

I was on cleaning duty one morning, and went to clean out a room thinking that all the guests had left. But when I swung the bathroom door open, there was a man of about 35, wearing nothing but a pair of boxer shorts pulled down around his thighs. He was wanking with one hand and holding a copy of Club in the other. He got a shock when he saw me and quickly placed the magazine in front of his prick.

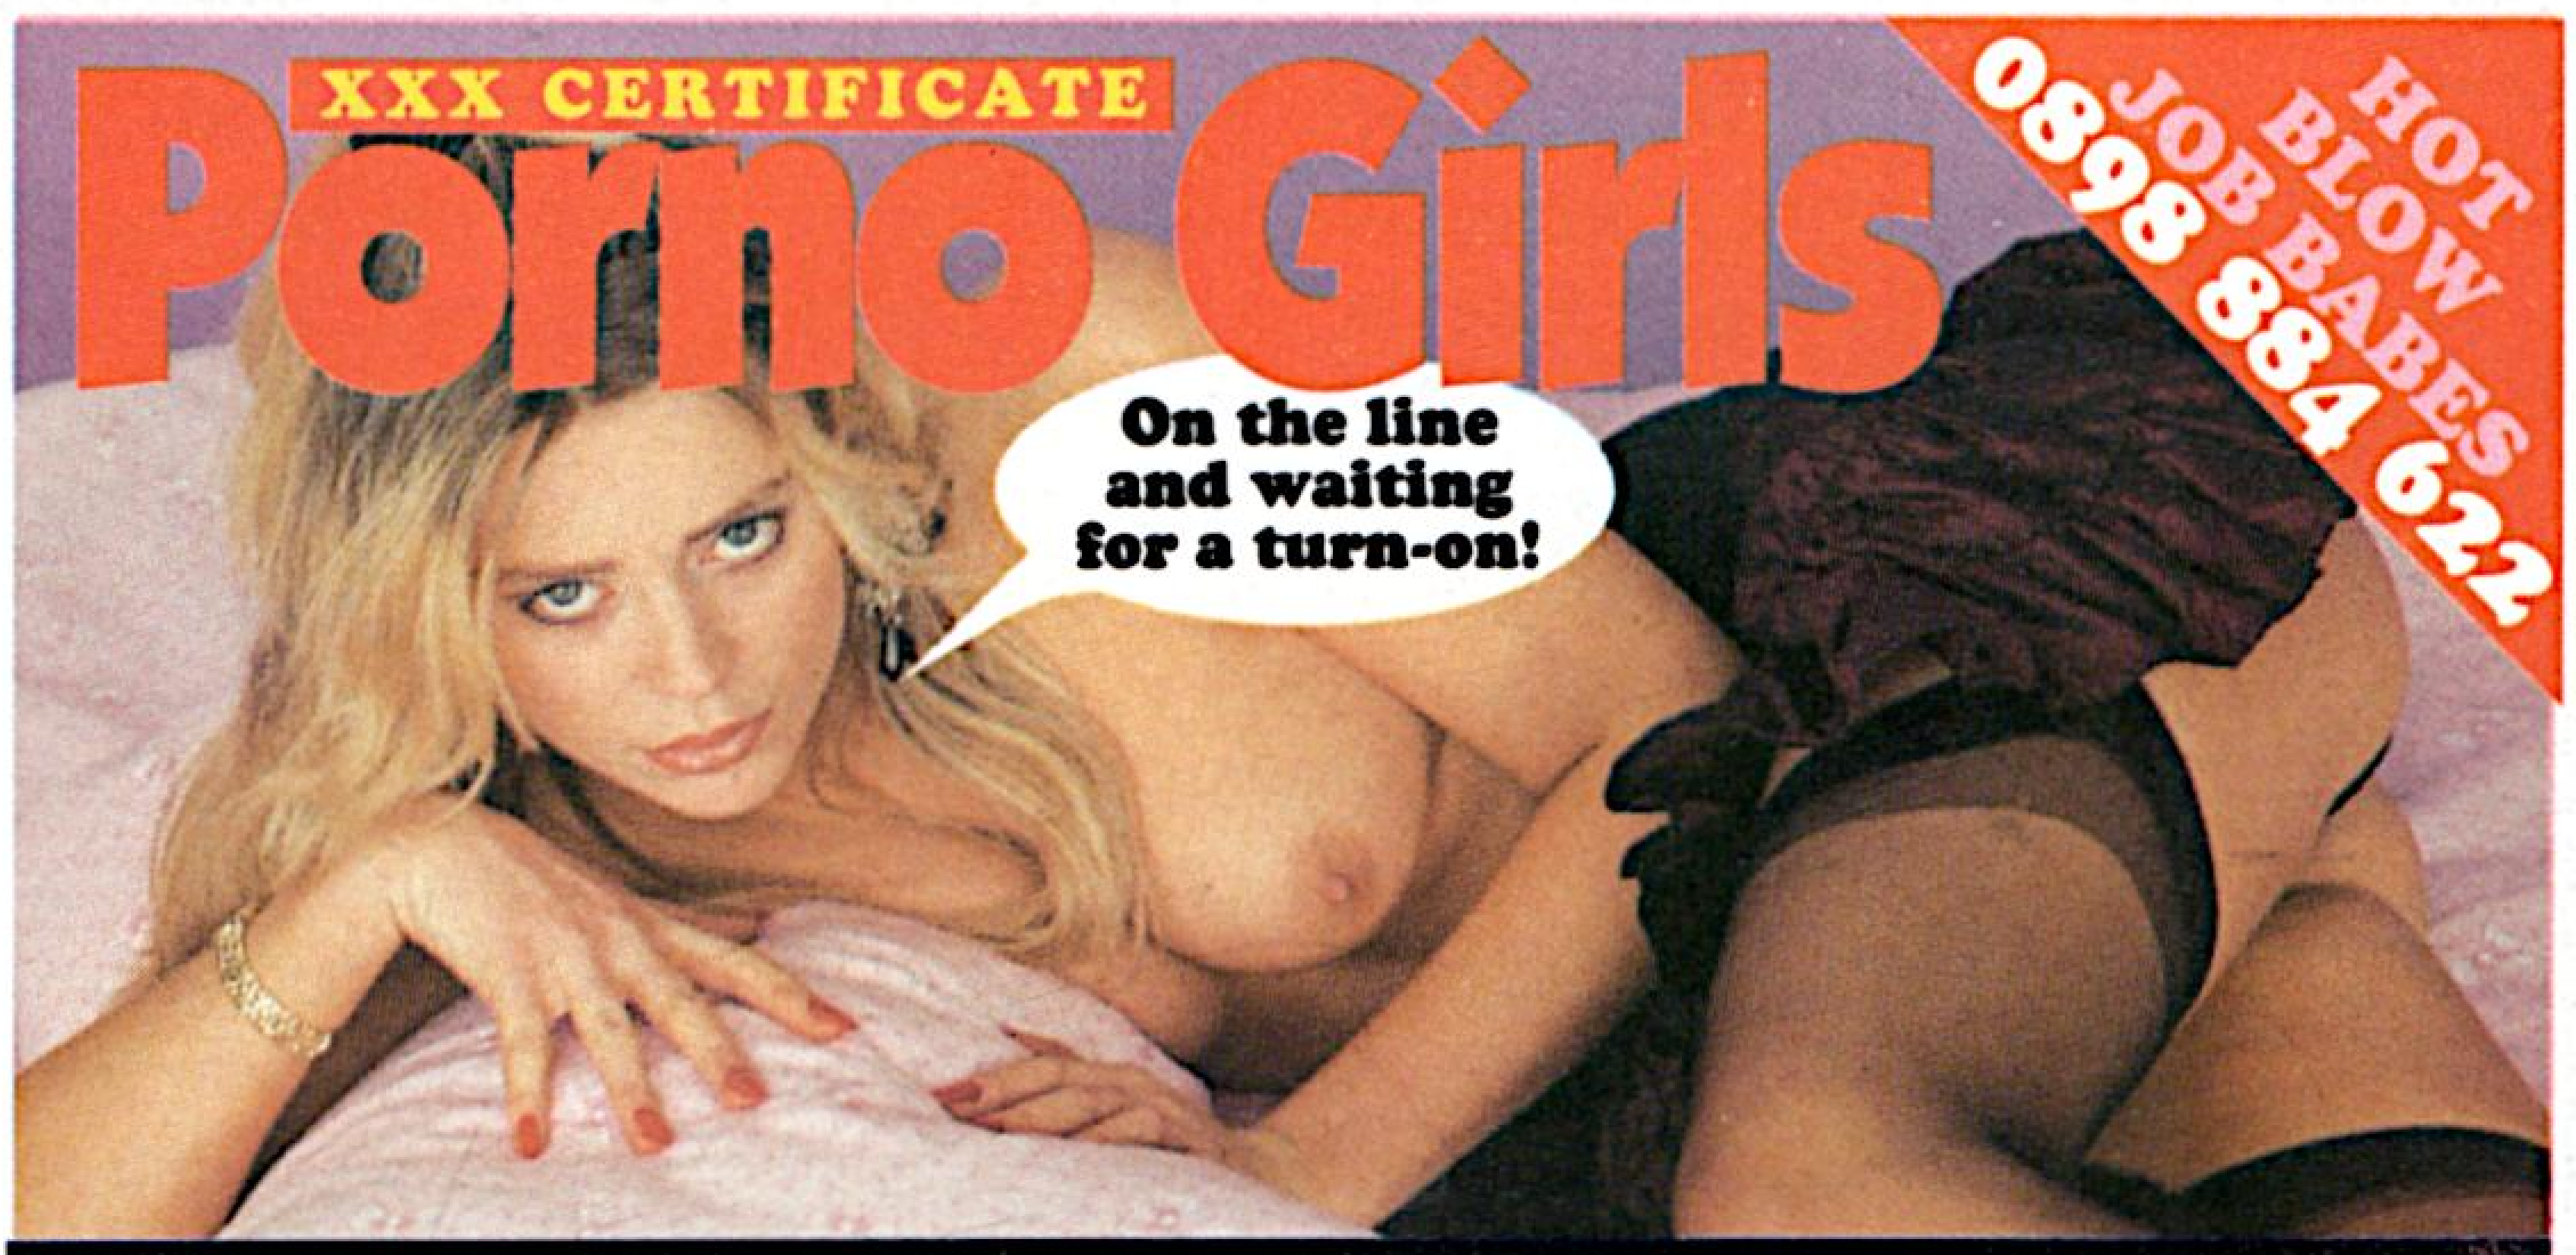
"I'm sorry," he gasped, "I was just..." I smiled and finished the sentence for him, "Having a wank?" He went bright red and stammered, "No! Of course not!" and then admitted he was, saying how horny he'd felt that morning. "I've got a long drive today so I just thought I'd relieve the pressure a bit."

He was highly embarrassed and didn't know what to say, so I told him not to worry and to lie down on the bed. He looked a bit puzzled. "You were having a good wank before you saw me, so you might as well finish it off, mightn't you, Mr Alan Blake?" I smiled, reading his name off his suitcase that lay half-packed by the bed.

He looked at me in amazement, but did as he was told and lay on the bed with the magazine draped over his thighs, obviously waiting for me to leave – but as I was beginning to feel horny myself I didn't want to. So I undid my frilly white apron and lay on the bed next to him, slowly running my fingers down his stomach to his huge dick. "My name's Carol by the way. So, Alan, how do you like it? Fast or slow?" I grinned. "Oh God! Slow!" he laughed. "Make it last as long as possible."

I stroked his erection as softly as I could, running the tips of my fingers up the straining shaft, and rubbing them gently over the tip where his foreskin was pulled right back. After a while I started to stroke him more firmly, and he began moving his hips against my pumping hand. I looked into his face and asked if he was enjoying himself.

"Oh yes! You do it perfectly, but there is one thing..." Alan gasped. "I want to know what your cunt looks like!" Talk about straight to the point! But it was too late



On the line and waiting for a turn-on!

to turn back now, so I got up from the bed, walked over to the door and locked it. "It's your lucky day," I smiled. "You've caught me in a very good mood!" As I walked back over to the bed I undid my blouse and let it fall to the floor. Standing next to him, I slowly undid my skirt and let it slide sensuously down as he propped himself up on one arm to get a better look.

I stepped out of my skirt and as he stroked his big erection I gently rubbed the soft mound between my thighs. "Take them off!" he whispered. "I want to see every gorgeous bit of you!" I looked at Alan staring at the front of my knickers and then, hooking my fingers into the sides, slid them down to the floor. Stark naked from the waist down, I stood in front of him and let him have a good look. Suddenly I felt really dirty. I wanted this man I hardly knew to see everything, so I put one foot on the bed and reached down with both hands, opening my legs and cunt, separating the mass of black hair to reveal my cunt lips.

He began to wank furiously and for a moment I thought he was going to shoot his load there and then, but he stopped as quickly as he'd begun and said: "I want to fuck you, Carol. I want to fuck your brains out!"

Well, opening my cunt lips like that and watching him pump away at his big, thick cock had certainly put me in the mood. "Okay," I said. "But don't tell the manager about this. I'll get sacked!" Alan laughed and held out his hand. "Don't worry about him. Now come here..."

I climbed up onto the bed and straddled him, my hairy cunt pressed against his thigh. His prick reared up and I pulled it towards me as I raised myself upwards. I rubbed the tip of his prick against my damp cunt hair and slid it up and down my slippery cunt lips. Alan groaned and then gasped out loud as I eased myself down onto him, letting his prick slide up me for the first time. I leant forward to press my clit against his rock-hard shaft, and began to move gently forward and back. He groaned so much I think we both thought it was all going to be over too soon, but after the initial shock he settled down, and began to build up a steady rhythm.

Alan gripped my hips and raised his own body up off the bed to get up me as far as he could. We fucked like that for a few minutes, but then I lifted myself off him and stood beside the bed. Before he could say another word, I knelt on the floor and said: "Come on! Fuck me from behind!" I leaned forward so the upper half of my body was on the bed and opened my legs wide. I felt him kneel behind me and shuddered as his huge shaft slid inch by inch up me again.

Once inside, I felt again he would come soon, especially as his breathing was getting faster and faster, but it was me who came first! The feeling built up so rapidly I just had time to gasp: "Oh God I'm coming!" before it hit me. It was the best I'd had for ages – my cunt just seemed to explode! I buried my face in the bed, gasping as the tremors rippled through my body.

He leant against my back and put his arms tight around me and sliding one hand down between my legs touched my clitoris. I jerked at his touch and unbelievably found myself going into another climax. "Rub it!" I breathed. "Rub my fucking clit!" and within seconds I experienced my second massive orgasm, less than a minute after the first.

It took me a few minutes to come down to earth, and when I did I could still feel his arms wrapped round me, his cock still moving in and out of my sopping cunt. I turned my face to look at him and he kissed my cheek. "I hope that felt as good as it looked," he whispered. "It felt wonderful," I replied. "But now it's your turn."

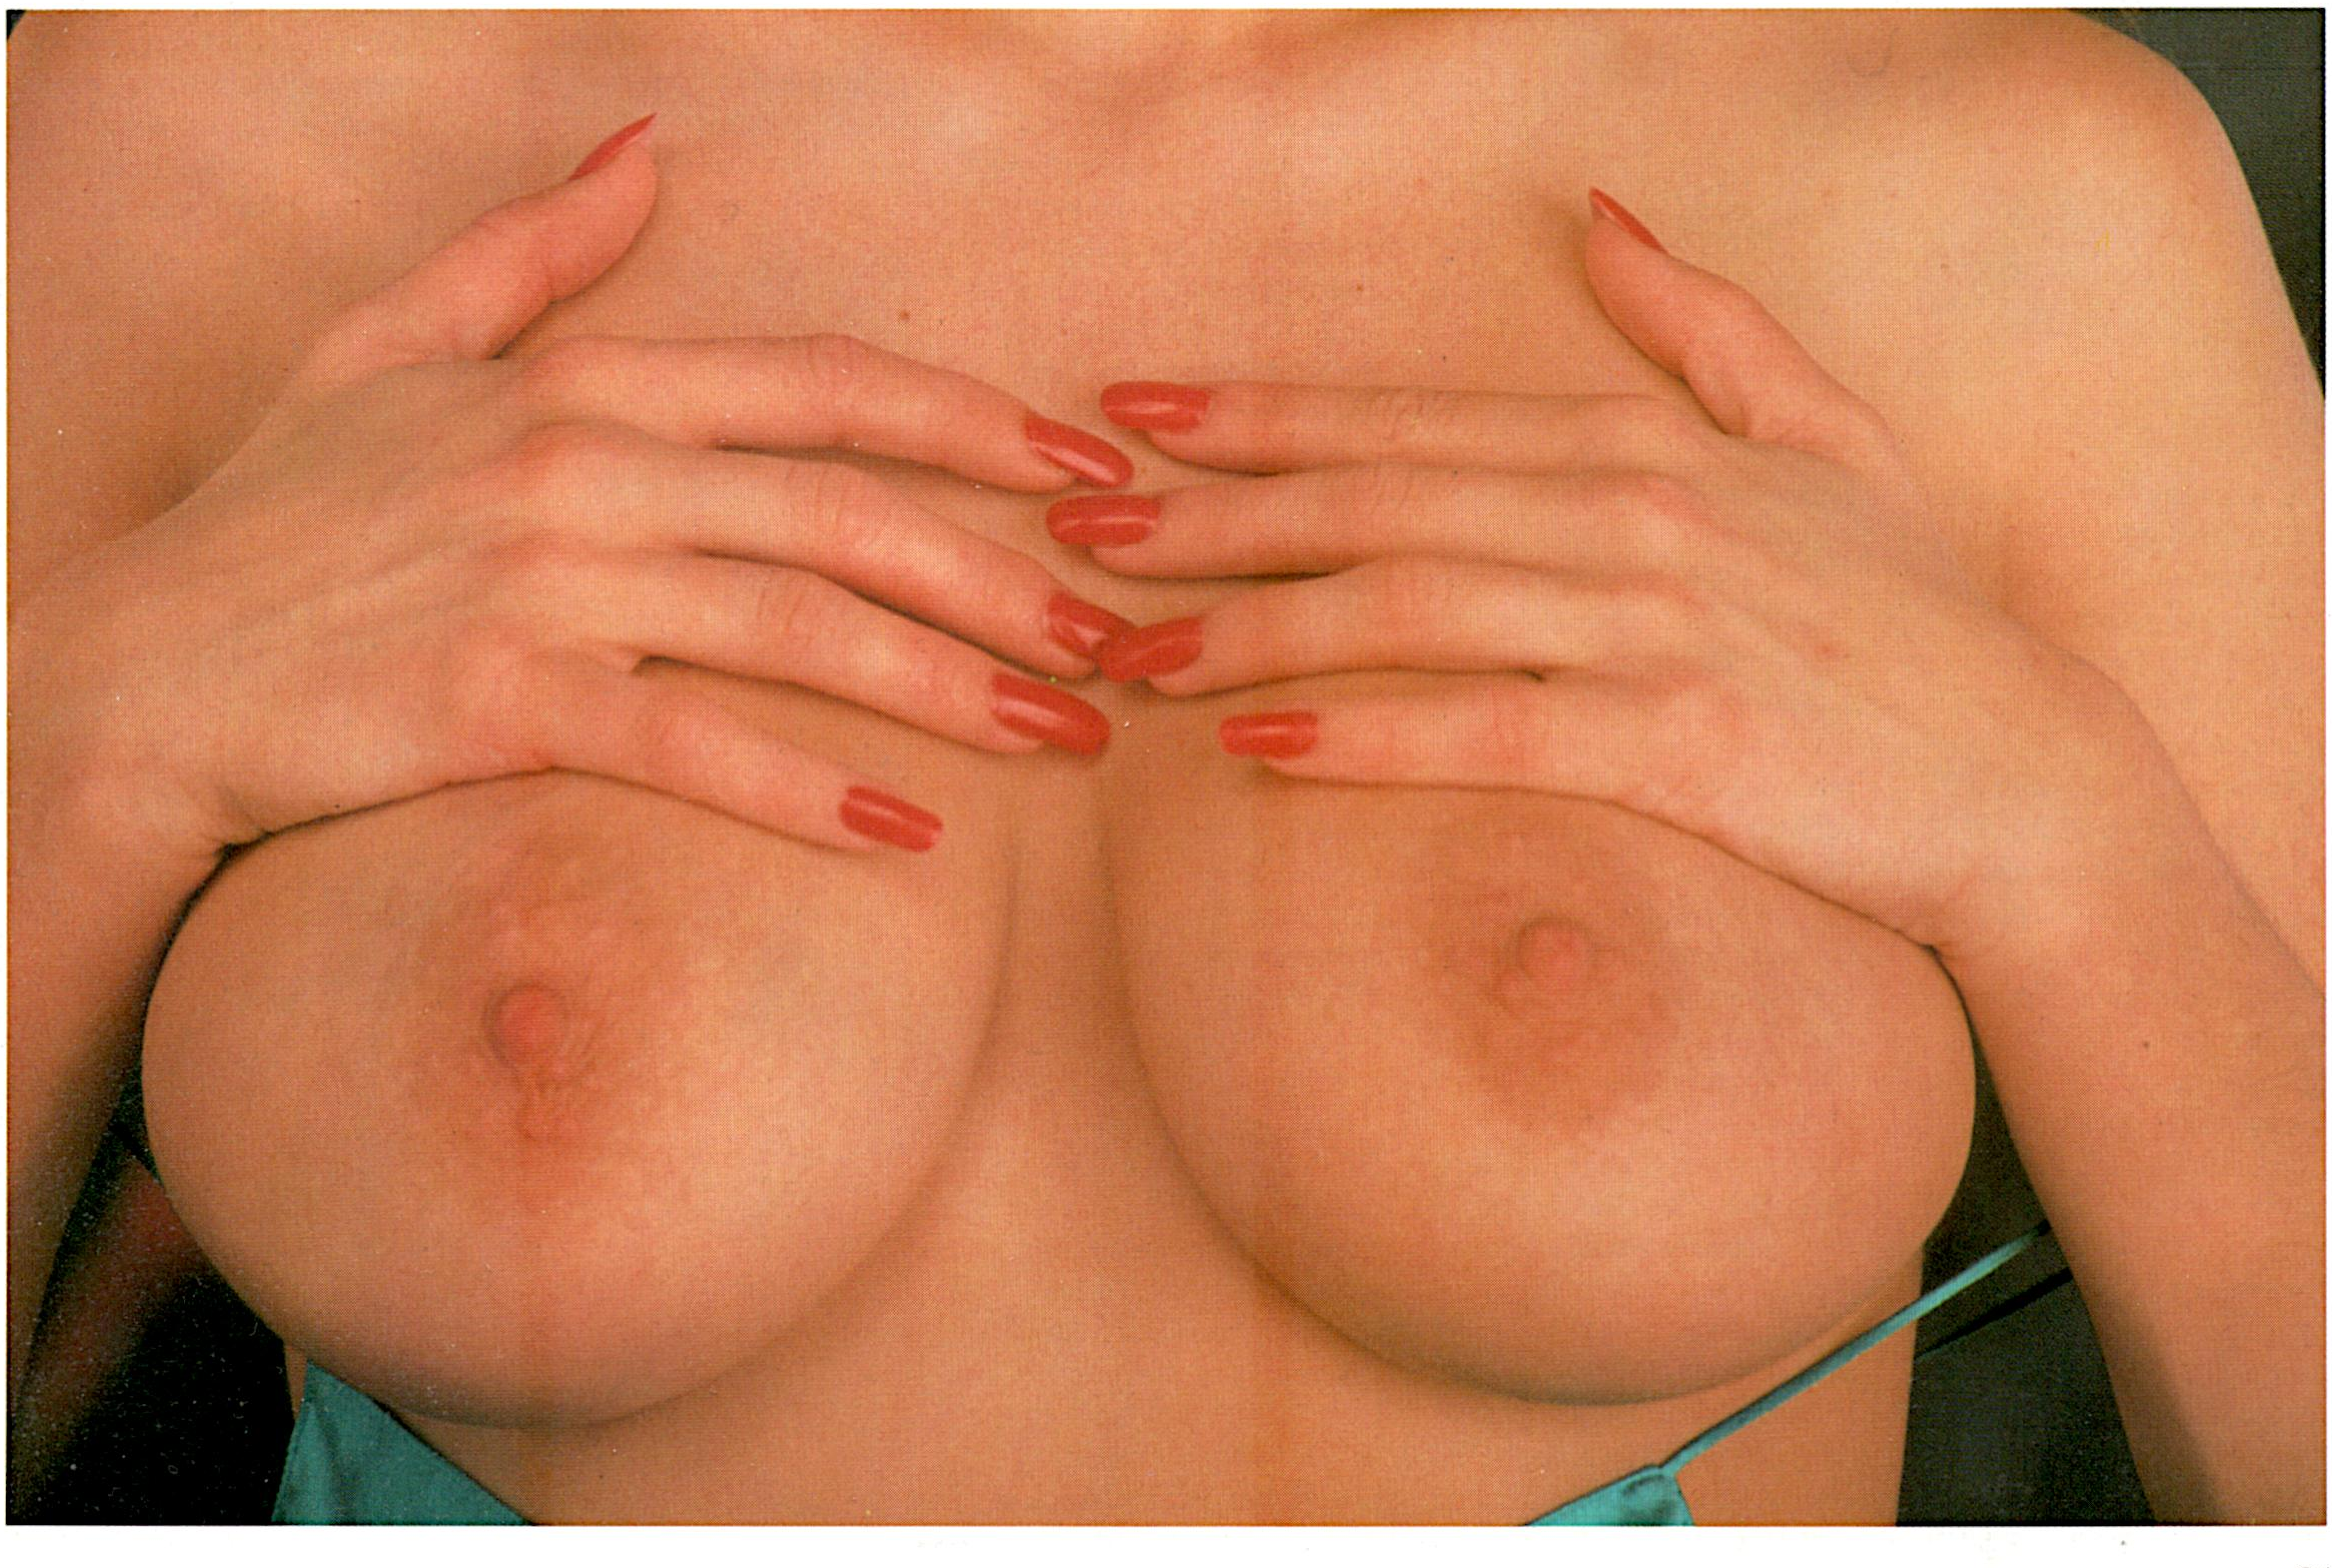
I got up from my knees and lay on the bed, opening my legs wide. He followed and slid into me with one easy movement, propping my ankles on his shoulders. He was so close to coming I could feel him struggling to keep himself under control. "Come on! Fuck me! I want to feel your spunk in me!" I yelled. I wanted to excite him like he had me and give him an orgasm he'd remember!

He thrust harder and harder into me and raised himself up onto his arms. . Suddenly he went rigid – and I knew what to do! Just as he plunged into my cunt for the last time I reached down and took hold of his prick. He cried out desperately as I pulled him out of my cunt. "I'm going to come!" he gasped. "I'm going to come!"

He gave a great groan and knelt up between my legs, clutching his cock in his right hand. With a gasp he pointed his cock at my body just as the first jet of spunk exploded from the tip. After six or seven more spurts like that I was covered in his lovely hot spunk, and rubbed it into me as it slowly rolled off my tits onto the sheets.

After getting my breath back I had a shower and made him promise again not to tell anyone about our session. Although I never saw him again, my story isn't quite over, because later that week the manager told me I was getting a pay rise. I was a bit puzzled by this, as we'd never seen eye to eye, but he explained that a Mr Alan Blake, the director of the hotel chain, had apparently made a secret visit a few days ago and had been "most impressed indeed by my performance".

I couldn't believe my luck! So from now on, I try to be just as nice to everyone. You never know who it could be!
– Carol, Blackpool



ON THE JOB

Girls on film

Hi, my name's Janine and I'm a fashion photographer's assistant. Now, that might sound pretty glamorous, but most of the time it's a bit boring, just hanging around ironing clothes and setting up lights for my boss, Danny. I do get to meet a lot of interesting people though, and my high sex drive gets me into some very horny situations indeed.

It's not unusual for me to make dates with the models we shoot – both boys and girls! – and so long as I'm discreet and Danny doesn't find out, it's not a problem. I'm sure he must get suspicious though when I crawl into work shattered after a night fucking and sucking the previous day's model!

I don't normally like to get too involved – I prefer to keep things casual – but one person made such an impression on me that I really want to share it with you. You know the girl too; her name's Sarah and she's appeared in Club a couple of times. She has to be one of the sexiest girls I've ever seen, with a fabulous curvy body and come-to-bed eyes.

The minute she walked into the studio, dressed in a bright red minidress and high heels that made her long legs look incredible, I knew I'd have to get her into bed. The question was, how?

It was Danny who unwittingly solved the problem for me.

"Janine, how would you like to take over today?" he asked me. "I've got some business to take care of and I know you can handle it here without me."

Danny's been teaching me the trade for a while now, but he'd never actually let me run a shoot by myself before. I was really excited at the prospect, especially as I had such an attractive subject to work with.

I had Sarah wear a really stunning outfit: tight black velvet shorts that hugged her bum, and a matching bra top which barely contained her gorgeous boobs. Most fashion models are much less curvacious than Sarah, and they certainly wouldn't have done the outfit as much justice as she did! I could feel my pussy tingling as she strode confidently out of the dressing room, turning around so I could admire the great effect.

"What do you think?" she asked, her eyes meeting mine. I felt myself blush as I replied, "Terrific."

"The bra's not fitting quite right though," Sarah said. "Can you adjust it for me?"

My hands were trembling a bit as I tightened the straps over her shoulders and straightened them up. She smiled over her shoulder at me, and I wondered if she knew what effect she was having on my hot little pussy.

We started the shoot and Sarah really played for the camera, wiggling her bum and pouting and blowing kisses like a proper little tart. I tried my best to keep cool and concentrate on the job, although what I really wanted to do was drop the camera and shove both hands into my panties to bring myself off – or better still, do the same thing to her! For the first time in my life though, I was too shy to make the first move.

Luckily, I didn't have to. Gradually Sarah's poses got more provocative, and just as I was bringing the session to a close she said, "Listen Janine, I wonder if I could ask you a little favour. My boyfriend's away and we haven't seen each other in ages. I wonder if you could take some *special* pictures of me for him..."

"Sure," I said. "Whatever you want."

"Well, how about this to start with?" she smiled, pulling her bra down so her boobs were exposed. They were even nicer than I'd expected, and I just stood and stared at her for a moment, until I remembered that I was supposed to be taking photos!

Sarah started fondling her boobs, holding them up and sucking her own nipples, looking at me really dirtily the whole while. I could feel my knickers were soaked with my juice, I was so

turned on.

"I hope these pictures get him really horny," Sarah murmured. "I'd love him to be fucking me right now, sticking that big cock inside me..."

Right in front of my eyes, she slipped one hand down inside the shorts. Somehow I managed to keep snapping away as I watched her standing there, her legs spread wide and her head thrown back as she fingered her cunt. I'd never seen anyone act in such an exhibitionist way, and it aroused me beyond belief.

"Do you think he'll want to see more, Janine?" she whispered huskily to me. I nodded, not trusting myself to speak, and she pulled the tight shorts off and lay back on the sofa, pulling the crotch of her panties aside.

I could see she was really wet, and as I focused the camera in close on her plump pussy, she spread the swollen lips and began to run a couple of fingers up and down her slit. Her free hand was roaming over her body, squeezing her boobs and stroking her thighs frenziedly. Then she thrust one slender finger right up into her cunt, moaning aloud as it went in up to the knuckle. She drew it out slowly, glistening with her juice, and raised it to her mouth to lick. Then it went back into her pussy, where another soon joined it.

She seemed oblivious to me as I photographed her fucking herself hard with her fingers, writhing around on the sofa. But then she sighed, "Oh God, lick me. Fuck me with your tongue. I need to come..."

I half suspected she was still fantasizing about her boyfriend, imagining he was with her – but frankly I couldn't have cared less! Putting the camera down, I lowered my head to her dripping cunt and replaced her fingers with my tongue. She tasted sweet and tangy, and I could feel her quiver with every delicate touch as I ran my tongue over her clit, then plunged it right into her hole. Immediately her hands went to the back of my head, pushing me hard against her. I knew then that she wanted it hard and fast, and in no time at all my furious tongue-fucking had her coming in a frenzy. I've never heard anyone climax so loudly!

"Oh, I really needed that," she sighed contentedly as she looked up at me. "Hey, you seem a bit tense though. I bet I know what'll relax you."

She stood up, took my hand and led me over to the bed in the corner of the studio. By now I was so horny that just feeling her hands on me got me unbearably aroused. But instead of diving straight in, she made me wait, undressing me slowly and exploring every inch of my body with her hands and mouth before she reached my cunt.

The first gentle touch of her tongue on my clit had me bucking my hips and yelling as I came with a speed that surprised me. "You were pretty horny, weren't you?" she grinned up at me, before resuming her licking. Now I've lost count of the number of people who've gone down on me, but none of them made me come as often as Sarah; she seemed to know just where to touch me, how hard to press and how fast, never letting me calm down between climaxes. I suppose that's why I didn't hear anyone come into the studio!

I only realised we had company when I heard the sound of my camera shutter. Shocked, I opened my eyes to see Danny standing over us, capturing the whole thing on film. Beside him was Michael, our set painter, rubbing his cock through his trousers as he watched us.

"Why don't you guys join in?" suggested Sarah, beckoning them over. Michael immediately pulled out his cock, which was already stiff, and lay on the bed as Sarah and I began to work him over with our tongues. It had never occurred to me to fuck him before, but I was so horny that his thick, hard cock was irresistible!

Danny kept taking pictures as Sarah and I licked Michael's cock and balls. He groaned with pleasure as Sarah wrapped her mouth around his shaft, while I kept a firm hold on it and wanked him off into her mouth. I could feel his veins throbbing and I jerked harder until he yelled loudly and his hips rose up off the bed as his spunk pumped into Sarah's mouth.

She swallowed a couple of mouthfuls and then pulled back so the rest sprayed over her boobs and ran down over my fist. I licked it up,

savouring the salty taste, and then Sarah turned to Danny and said, "How about it?"

I wasn't too sure about the idea of fucking my boss, but when he unzipped his trousers and his long dick rose into view I knew I had to get it inside me or go crazy!

He lay on his back for me to straddle him, and Sarah guided his cock into my cunt. Then she knelt over his face and kissed me deeply as he started to lick her pussy, fucking me vigorously at the same time. Michael started taking pictures then, although he was only using one hand – he needed the other to wank himself back to hardness!

When he was fully stiff, he pulled Sarah onto her hands and knees so he could fuck her doggy style. It looked so good, with her thrusting her slender hips back at him as he rammed her cunt, that Danny and I got into that position too. We were close together on the bed, so Sarah and I could kiss and grope each other too. At one point Sarah's hands crept between my legs to rub my clit, and the combination of that and Danny's thick cock filling my cunt had me coming harder than I ever had in my life!

I felt Danny spurt his hot load inside me, and as he pulled his cock out of my cunt I licked it clean, enjoying the sweet taste of his cream mixed with mine. Then I put my hand on Sarah's pussy, stroking her clit and Michael's balls as they slapped against her. She moaned loudly with pleasure, so I wriggled under her to lick her clit, lapping her juice off Michael's thick cock as it thrust in and out of her. She was coming over and over again, and as Michael shot his second load inside her she was writhing so hard that some of it dripped down onto my eager tongue.

After that the guys both needed a well earned rest, so we gave them a lezzie show, getting into a hot 69 to suck the jizz from each other's hot cunts. Danny kept asking us to slow down so he could get the photographs he wanted, but we just couldn't, no matter how hard we tried! Zooming in on Sarah's hot little tongue as it flashed in and out of my pussy got him excited all over again, and after I'd come, I had to take over with the camera so that he could fuck Sarah up against the wall. They did it very slowly and sensuously so I could take some terrific shots of his cock stretching her pussy wide.

The next day I helped Danny develop the pictures, and seeing all our dirty exploits captured like that got me really horny all over again. I ended up sucking Danny's cock in the darkroom while he finished the developing – and then we invited Sarah and Michael over to see them... I'm sure you can all guess what happened next!

I'd be lying if I said it hadn't affected my working relationship with Danny – these days we fuck every chance we get! And Sarah's planning a threesome with me and her boyfriend just as soon as he gets back – after all, it was because of him that I got to lick her juicy little pussy in the first place! – *Janine, Luton*

COUPLES CONFESS

Share and share alike!

I know plenty of Club readers must have had sexual liaisons at the office – it's not unusual, after all – but I think you might be interested to hear about what happened when I started my new job last summer.

I work in one of those big government department buildings in central London; I shan't say which in case anyone from Head Office is reading this! Everyone's so friendly that after a week I felt I'd been there for ages.

One of the guys in my department was *really* friendly, and I soon found out why: apparently he was a bit of a womaniser, despite the fact that he'd only been married for a couple of years. "Anything goes with Gary," my friend Julie told me, and I could see why. He was a good looking bloke, always well dressed, and the way he eyed up every woman and flirted outrageously with them made me sure he loved to live up to his reputation.

In spite of him being a bit of a smooth bastard, I fancied him and I knew he fancied me too. Although I say it myself, most men do. My waist- length blonde hair seems to attract them, and if that doesn't work there's always my pert little tits or my firm bottom. It didn't take Gary long to notice me, and I knew that before long I was going to screw him.

What happened was this. I made sure that every day I dressed to show off my figure to its best advantage, and I gave Gary the come-on something chronic. I used to fantasise about Gary on the bus in to work, my knickers all wet as I dreamed about his fingers playing with my clitoris and his cock screwing me hard into the mattress... or the car seat... or the desk – wherever! For two weeks I masturbated myself to sleep every night, thinking of him fucking me. I knew it was only a matter of time.

In fact, it took him about three weeks until he cornered me in the library one afternoon. I was reaching up to put some documents back on one of the top shelves when I felt a pair of strong hands around my waist, lifting me off the stepladder. I knew they belonged to Gary (I could see the wedding ring, apart from anything else!), but when they started moving up to fondle my boobs, tweaking at the nipples through the thin cotton of my blouse, I was certain.

Instead of turning around and pushing him off, I just stayed on the stepladder, and Gary went right on with what he was doing. When I did turn round we went into a marathon snog, Gary's hands pushing their way first inside my blouse, then up the short skirt that I was wearing. I could feel my pussy moistening, my heart was pounding and the thought that anyone could come in at any moment just spurred me on.

Gary's hard-on was digging right into me, and I rubbed my pubic mound up and down to turn him on even more, his cock becoming a hard ridge under his suit trousers. Reaching down, I unzipped him and wanked him then and there, pulling hard on his throbbing shaft as he pressed himself right up close to me. It didn't take him long to come, shooting his load into the palm of my hand with a groan which must have echoed all round the library. I took off my soaking knickers and wiped his come up with them, before putting them into his pocket as a little keepsake, much to his astonishment!

I thought that would be the end of it, but I was wrong. A couple of days later Gary cornered me in the office and asked if I was interested in a little repeat performance. "Only this time, there'd be me and a couple of mates," he told me.

Once I'd got over the initial shock, I realised the thought of doing it with more than one guy really turned me on – anyway, I'd have done anything to have Gary again. "I'm up for it!" I told him.

It was all fixed for the next day, when I'd meet him in the photocopying room. All he asked was that I wore one of my sheer blouses and teasingly short skirts, and then he and the other two would show me "the time of my life"! What a prospect!

I waited in there at the appointed time, fighting the urge to play with myself, not even having bothered to wear any knickers as they'd soon be off anyway. My nipples were sticking right through my blouse, making the thin red material stick out like a tent, and my pussy was throbbing in anticipation. The previous night I'd masturbated again over the thought of being taken by three guys at once. And now I really was going to be satisfied by three cocks in one afternoon!

I got the shock of my life when Gary turned up on time – not with two other blokes, but a guy and a girl! "Well, you did say you were game for anything," he grinned as he introduced me to Geraldine and Tom.

There was a moment of silence, as the three of them stood there grinning at me. I was in a real state by this time, my pussy wet and my heart beating like a drum, but they were quite content to let me make the first move.

I couldn't wait, though. I don't know what demon came over me, but from somewhere deep inside a real slut emerged. I sat up on one of the photocopying tables and parted my legs, hoisting my miniskirt up around the top of my thighs so they could see my pussy. "This is what you wanted, isn't it?" I said, looking into Gary's eyes. "Here's my pussy – you can fuck it if you like..."

I lay back and began to fondle myself. My fingers were immediately wet, covered in my juices. I pulled my lips apart so they could see how pink and wet I was inside, and ran a finger over my open cunt.

They still stood looking at me as I masturbated myself, but I could see that Geraldine was rubbing her nipples through her blouse. "Help me, Geraldine," I urged her, pulling my pussy lips even further apart. "Help me to come."

She was hot and horny, and couldn't resist. She came over to me and started lapping at my pussy, her tongue making fast, deep swathes over my slit and up inside. I was shaking by now, forgetting that the two guys were even there, and leant back, my eyes closed, my boobs jutting upwards.

I opened my eyes again when I heard the sound of a fly zip opening right next to my ear. The table was at just the right height for Tom to feed his long, thick cock into my mouth inch by slow inch – and that really set me off. As my lips clamped around his shaft and I tasted his musky smell, feeling the beginning of his pre-come juices seeping from the eye of his cock, I started coming.

Geraldine felt my orgasms begin and gripped harder on my hips, burrowing her tongue right inside me. The feeling of her licking motion, in, out, side to side, sent me crazy, and I came hard, my screams muffled by the cock filling my mouth. I could feel Gary watching my every move, and the idea of the stiffy forming in his pants, hard and ready for me, spurred me on even more.

"You randy bitch," Geraldine panted to me as she took a break from licking my quim. "You're so dirty you'll do anything!"

I couldn't argue with that. I'd lost control totally. A large stain of love juice was covering the table top between my legs. I felt soaked, hot, satisfied and yet more aroused than I'd ever felt before. And I still hadn't been fucked yet!

After I came a second time in Geraldine's mouth, she looked around to Gary. "I think it's time for you to take over," she panted.

He unzipped his trousers and started to ease his cock up inside me, first dipping his fingers inside my quim and lubricating himself with some of my juices. There was more than enough to go round even his fat prick, and when he entered me I automatically tightened my pussy muscles around his tool. I hugged him inside me as he levered himself back and forward, pushing himself ever further up into my cunt.

I let out a sigh of relief as I felt myself being totally filled with cock meat. I couldn't let out a groan as my mouth was still full of Tom's cock, which he was furiously pushing down my throat in his efforts to reach orgasm. I knew he wasn't far off.

"You just need a bit of a hand, don't you?" Geraldine murmured, and she stood behind Tom, undoing her dress so that she could free her extremely generous boobs from her lacy bra and rub them against his back. It certainly excited him. He started pumping into my mouth even faster, and I could see, as I lay there, that Geraldine was loving the exciting friction of her stiff, bare nipples against the cloth of Tom's jacket.

Then it happened. He shot a huge load of spunk into my mouth. I'd never come across a bloke who could empty such a load from his balls before, but like a good girl I gulped down every drop. Geraldine reached around to massage his balls and cock for him, in order to get out every last gob of sperm. My mouth was full of the stuff, and I revelled in making a

real play of swallowing the whole lot down.

I had spunk in one end of me, and now I wanted spunk in the other. I started moaning to Gary, saying that I wanted to feel him shooting his jism inside me, all the while contracting my pussy muscles around his cock.

"Come inside me," I begged. "My pussy's aching for it. I want you to shoot your load up me, Gary."

Naturally, it was only seconds later that he obliged, unleashing a long, hot spurt of come which seemed to shoot deep inside my quim – then another and another. I was howling out loud now, not even caring if the whole department could hear me. All I could focus on were the incredible orgasms that were rippling through my pussy, as Gary carried on fucking me until he'd totally spent himself. And to have two people watching that happen too – what a feeling!

Me and the guys were all knackered now, but Geraldine was raring to go. I didn't think any of us would be up to servicing her, but it turned out that she didn't mind that at all – she got her kicks from being watched while she wanked!

"OK, you three, stay where you are," she said. "It's my turn to come now, and I want you to watch me very carefully..."

With that she stripped off completely, apart from her very high-heeled shoes, and started to put on a show for us all. She was a right little exhibitionist! She began by licking her nipples as she stood in front of us, and then ran her hands down to her neat, shaven pussy.

"I shaved down there this morning," she whispered. "I wanted to make sure you'd see everything I was doing!"

With one hand Geraldine opened her pussy lips, and ran the fingers of her other hand along her open slit. Then she looked each of us in the eye as she licked her juices off her fingers.

"You can see how wet I am, can't you?" she moaned. "You can see everything I've got, can't you?"

You bet we could – and her dirty show was starting to turn us on! The guys' cocks were beginning to grow hard again, and I could feel my pussy tingling, too.

All at once she got down on all fours, with her face on the carpet and her bum towards us, high in the air. "Open my bag," she moaned, pointing towards the handbag she'd left near the door. I did, and inside was a huge pink dildo! The dirty bitch had certainly come prepared!

"Bring it to me," she said. I handed her the dildo. She sucked on it briefly to lubricate the tip, and then put her right hand between her legs holding that big false cock and ran the end of it up and down her slit.

"Open me up, Cheryl," she begged. I went over and pulled gently at her bottom cheeks, so her pussy opened wide and we could all see inside her wet, pink opening.

In one movement she eased the huge dildo right inside her cunt, all the way up to the hilt – and it must have been ten inches long! She moaned loudly and started thrusting it in and out.

"It feels so big," she groaned out loud. "Can you see me fucking myself, Gary? You, Tom, do you think I look horny with this big dildo up my cunt?"

The guys were bug-eyed as they stood behind Geraldine – they'd never seen or heard anything like this! They both had their cocks in their hands, stroking their erections as they watched Geraldine slide that dildo in and out, getting faster and faster until she was ramming it up herself good and hard – and talking *very* dirty all the while.

I could tell the guys were going to come soon, and I wasn't going to let that go to waste! Leaving Geraldine, I knelt in front of Tom and took his cock in my mouth; that was all he needed, and he came in my mouth – not as much as last time, but still a good second helping!

Gary was near coming too, but I wanted to feel that cock in my pussy again, so I got down on all fours next to Geraldine. "Do me from behind, Gary," I whispered to him. I reckon the sight almost did for him then and there – two bottoms raised in front of him, one pussy full of dildo and the other desperate to be filled with his cock!

Instantly I felt his prick push into my soaking pussy, and he started to fuck me almost as fast as Geraldine was doing herself with the dildo. She was shouting out now, starting to come, and within a minute all three of us were having orgasms even more powerful than the first. While Gary emptied his load into my clenching pussy, I French-kissed Geraldine, sharing the taste of Tom's spunk. She only broke off to yell one last time, ramming that dildo up her pussy hard before collapsing in a sweaty heap on the floor.

It must have been the best sex any of us had ever had! We haven't managed a repeat performance yet, though, but that's only because we've all had to work extra hard just lately. I have let Gary fondle me in the library though, fingering me to a delicious climax as I wank his cock into my palm.

But I know it's only a matter of time before the four of us get together for another session. I guess we should all feel a bit guilty, but we enjoyed it so much that first time, none of us do! – *Cheryl, Dartford* ♣

FIONA WRIGHT INVESTIGATES EUROPE'S HOTTEST UNCERTIFICATED VIDEOS

THIS week I have personally been watching the hottest, horniest videos I've ever seen in my life—what a week!

And it's all thanks to the bowler hat brigade in Brussels. 1992 is here and the import barriers are down just in time.

I have been able to get hold of sixteen, yes sixteen, **uncut uncertificated** films of highest quality from **Scandinavia** and can offer them to you at a fraction of what they should cost.

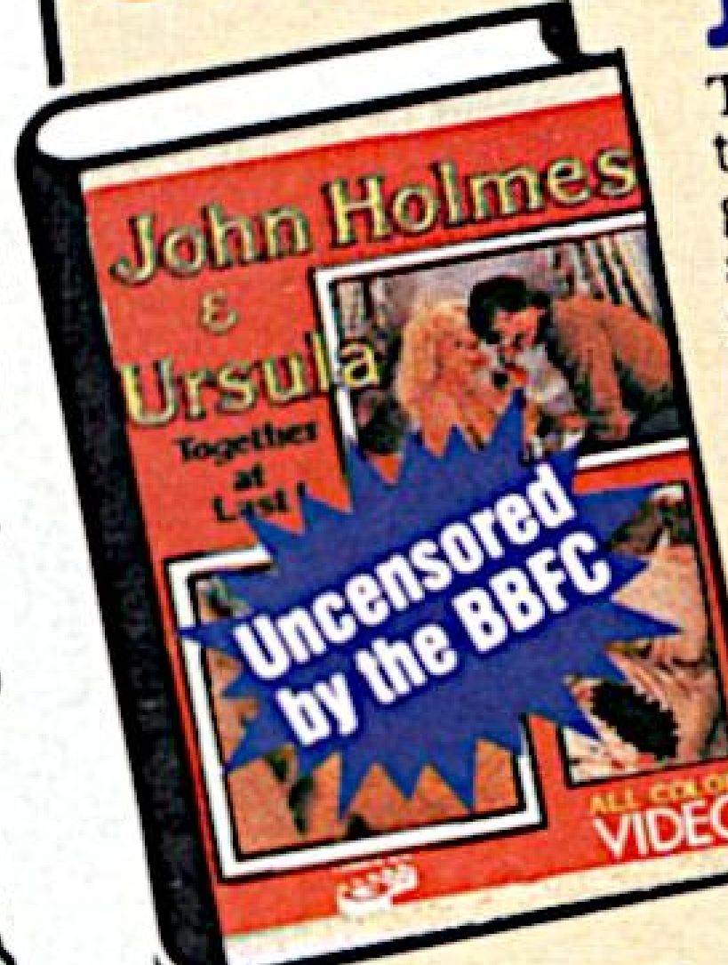
To get around import restrictions I've had to offer these very special films in pairs and sets of four but this will also reduce transport and handling costs so they come to you **even cheaper!**

Order your copies of the hardest most explicit **uncertified** videos at unbeatable prices

WARNING: The following videos are uncertified, imported from USA/Europe. They are totally uncensored, hardcore explicit videos not for sale through any outlet in the UK. These are NOT similar to anything else on the market, they are truely hardcore and completely UNCENSORED by the BBFC. The hardest videos available in the UK. You have been warned.

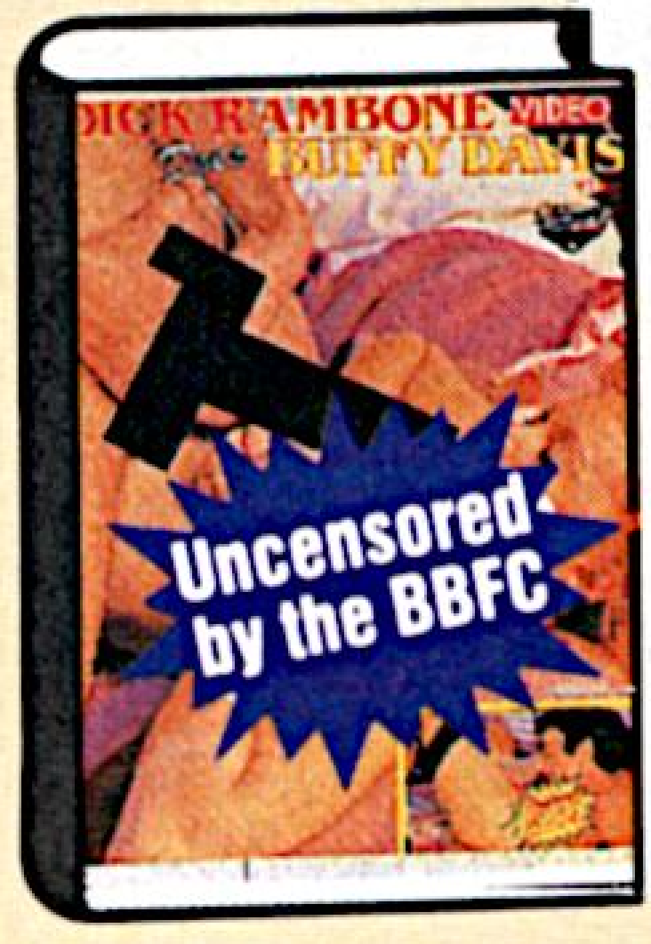
SET ONE x 4

Mid-1992 prices will be £59.00 each —SPECIAL OFFER—ALL 4 ONLY £19.95.



John Holmes and Ursula

THE man with the biggest XXXX in the business uses his ten inches to great effect. Ursula takes it from every angle in this **uncut** special. Every sex act imaginable, all in graphic detail.



Exciting

ANOTHER classic previously only available on the continent. Full of the best XXX penetration I remember. A sensational uniform lesbian scene. We're talking hot, hot action.

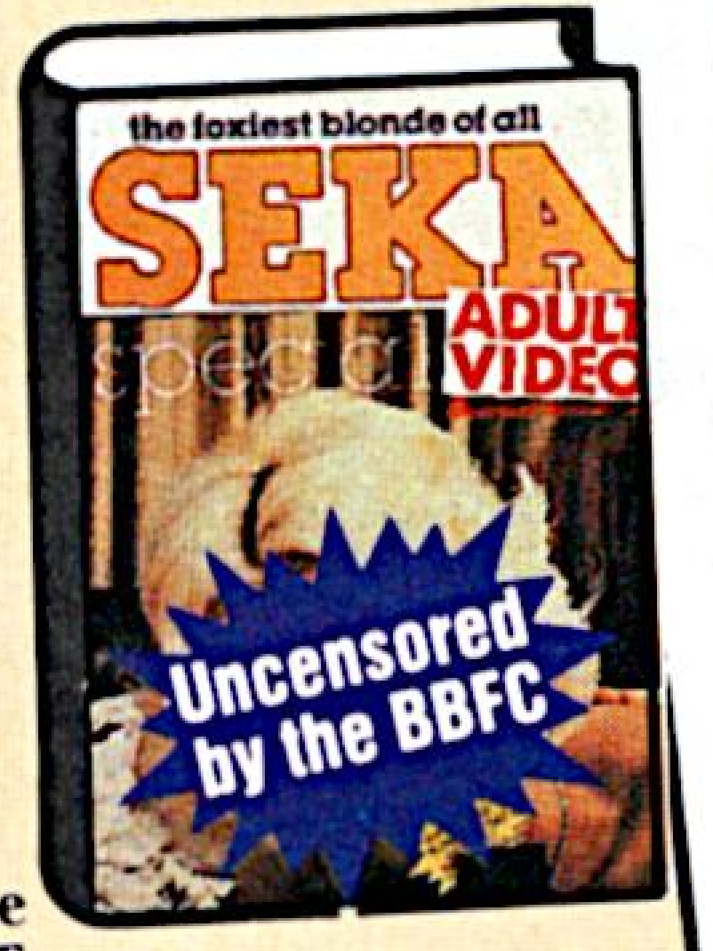
Dick Rambone Does Buffy Davis

AND he does!! Big buxom Buffy is "done" in every conceivable position with Dick's XXXXX XXX (Censored) XXXXX. Finishes with a terrific two on one scene. Good close-up and penetration shots.

EXCITING
VIDEO
Uncensored by the BBFC

Seka Special

PROBABLY the most explicit film I've been lucky enough to see. Superb oral action. An excellent porno nurse scene and a memorable orgy. Seka is incredible. This really should not be missed.



This set of four will sell individually for around £59.00 each, but they can be yours for just £19.95—THAT'S RIGHT £19.95 FOR ALL 4 NOT £19.95 EACH.

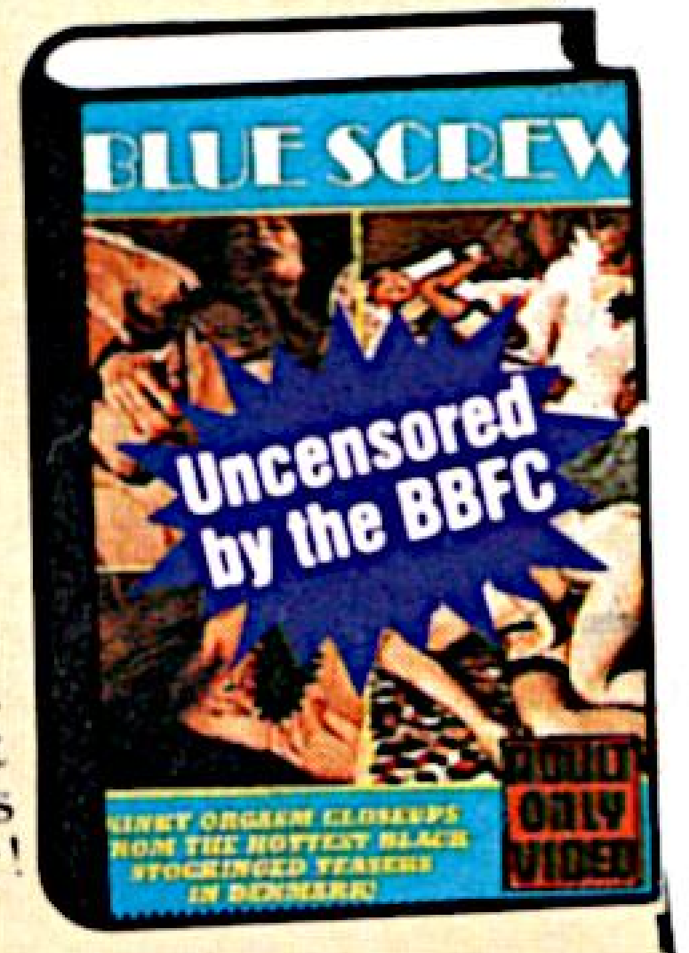
SET TWO x 4

Mid-1992 prices will be £59.00 each —SPECIAL OFFER—ALL 4 ONLY £19.95.

Sexy GIRLS
Video
Uncensored by the BBFC

Sexy Girls

PACKED with well-built sexy girls and a variety of household implements plus XXXXX XXX and a very large selection of very large XXXXXX. This was my favourite and I made sure I kept a copy.

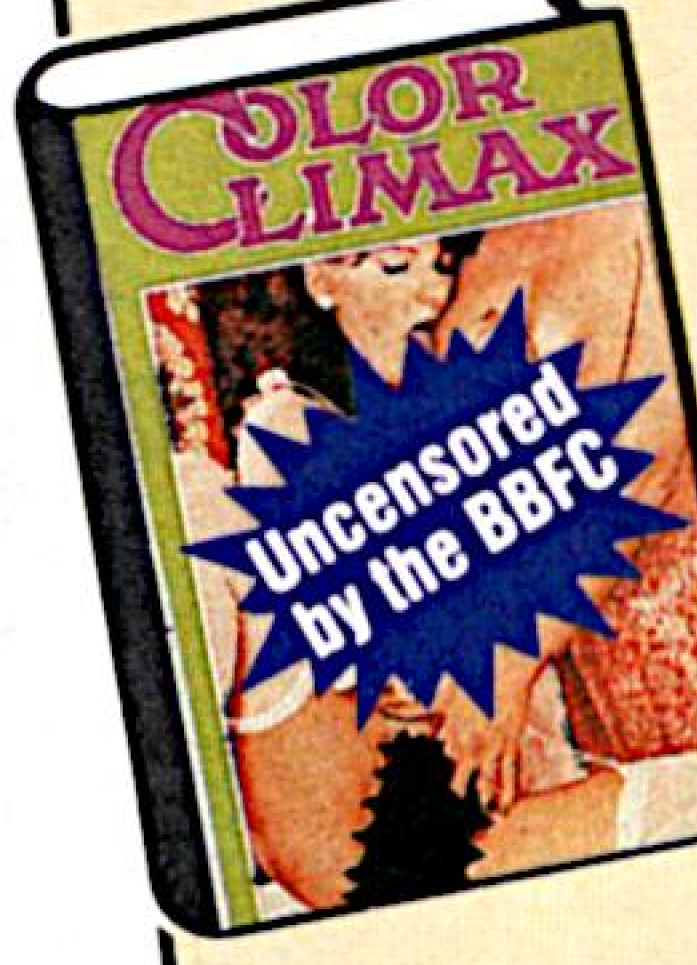


Color Climax 125

EXACTLY what you would expect from this classic Scandinavian title. Excellent XXXXX action and hot lesbian scenes. One of my boyfriends favourites- I got a night to remember!

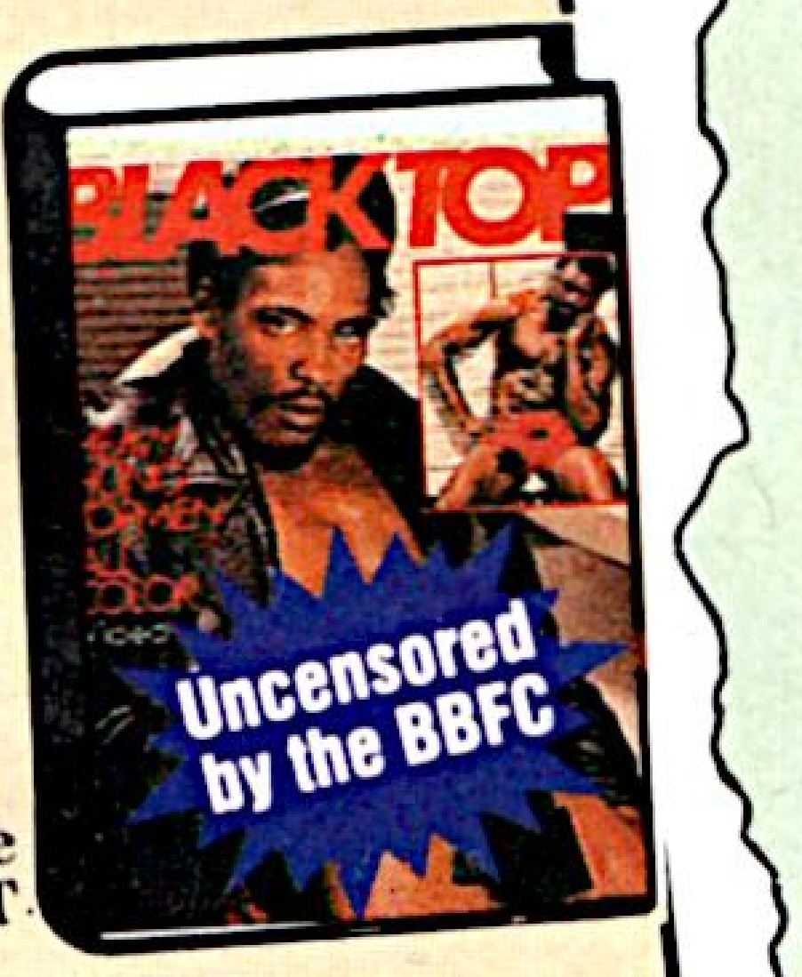
Blue Screw

THE best group and lesbian action I've ever seen. Full penetration, orgasm and XXXXXXXX. This film is guaranteed to bring you instant sexual relief. The three girl lesbian orgy is a classic.



Black Top

A SPECIAL for gays, and girls who like their man big. This is a hot all male film with more muscle than I've seen before. I loved it.



This set of four will sell individually for around £59.00 each, but they can be yours for just £19.95—THAT'S RIGHT £19.95 FOR ALL 4 NOT £19.95 EACH.

EXTRA—EXTRA

As well as the two sets of 4 films I have put together, 8 more that you can buy in pairs. Selling for up to £59.00 each you can have any pair for just £11.95.

tabatha

Photographs by Steve West

We've all had to take our work home with us, but 19-year-old Tabatha here does it every night.

"I work in a lingerie shop in London's West End," explained the blonde beauty. "And we always have something new come in and it seems it's always up to me to go and try them out."

So what do you do? Parade around your bedroom wearing the ones that suit you best?

"Oh no. I let my boyfriend pick out his

favourite and then *parade around the bedroom. Pointless really, he gets so turned on by the sight of me he only rips them off again a minute later.”*

Well, would the sight of Tabatha in nothing but a little underwear turn you on? Corset would!♣

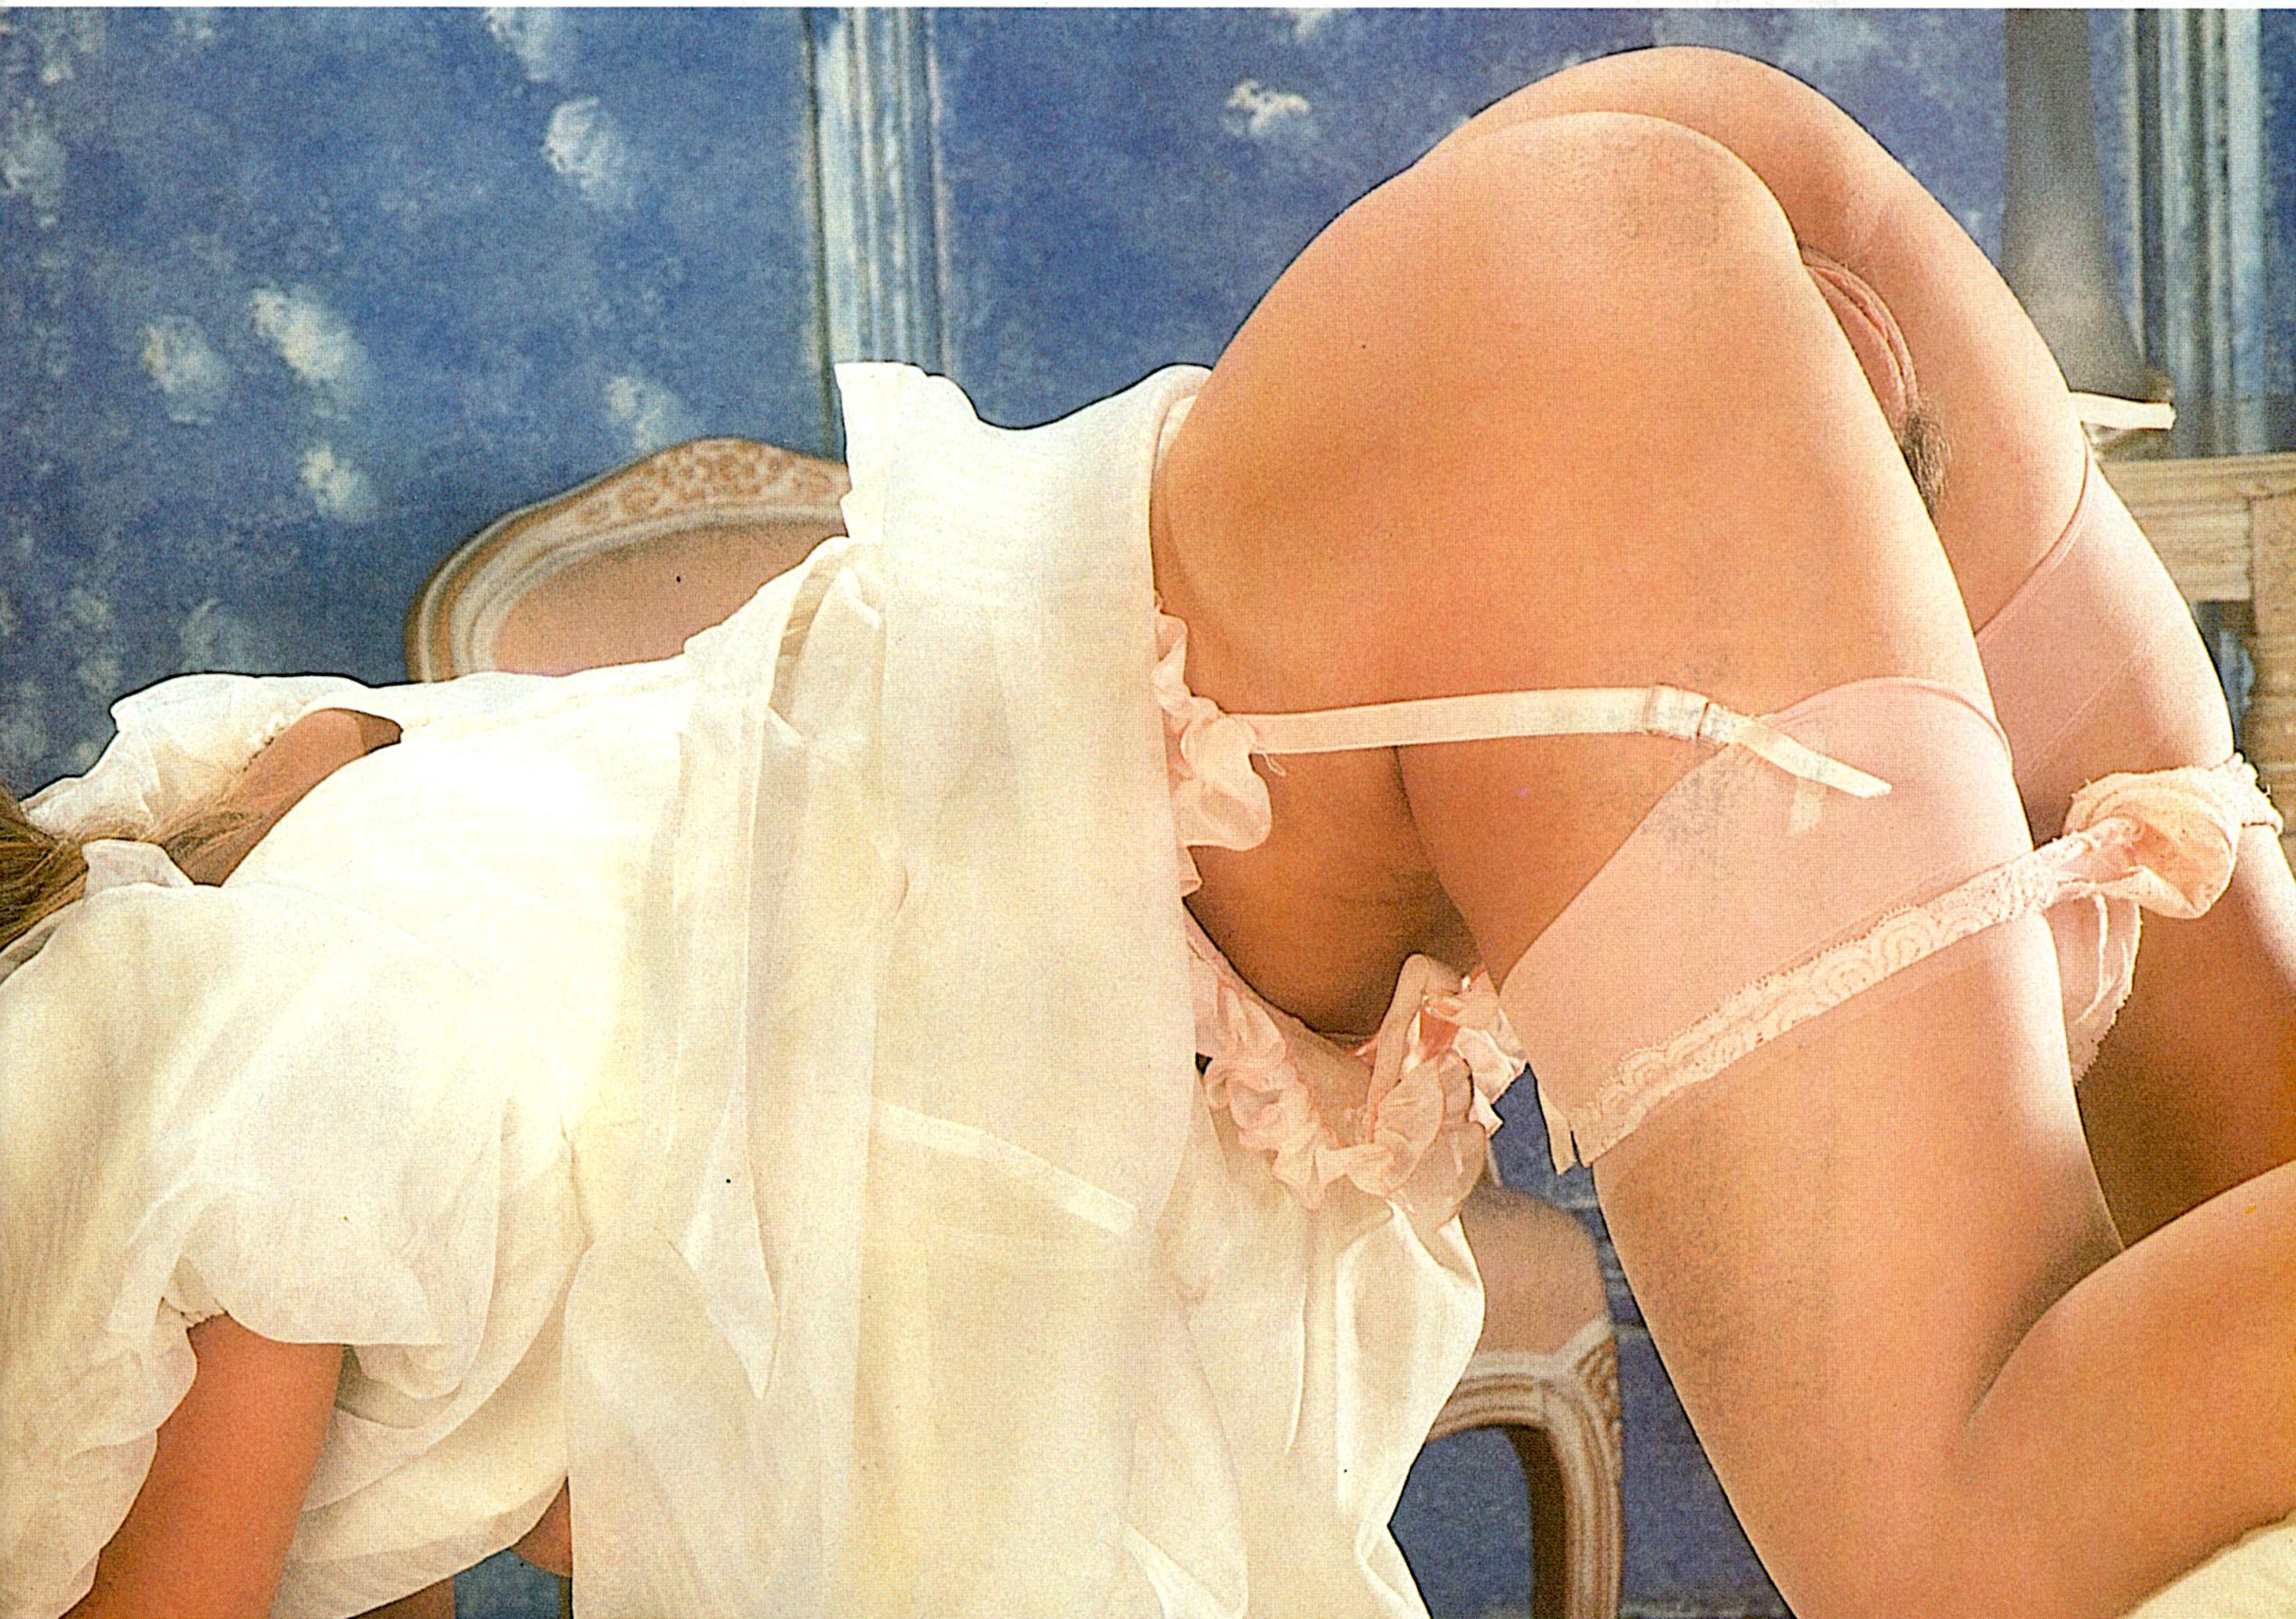
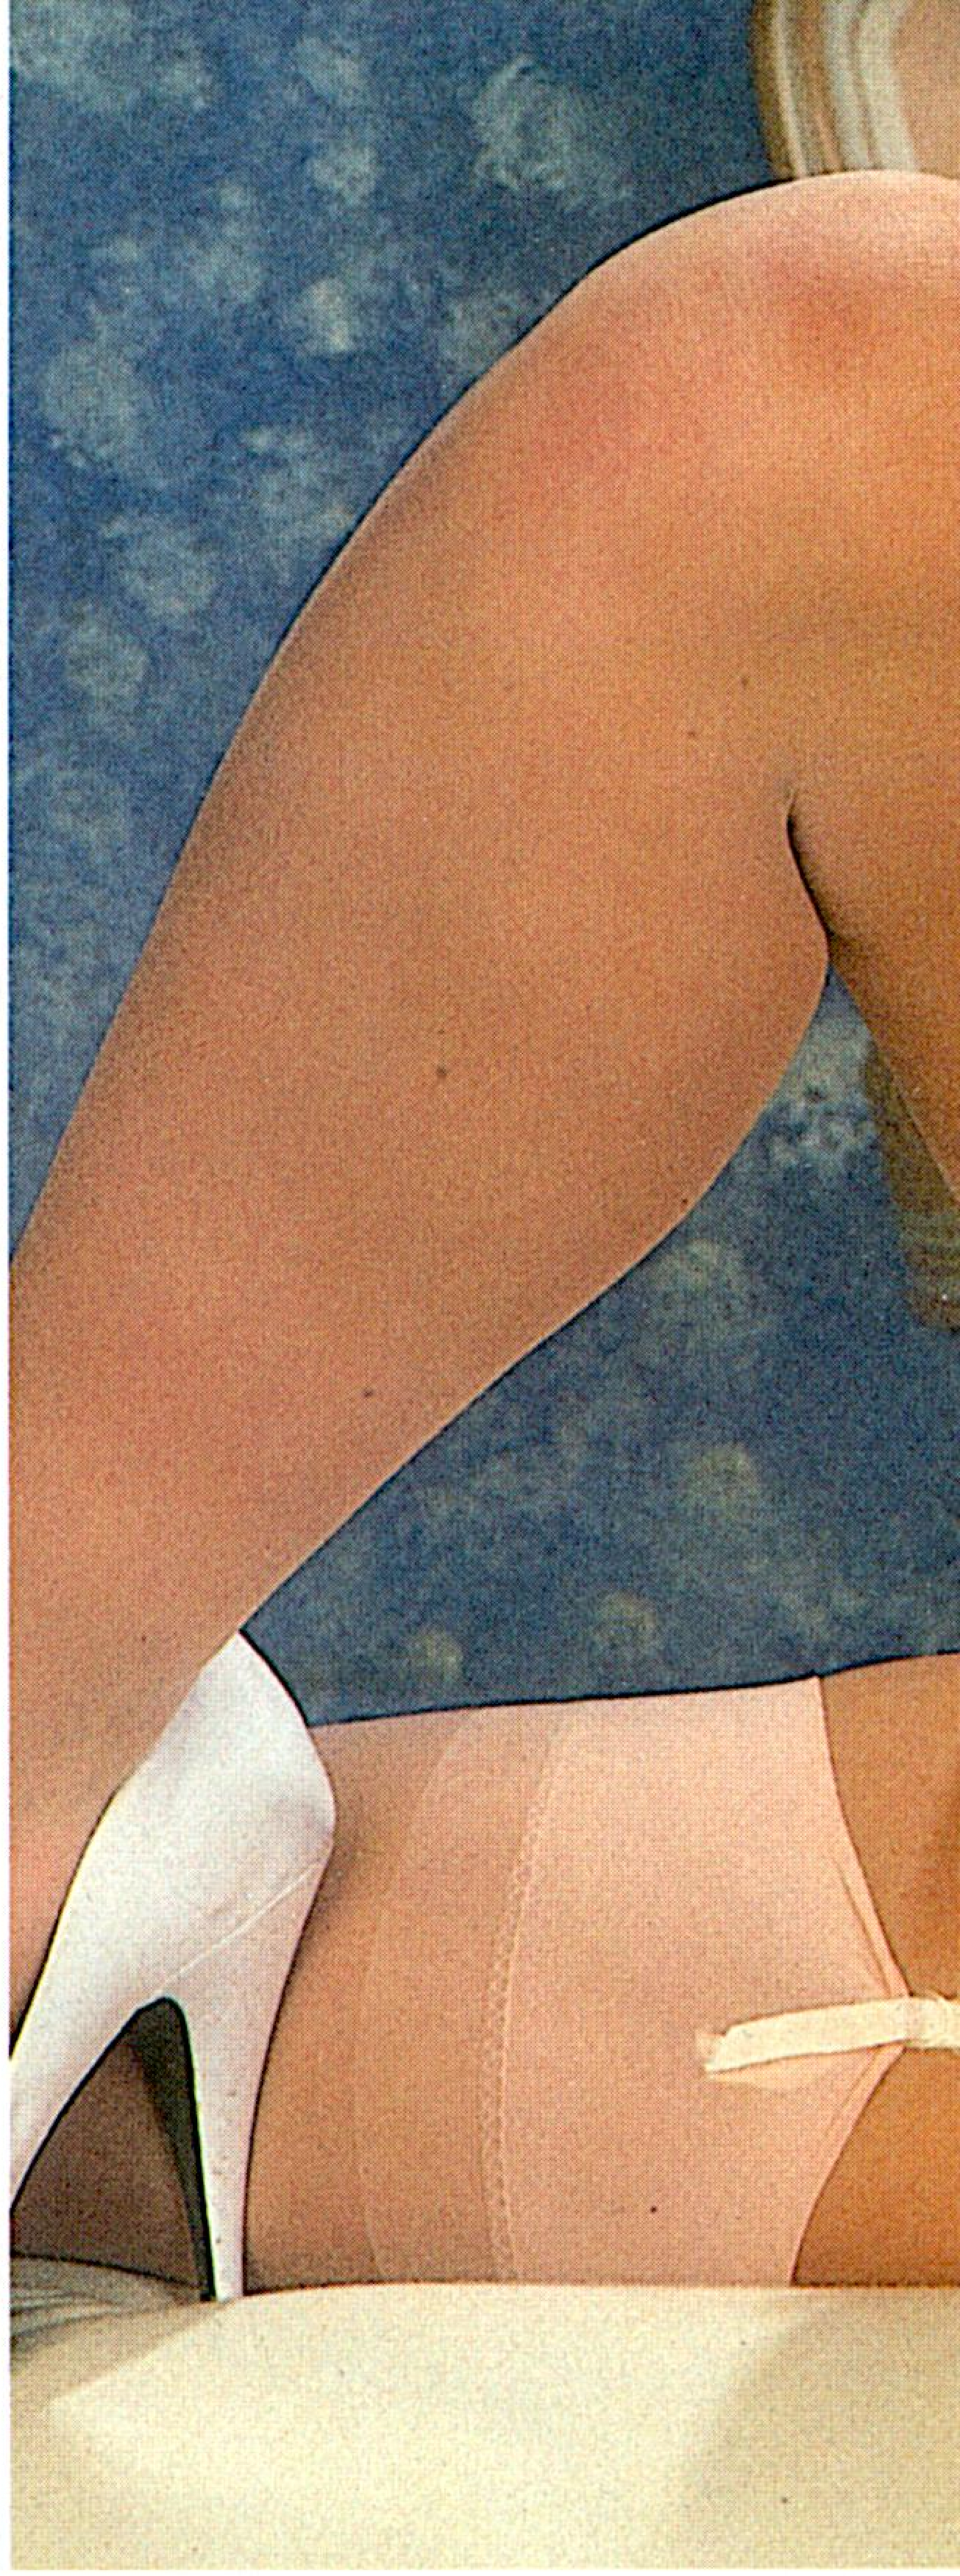
Photographs by Jack Harrison

Now the beautiful Michelle here may not have appeared in the pages of Club before, but it's definitely not her first time in front of a camera.





"When I was at college I remember these boys asking me if I would appear in a video they were making."

Don't tell us they were making a blue movie!

"Course not! Well, not to start with. It's just that under all those hot lights, surrounded by all those hunky young men got me so turned on I had to take a few things off. Before I knew it, what started off as a bit of fun ended up as quite a lot of fun, if you see what I mean..."

Well, Michelle, we'd certainly like to! ♣

COMING IN club

Now, that's what we call a profile! The thing is, how many of you would like to see more than a little more of her? What's her name? Where's she from? How did she get such a fine pair of sparklers? Well, we know but we're not telling, so there. But don't give up yet, pop pickers, because all her attributes and more will be revealed in next month's spanking new Christmas edition of Club, where all your favourite girls and favourite jokes will be making a welcome return after the Club "Bonking Barmy Bonfire Bash". And you just wait and see how far this cracker went up! See you then!♣

IN THE BAG

followed. Keeping a good distance, I followed her up the stairs and watched her go into her room. I was standing there thinking what on earth to say to her when she came out and walked off down the hallway. But she hadn't closed her door properly, and I just had to have a quick peek inside!

Looking round the door, I could see her suitcases unpacked and some sexy underwear thrown on the bed. There was a lacy white bra and a pair of silk panties — and what looked like some photographs. Walking into the room, I picked up the one on top, and my mouth fell open. There in the photo was the gorgeous blonde, nude, and astride some bloke with his cock up her delicious shaven cunt. All the pictures were of the same thing, the blonde and this guy fucking.

Suddenly the door swung open and the girl walked in! I don't know which of us was the more surprised, but I was certainly the more embarrassed, I can tell you! I started mumbling some pathetic excuse, but after she'd got over the shock of seeing a total stranger in her room she just smiled, held a finger to her lips and closed the door with her foot.

"I think you'd better give me those," she said, taking the photos from me and putting them in her bag. Then, without another word, she knelt in front of me and pulled down my shorts. Taking my stiff cock in both hands, she rubbed it slowly between her palms, and then started sucking it like no girl had ever done before. I nearly shot down her throat straight away!

When she had licked and sucked me for a minute, she stood up and peeled off her swimming costume. Her naked body was perfect, her boobs big and glistening from her swim and her pink pussy totally shaven.

She came closer, holding my gaze and kissing me, rubbing her boobs against the hairs on my chest, her bare pussy feeling smooth against my erect cock. She led me over to the bed and lay down next to me, as I sucked her nipples. She started to moan with pleasure as I kissed down to her belly and her luscious, pouting cunt.

Her pussy looked so pretty and inviting I couldn't help but stare at it, rubbing it gently with my fingers. Then I licked one finger and parting her plump pussy lips, I slid it right into her. I thrust it in and out, stroking her hard clit with each stroke. She was moaning and thrashing about now as she started to come.

Feeling her juices flow I moved my head down to her love tunnel and started drinking up every drop. It felt just as fantastic for me as I buried my tongue right in her pussy, exploring every crevice.

"Fuck me now!" she moaned, as I knelt on the bed and turned her over. Her pink pussy looked so gorgeous between her well-spread thighs I just had to part her pussy lips and rub my cock up and down her wet slit before slowly easing it in.

I grasped her bum and thrust deep into her, my cock sliding easily between her hot, sticky lips as I slipped my hands under her belly and held her tight. My balls were slapping against her now and even the bed began to slam against the wall as each thrust became harder and wilder.

She was squealing loudly with pleasure as I fondled her boobs, rubbing her hard nipples between my fingers. I gave one last thrust and exploded in her, shooting long, creamy spurts of hot spunk deep inside her as she threw her head back and screamed out her orgasm.

When we'd both recovered, she calmly put on her swimming costume and walked out, grinning as she said: "Close the door behind you."

Of course I looked for her the next day, and the next, but she'd gone. And although I didn't have any photos to show my mates what sort of holiday I had, at least I know where I'll be going in future! – *Chris, Norwich* ♣
